Building Website:

The middle school webpage is a great place to find information regarding your student's teachers and contact information, cycle days, building events, and homework materials. Visit www.shipk12.org/middleschool to see more information about our building.

PSSA's:

PSSA's are quickly approaching and will take place in from April 21st - April 30th. During this time it is important that students attend school daily and are well rested. This year our PSSA's will take place online. Students will need a charged chrome book daily that is in working condition. As a reminder PERSONAL electronic devices are not allowed in the testing room; this includes phones, smart watches, and personal calculators. The school will issue PSSA approved calculators for the testing period. Additional information will be distributed via the newsletter and the district's messaging system closer to the time.

Gifted Programming Updates

The Gifted program at SAMS as well as Enrichment Groups are lead by Mrs. Kirkpatrick. Groups meet during Greyhound Block and Resource to extended the learning that is taking place within the classroom. Enrichment groups provide lesson extensions for students that need an extra challenge during the school day. Groups allow students to participate in local and statewide competitions. To learn more about Gifted and Enrichment groups check out the marking period newsletters on the SAMS website.

Dress Code

A quick reminder that students should have their stomachs and under garments covered at all times during the school day. If shirts are hanging off of the shoulder a garment 2 inches wide should be underneath. Students not in compliance will be asked to change.

PBIS Criteria:

Our Positive Behavior Interventions and Support (PBIS) program rewards students for meeting expected behavior expectations. The program works to reward students through our paper currency, Champ Chances. Students can use the Champ Chances to purchase items in their classroom stores, participate in grade level raffles, go outside during lunch and enter raffles during marking period activities.

Marking period events also take place for all eligible students in our building. Students who have accrued two or more discipline referrals during the marking period would not be eligible to participate within the marking period event. Additionally, students who have been assigned ISS or OSS during the marking period would also be considered ineligible for the marking period event. There will be opportunities for restorative practices for students to earn their way back into the marking period events at the principal/assistant principal discretion.

Social Media:

Middle School Administration does their best to keep families, students, and the community apprised of the fun and exciting activities taking place within the building and classrooms. Please consider following the middle school on social media to stay apprised of happenings.

PTO:

The SAMS PTO is a mighty group of parents that work diligently to raise money for our students and provide opportunities inside and outside of the school building. The PTO team has raised enough funds this school year to provide field trips and extended learning opportunities for all grade levels.

The PTO has plans for a Spring Fling event for students as well as a Spring Book Fair in the coming months. Stay tuned for details. If you want to join this mighty team, meetings take place on the third Wednesday of each month in the SAMS Cafeteria.

Safe 2 Say Something:

Safe 2 Say is an anonymous tip app and website that any user can report warning signs, threats to themselves or others, self harm, and other concerns before it is too late. Tips are assessed and process through the crisis center and acted upon as necessary by local agencies and school personnel.
