We revisited the LCAP needs/priorities for Ripon High School which include:
 - Restrooms/Facilities
 - College Fairs
 - Counselors going into classes earlier

Discussion included CTE college fairs in the future, 8th grade ballot presentation, Aerie balloting, 4-year eligibility/graduation requirement plans for freshman, sophomore A-G balloting presentation, junior A-G discussion to make sure they are on track and senior FAFSA cash for college nights.

There was additional conversation regarding putting the mirrors back in the restrooms. Mr. Rangel will check into this.

There was also a question as to why sideline cheer was not a full-credit CIF (California Interscholastic Federation) sport. Mr. Rangel advised that was already changed for Ripon High School as of the 23-24 school year. He advised all sideline cheerleaders that cheered for the 23-24 school year will receive the 5.0 credits instead of 2.5 credits.

- V. Safety
The possibility of all staff and students wearing ID badges was revisited. There was discussion regarding digital and hard copy badges.

There will be a lockdown drill next month without a bell just using the ability to use phone and loudspeaker then the bell will ring a few minutes later. In the future, lockdown drills will be simultaneous with Ripon Elementary, Harvest High and the District Office due to the close proximity.

Certified CPR training for teachers and administration was discussed. This is not required by the state but a good idea to ask as many staff as possible to

participate since it could save lives. The District is willing to pay for the training (instructor) and the cards.

VI. State Testing Incentives

Tacos for Testing was provided to the Juniors last year. That will be presented to the Booster Club again this year for approval.

The juniors test in April and receive results during the summer.
