Principal's Notes

Odem Junior High School continues to focus on the wholistic supports of all students from academic, social, to emotional demands. We have multiple embedded events within the UIL offerings that aid and develop our students. The Owlets are heading into the exciting athletic spring season! We know each of our OJH students will work diligently to advance their best efforts. They continue to show their dedication and skill to each event for a busy competitive spring season. We look forward to seeing what OJH Owlets are capable of achieving! For UIL Academics, each student has strived for growth amongst these interesting times. We know this will showcase their beautiful array of skills, gifts, and knowledge. OJH students are also steadily preparing for their STAAR assessments rapidly approaching in April & May. Our staff have been diligently working alongside our students to ensure they obtain the utmost success on their upcoming assessments. We are proud of all our students and look forward to seeing their success socially and academically via the activities and assessments of the final semester! OJH and its families together can make the most difference in our student's success.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:30pm!

Instruction takes place until 3:30pm. Picking up students early will result in missed class content.

"You have the POWER to CHANGE the world use it to make a DIFFERENCE!"
