

7250 SCHOOL AND FACILITY NAMES

School buildings and separate school facilities, both on school grounds and within school buildings, shall be named only by formal action of the Board of Education. In naming schools and facilities, the Board shall strive to honor the traditions and high ideals of this district and the community it serves.

A school building or school facility may be named to memorialize the outstanding service of a school district employee, officer, or former student.

No such school district employee, officer or former student will be considered for memorialization in a school or facility name while actively employed and/or currently enrolled.

The Board welcomes the suggestions of members of the community in the naming of school buildings and facilities and may appoint a committee of interested persons to conduct appropriate studies and make recommendations for Board consideration.
