Snake Puts Power 88 off the air

Power 88 is currently operating on reduced power while using our low power backup transmitter. On December 19, 2023 a snake got into our main transmitter and damaged the transmitter system. We ordered replacement parts for it. Some of the parts have been back ordered. If you live in the Pensacolia area or east of Pensacolia and some of the fringe areas north and west of Mobile you may not be able to receive a quality signal at this time. We hope to be back on our full power of 100,000 watts soon. Untill then if you are unable to get our signal at 88.5 you can listen to us on line [click here](#) or go to www.goforth.org and click on "Listen to Power 88 FM live now" We thank you for your prayers and your [support](#).

[NY Bill Targets Chick-fil-A's Policy](#)

A battle over Chick-fil-A's "closed on Sunday" policy is underway in the Empire State. Some New York politicians are angry that Chick-fil-A doesn't keep its locations open 7 days a week along New York State's 500-mile Thruway. So they've introduced a bill in direct response to the beloved chicken chain's Sabbath stance.

Highlights from Letters to Power

- Power88 has influenced me as a young student to be more like Christ. The music is a big inspiration to me because when I listen to the words in the song I get great picture of what the artist is talking about in their music. Thank you so much!!!!
