10/12/21

Dear Parents,

The faculty and staff of Wolcott High School would like to invite you to 8th Grade Curriculum Night Thursday, October 21st from 6-8 pm. The evening will consist of a tour through the high school where you will hear brief presentations from over 15 different offerings available to students. We hope this introduction to the high school and its many programs will allow your son or daughter to be better informed when it comes time to choose classes for the fall of 2022.

Here is an overview of what we hope to accomplish on October 21st:

- classroom and lab demonstrations in academic departments
- clubs, organizations, and teams represented by coaches and members of our extra-curricular organizations to discuss the various opportunities
- faculty, staff, and student availability for questions and answers

**Parents will need to report to one of three locations when they enter the building. Tour guides will be there to greet you and escort you to your first presentation.** Due to the number of presentations, the stops at each classroom will be brief, but we encourage students and parents to ask questions of the faculty and staff. In order to allow you to see all the presentations please do not wander away from your tour group. **Due to COVID restrictions, all participants will be required to wear masks at all times while inside the building.**

Thank you for taking the time to join us for this event. If you have any questions or concerns please feel free to contact the administration at Wolcott High School.

Sincerely,

Walter Drewry  
Principal

Bryan MacKay  
Assistant Principal

Joseph Morgan  
Assistant Principal
