

Weekly Message from  
**North Canaan Elementary School**  
Friday, May 13, 2022

---

*Click on the blue underlined links.*

*Thank you, once again, to all families who were able to participate in our Walk, Bike & Roll to school on Tuesday. It was a beautiful day weatherwise and a safe day for all of the many participants.*

**[Region One Summer Learning Program Registration and Transportation Survey](#)**: Click the link to take the registration survey regarding summer school at NCES.

- Registration for the **[Middle School Enrichment Program](#)** (students entering grades 6-8) is also through the survey above.

**[Summer Reading Book Choice](#)**: This summer students will have a choice of books from which to select for summer reading. We will be placing the order next week to be sure we can get the books by the end of the school year. If you are not able to make a selection we will pick the age-appropriate book for your child. Click the link and make your selection today!

**[Grade 4 Moving-Up Meeting](#)**: Click the link for last evening's presentation to all current fourth-grade families regarding moving up to the middle school. Folders will go home today with students of all families who were not able to attend.

**[Grade 5 Nature's Classroom Meeting](#)**: Click the link for last evening's presentation to all current fifth-grade families regarding the trip to Nature's Classroom in the fall. Folders will go home today with students of all families who were not able to attend the meeting.

**[Art Show and Concert on May 25th](#)**: We are so happy to mark the return of a live concert and art show this year. Families are asked to wear a mask for everyone's safety.

**[Arts Fund Summer Scholarship](#)**: The Arts Fund for Region One provides funding for students to attend classes of their choice. Students are free to choose programs in and outside the region that suit their interests. Click the link to learn more. The application deadline is Sunday.

**[Guitar-Building Workshop at Hotchkiss](#)**: This summer students may be interested in an opportunity to build a high-quality electric guitar at Hotchkiss. Scholarships are available.

**[Lunch Price Increase 22-23](#)**: The student lunch price for the 22-23 school year will be \$3.00 (an increase of \$.10.) The increase is required as we receive funds to support our lunch program from the federal government and must be in compliance.

**[Library News](#)**: Planning to travel around the U.S.A. this summer? The library has a great collection of state books to help you plan your trip. Go to **[Destiny Discover](#)** and type in the name of the state you want to explore. Happy travels!

**[State assessments continue for students in grades 5 and 8](#)**: Click the link for a reminder that we are testing for science in grades 5 and 8 on Wednesday and Thursday.

**Be well,**  
*Dr. Roy*  
NCES Principal
