

**WEBSTER COUNTY SCHOOL DISTRICT
2025-2026
SCHOOL CALENDAR**

The school calendar has been devised to provide 180 days of classroom instruction for students plus 7 workdays for teachers. Should inclement weather conditions or other unavoidable acts of nature necessitate the closing of the school district from the minimum school term of 180 days, the required make-up days will be scheduled from Holidays or the last week of May.

All personnel are requested to adhere to the approved calendar for the 2025-2026 school year in order to eliminate as much interference as possible with the instructional program. Determined efforts should be made by all administrative personnel to permit no encroachment on teaching and learning time by non-instructional activities and to permit no scheduling of major extra-curricular activities during major school district testing periods.
