

What is a School–Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies that parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to become volunteers

Jointly Developed

The parents, students, staff and community stakeholders worked together in the spring to revise the compact based on the school's academic achievement goals and students' needs.

Parents and community stakeholders are encouraged to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting.
