Fannin Family,

I want to take this opportunity to share an exciting new service for our students and their families. At the May 9, 2024 Regular Board Meeting, information will be presented regarding Fannin County School System's eligibility to participate in the Community Eligibility Provision (CEP), a U.S. Department of Agriculture service. In prior years, the Fannin County Board of Education has provided free breakfast for all of our students. With the implementation of CEP, both breakfast and lunch will be provided to **ALL** of our enrolled students at no cost. Another benefit is that CEP eliminates the need for households to complete meal applications.

We are fortunate to have this opportunity to provide another service for our students and their families. Details of this program will be shared at the May 9, 2024 Fannin County School Board Meeting.

We Are Fannin,

Shannon M. Dillard

Superintendent
