★ OUR NATION'S HISTORY ★

Memorial Day originated in the years after the Civil War to remember and honor those who had died in service to our country. At first, Memorial Day was called "Decoration Day" – literally, a day that was set aside to beautify the final resting places of our honored dead.

This year, while you're enjoying your day off, please don't forget to honor them in your heart, too!

★ WITH LIBERTY & JUSTICE FOR ALL ★

eatfit
 wanna stay fit?
 gotta eat right!

item: water **verdict:** ripped
tip: Use water to power your workouts – and your life. Try to drink at least 6-8 8-ounce servings of water a day. No matter how much you drink, it always adds up to zero calories. So try having agua instead of soda or other high-calorie, low-nutrition drinks as often as possible!

Please see the other page for items available daily

 Chips, Veg Sticks
- Friday, May 29**
 It's Summer Break!!!

Where do all of our crazy food names and phrases come from?

WORDS OF MOUTH

This month:
 "Take it with a grain of salt"

Has anyone ever told you to take something "with a grain of salt"? It means that you shouldn't necessarily believe what you're being told. The Latin words for "salt" and "wisdom" are the same, so some say that the phrase means "use your wisdom to decide if this is true." But feel free to take this explanation (wait for it) with a grain of salt! Just one of those food-related sayings that so often "spice up" our language!
