

JCC EARLY CHILDHOOD & FAMILY EDUCATION

*Where parents
and children
play, learn and
grow.*

Early Childhood Family Education (ECFE) is a parenting education program that provides programming and services for families of small children. Parent and family engagement is crucial to a young learner's development and provides a foundation for future school success and lifelong learning.

Our ECFE Nights will include opportunities for parents/caregivers and children to play and learn together! We will play games, do activities, make crafts, and other fun things over the weeks!

Then, we will break into a parent/caregiver group for parent/caregiver education and the children will continue to play with an Early Childhood Educator. This is a great time for parents/caregivers to connect, get resources, ask questions, and get support.

Children ages 0-5 are welcome and encouraged to attend, regardless of enrollment at JCC Schools. ECFE is for all Jackson County, MN residents.
