# REID STATE TECHNICAL COLLEGE

## Library Orientation

# Welcome to the Edith A. Gray Library and Technology Center

The library is the gateway to the material you need for success in the classroom. The library offers access to physical materials, dedicated study spaces, printers and computers.

In addition to our physical materials, we have a robust collection of digital materials accessible from the Reid State library resources webpage.

While there is a lot of help available on our website, please don't feel like you have to figure it out all on your own. The staff at Reid State is available to help. You can contact the library staff by phone or email. You can also schedule a time to meet one on one.

As you join the RSTC community know the library staff is here to help you.
