### Flu Vaccine Offered for Houston County Students & Employees

HOUSTON COUNTY, GA – The Houston County Health Department and Houston County School District have partnered for the 13<sup>th</sup> year to offer a free flu vaccine to students and employees at school. The flu shot is being offered at 41 sites between October 18 and November 16. In order to receive the vaccine at school, students are required to bring a completed [consent form](#).

For the sixth year, school nurses have collaborated with the Houston County Health Department to bring additional vaccinations to employees at work. During the school flu clinics, employees may obtain the following vaccines: Tetanus, Diphtheria, Pertussis (whooping cough), Hepatitis A, Hepatitis B and Influenza. Health Department nurses make recommendations regarding personal immunization needs based on vaccination records in the Georgia Registry of Immunization Services (GRITS). Vaccinations will be provided at no out-of-pocket expense for employees who are covered by Medicaid, Peachcare, Medicare, Wellcare, Aetna, Amerigroup, Blue Cross Blue Shield, Coventry or Tricare.

The 2021-2022 School Based Influenza Vaccine Consent Form is available online in [English](#) and [Español](#). Learn about the flu on the [North Central Health District website](#). For more information, please contact your child's school or Dana Rollins, Coordinator of Health Related Services, at (478) 988-6200, ext. 3555, or [Dana.Rollins@hcbe.net](mailto:Dana.Rollins@hcbe.net).

A vaccine clinic schedule follows.
