## GENERAL SCHOOL INFORMATION

### VISITORS

Except on occasions such as school programs, athletic events, open house, and similar public events, all visitors must report to the school office when entering the school and must sign a log book and get a visitor's pass. Authorization to visit elsewhere in the building or on the school campus will be determined by the principal or designee. Guest passes shall be issued for all persons other than students and employees of the school. All parents must come to the office when checking their children out of school or bringing things to their children.

### SAFETY PLAN

There are times when the school may need to act in emergency situations. For the safety of the students and staff, each person should be aware of these actions when an emergency occurs. With this in mind, the Safety Committee has outlined several steps to take in case of an emergency.

#### **In case of a fire or fire drill, the following steps should be taken:**

1. The fire alarm will sound to announce a fire or fire drill.
2. All students and staff will exit in an orderly manner according to the fire drill map. Keep students calm and quiet in order that they can hear any necessary instructions.
3. The teacher will be the last one to leave the room. Be sure to take your roll book with you.
4. As students go outside, the teacher will keep his/her students together and orderly in the designated area.
5. Teachers will check to see that all students are accounted for by calling roll. Students will not enter upon all clear until the teacher has finished the roll call.

#### **In the case of a tornado or tornado drill, the following steps should be followed:**

1. An announcement will be made announcing a tornado or tornado drill.
2. All students and staff will quietly exit their rooms to the designated area. Students will carry a textbook with them to protect their heads and assume the following position: on their knees, facing the wall.
3. Students will remain quiet until the drill is over or instructions from their teacher are given. The building principal will let everyone know when it is safe to return to the classroom.

#### **In the case of a threat in the building, the following steps will be taken:**

1. The announcement over the intercom "LOCK DOWN" meaning to secure students in the classrooms.
2. The teacher will go to the door and lock it. Be sure all other doors and windows are shut and locked.
3. Do not allow students to leave the room for any reason. Doors should not be unlocked until further notice and the all-clear code is given from the administration (only).
4. If possible, move students away from the doors or windows that an intruder might be able to see through from the hallway or outside.
5. Keep students orderly and calm; wait for instructions via the intercom from the administration.

**GRADING**

90-100*	A
80-89*	B
70-79*	C
60-69*	D
59 and Below*	F

\*Subject to change by Tennessee General Assembly.

**Any student who is involved in plagiarism, taking and using as one's own the writing or ideas of another, or in any type of cheating will receive a grade of 0 for the assignment.**

**QUALITY POINT AVERAGE SYSTEM**

<b>Regular Class (non-weighted)</b>	<b>Honors Classes (weighted)</b>	<b>AP Classes (weighted)</b>
A = 4	A = 5	A = 6
B = 3	B = 4	B = 5
C = 2	C = 3	C = 4
D = 1	D = 2	D = 3
F = 0	F = 0	F = 0

Valedictorian, Salutatorian, and top ranking students will be based on a weighted 6 point scale (QPA). **The student with the highest QPA will be Valedictorian.**

The non-weighted 4 point scale will only be used to calculate TN HOPE lottery scholarship eligibility.

**VALEDICTORIAN/SALUTATORIAN & TOP RANK**

ACT Score: Students must have a 21 or higher on the ACT to be eligible for Valedictorian, Salutatorian, and Top Rank.

Honors Courses: Students must take a minimum of ten honors and/or AP courses to be eligible for Valedictorian, Salutatorian, and Top Rank.

Attendance: Students must complete four full semesters at DCHS. Two of the semesters must occur during the senior year. Attendance will only affect Valedictorian and Salutatorian. Attendance will not play a role in student ranking.

Tie Breaker: If at any time there is a tie between students' QPAs, the school will look at the numerical grade point average to determine which student should be ranked the highest.

Once a student has met the requirements for ACT, honors courses, and attendance, the student with the highest QPA will be the Valedictorian. The second highest QPA will become the Salutatorian. The rest of the students will fall in rank based on their QPA. Students who do not meet the requirements for top rank will be ranked after all other students who meet the requirements are ranked.

## HONORS DIPLOMA & DISTINCTION

Pursuant State Board of Education rule 0520-01-03-.06 DCHS will recognize students graduating with honors and distinction in the following manner:

1. Students who score at or above all of the subject area readiness benchmarks on the ACT or equivalent score on the SAT will graduate with honors.
2. Students will be recognized as graduating with “distinction” by attaining a B average and completing at least one of the following:

DeKalb County High School has various extra curricular activities available for students. All students are encouraged to take advantage of the opportunity to participate in the extra curricular activity(s) of their choice. The handbook committee with input from the DCHS student council has determined that student eligibility for participation in extracurricular activities, (which includes all field trips and activities that involve missing class), should include students who, at the discretion of the activity sponsor(s) with approval from the principal, are currently passing all classes, have a satisfactory attendance record (excessive absences determined by administrator), and have a minimal number of discipline infractions. Students who are placed in the alternative school setting will not be allowed to participate in extracurricular events while serving their alternative school time or suspension status.

Students who engage in TSSAA athletic activities are required to be present at school for at least two thirds of the school day in order to be eligible to participate in practice or athletic contests unless authorized by the building principal. In order to participate in DCHS athletic programs, students must meet academic requirements as set by administration.

Examples of extracurricular activities:

## AUTOMOBILES

Student parking is available on campus for students who have registered their vehicle beginning with the 12<sup>th</sup> grade students and working down until all spaces are taken. It will be necessary for students to provide proof of insurance, their driver's license, a description of the automobile, license plate number, etc. It is critical that all students observe the 10 MPH speed limit on campus. No one is to be sitting in the automobiles before or during school. Upon dismissal of school, students are to leave campus in an orderly fashion. No loitering in the parking lot will be permitted. The following parking rules must be followed:

1. The non-refundable parking fee will be \$10 for the school year and \$5 for the 2nd term only.
2. The assigned parking sticker must be displayed on the inside lower left hand corner of the front windshield in plain sight. Failure to have the sticker in the vehicle upon parking checks will result in punishment.
3. Safe driving on campus is a must and will be observed at all times. Speeding or reckless driving will result in punishment.
4. No trading spaces or allowing someone to park in your space will be permitted. This will result in punishment.
5. Anyone seen driving or parking on the grass will receive punishment.
6. Anyone seen leaving campus after arriving for the school day or moving vehicles from one area of the campus to another (unless authorized to do so by the proper school officials) during the school day will result in punishment.
7. Parking stickers change each year. Spaces are assigned upon a first come first served basis. You are not guaranteed the same space each year or after loss of parking privileges have ended.
- 8. ALL vehicles parked on campus are subject to search. T.C.A. 46-6-4204**
- 9. A space that has been vacated for an extended period of time is subject to being assigned to another student on a first come first serve basis.**

Any infractions of the above rules will result in the loss of parking privileges, the towing of the vehicle at the owner's expense, and/or other reasonable action as deemed appropriate by the principal.

DCHS is not responsible for vandalism or any damage that occurs to any vehicle while on DCHS campus. **Your vehicle is subject to search when parked on DCHS campus.**

## SCHOOL RESOURCE OFFICER

The School Resource Officer is available to the students and faculty at any time for conflict resolution, law-related classroom instruction, and confidential personal consultation. The SRO is a full-time law enforcement officer stationed in the high school to assist the students, parents, and faculty in any way possible.

# ATTENDANCE POLICIES

## ARRIVAL/DEPARTURE

All students upon arrival at DCHS are expected to go immediately to the cafeteria and stay until 7:30 am. In the afternoon, students who ride late buses are to remain in the cafeteria. The restrooms in the cafeteria are to be used during this time. For your own safety, students are to wait until the bus stops before approaching it to board. Students riding late buses are not to be visiting with people in the parking lot. All students who are not participating in a school-sponsored or approved activity must be off the school campus by 3:30 pm.

## SCHOOL ATTENDANCE

Attendance is one of the most important factors in student achievement. Therefore, students are expected to be present each day that school is in session. In the event of an absence (excused or unexcused), the student is responsible for making up all work missed.

In an effort to cut down on unexcused absences, the DeKalb County Board of Education has established a Truancy Board. Students will be referred to the truancy board upon obtaining 5 unexcused absences and/or 8 unexcused tardies or early-sign outs during the school year. **(This is not per semester)**

## ABSENCES

Although the State of Tennessee does not distinguish between excused and unexcused absences, certain requirements must be met in order for a student to receive and/or retain his/her driver's license. The State of Tennessee considers a student to have withdrawn from school if he/she misses more than 10 consecutive or 15 days total during a single semester. In order to obtain certification of compliance to the Department of Safety, a student must furnish a court certificate, a doctor or dentist's statement, or a death certificate of a family member for all absences beyond these numbers. Students who are absent because of a medical appointment will be granted a reasonable time to return to school after the appointment. Classes missed following this time will be unexcused.

When students are absent from school, they may bring in a parent note to excuse their absence. Parent notes are for personal sickness only. Parent notes cannot be used for trips, etc. A total of 5 parent notes will be accepted per school year. After 5 parent notes, a student must bring in a doctor's note. A student will be considered absent from a class if he/she misses over half of the class period.

All teachers are to give students the number of days missed plus one in which to make up missed work when absent, and the individual student will receive the grade earned on all make-up work. It is the student's responsibility to ask the teacher what work he/she missed because of absence. It may be necessary to stay after school in order to complete make-up work or missed tests. Repeated or prolonged absence from school is likely to result in the failure of the student involved. Incomplete work during a grading period should be made up within a reasonable amount of time. If this is not done, grades will be averaged with a zero recorded for any work not completed.

Students who are suspended from school shall be recorded as absent and they will be allowed to make up missed work within the allotted time for a regular absence. Students and parents/guardians in violation of the attendance policy will be turned over to the attendance officer who will turn the matter over to the court for violation of the compulsory attendance law.

T.C.A. 49-6-3009 has been amended and must include a progressive truancy intervention plan passed by the local Board of Education. We recommend that all students and parents visit [www.dekalbschools.net](http://www.dekalbschools.net) and review DeKalb County Board of Education policy 6.200. If you have any questions, please contact your child's school or the DeKalb Co. Schools Attendance Department.

## **SICKNESS AT SCHOOL**

Steps to take if you are injured or become very ill at school:

1. Report the problem to the nearest teacher. The teacher will report the problem to the office.
2. **DO NOT** go to a restroom and stay if you are ill or injured.
3. **DO NOT** leave the school grounds or go to the parking lot without approval from one of the principals.
4. **DO NOT** take medication from anyone. Teachers cannot give aspirin or any other type of medication. Please do not ask them.
5. **DO NOT** bring prescription drugs or other medication to school. Medication must be brought with proper documentation by a parent or guardian and left with the school secretary who will lock it in the medicine cabinet.

If students become extremely and noticeably sick at school, the absence from class may be excused at the discretion of the principal.

## **WITHDRAWAL FROM SCHOOL**

When a student withdraws from school while school is in session, the student must check out with each teacher, the administrative office, library, guidance office and return each of his/her textbooks. Failure to follow such procedures will result in the school holding the transcript of grades until this is done. Forms for this purpose are available in the guidance office.

## **FIELD TRIPS**

A parent or guardian must sign a release form before a student may go on a field trip. Buses used for field trips should be left in good condition with all trash picked up. Students riding buses to school activities (field trips, athletics, etc.) will return on the bus unless permission is given to ride back with parents. A student's attendance, behavior, and status of good academic standing will be used to determine eligibility for participation in field trips.

## **HALL PASSES**

A hall pass must be obtained from the classroom teacher before any student may leave class. The classroom teacher, with the designated time of leaving and expected time of return, as well as the reason for leaving, will sign the pass. Students will present the pass when requested to do so by any faculty member. Talking in the halls should be done in indoor voices. Hall passes are a privilege that can be lost.

## **BATHROOM PASSES**

Each student will be given 2 bathroom passes per 9 weeks, in each class, to use at their discretion. Additional passes can be purchased with Tiger Tokens from the teacher. If a student has a medical issue in which they need additional passes, please inform the school nurse so that we can accommodate them with proper documentation from a medical professional.

## DISCIPLINE POLICIES

### TARDIES

The following tardy policy has been adopted for each nine weeks:

- There is no penalty for the **first** tardy in a class.
- Teachers will warn students on the **second** tardy and contact the parent.
- Teachers will discipline students on the **third** tardy and contact the parent.  
(Discipline at the discretion of the classroom teacher.)
- The **fourth** tardy will result in an office referral and 2 days of after school detention.
- The **fifth** tardy will result in an office referral, 1 day of ISS, one unexcused absence.
- The **sixth** tardy will result in an office referral, 2 days of ISS.
- The **seventh** tardy will result in an office referral, 3 days of ISS.
- The **eighth and following** tardy will be punishable at principal discretion and result in a mandatory parent conference with the Truancy/Attendance Officer. Failure to attend will result in other disciplinary action.

*DETENTION POLICY: After school detention must be completed in 1 hour increments. If students leave detention before 1 hour is completed, they will not receive credit for that day.*

Note: Third tardy in a quarter class results in one unexcused absence.

### EARLY DISMISSALS/LEAVING SCHOOL

In case of an extreme emergency, a parent/guardian may contact the school and make arrangements with the school administration for the student to leave. It will be necessary for the parent/guardian to come by the office to sign the student out of school. This may be done before or after the fact in extreme emergencies. No one other than the parent, legal guardian, or individuals listed on the emergency contact list will be allowed to sign out a student at DCHS. The emergency contact list can be edited through the parent/guardian Skyward account. Students on school business or retained by the administrative staff shall not be counted as absent or tardy from school.

DCHS has a closed campus and no student shall be permitted to leave school premises without permission from the administration. Penalty for violation is:

1. First Offense – 2 days of ISS, loss of parking privilege for 5 days, and parent contacted.
2. Second Offense – 3 days of ISS, loss of parking privilege for 15 days, and parent contacted.
3. Third Offense – Parking privileges revoked for the school year and assigned to the Alternative School for 10 days.

### CUTTING CLASS/DESIGNATED AREA

Students must attend each class assigned during the school day and remain in their designated area. Penalty for violation is as follows:

1. First offense – 2 days of after school detention
2. Second offense – 1 day of ISS
3. Third offense – 3 days of ISS

\*Further offenses punishable at the discretion of the principal.

## DRESS POLICY

Students shall dress and groom in a clean, neat, and modest manner that will not distract or interfere with the operation of the school. When a student is attired in a manner, which is likely to cause disruption or interference with the operation of the school, the principal shall administer appropriate punishment, which may include suspension. **ALL DRESS CODE VIOLATIONS should be entered into skyward by the teacher or administrator who cites the violation. The school principal will be the final judge on issues of dress based on school board policies.** The following dress policies will be enforced at DCHS:

1. Hats, caps, knit caps, skullcaps, hoods, bandanas, picks, and combs are not to be worn during regular school hours. Accommodations will be made for documented religious or medical reasons.

Every student must do his/her part to clean up his/her area after eating.

The following rules must be observed:

1. Dispose of all food and trash appropriately.
2. Any dropped item should be picked up and properly disposed of.
3. Breaking the lunch line or saving places in line is unfair to other students and is not allowed.
4. Excessive noise in the lunchroom creates an uncomfortable atmosphere and will not be tolerated. Good manners should be observed at all times. Students are to use courtesy toward cafeteria personnel and each other.

## FIGHTING

Fighting at school makes for a very unsafe situation for all. Therefore, it is strictly prohibited. If students fight at school, the incident will be turned over to the SRO for a full investigation of what happened. If the investigation proves that a fight did occur students will be assigned to the Alternative School for a minimum of 15 days. If the alternative school is full and does not have a vacancy, students will receive 10 days suspension instead of alternative school. Also students may be arrested and taken to jail at the discretion of the SRO.

## NO BULLYING POLICY

DeKalb County High School is a safe school free of violence and threats of violence. Bullying is a violent behavior that will not be tolerated at DCHS. Bullying makes for an unsafe learning environment and is not acceptable behavior at school or during any school sponsored event. Any student engaging in bullying behavior will receive disciplinary action ranging from verbal reprimand to expulsion at the discretion of the principal.

### **Differentiating bullying from other aggressive behaviors:**

“Bullying” does not include ordinary teasing, horseplay, argument or peer conflict. Bullying is NOT a form of peer conflict. Peer conflict has equal power in the relationship. Bullying has an imbalance of power in the situation. In peer conflict, while both people are emotional and upset, neither one is seeking power or attention. They just happen to disagree. In a bullying situation, there is typically very little emotional reaction from the bully but the bullied student is usually visibly upset. With peer conflict, the participants feel remorse and take responsibility for what they did wrong. They just want to solve the problem so they can start having fun again. A bullying student usually shows no remorse and makes no attempt to solve anything. Bullying students are not interested in having a relationship with the intended target. Peer conflict happens occasionally and is usually not serious or emotionally damaging to either person. Bullying also is repeated and purposeful and poses a threat of serious emotional or physical harm.

**Remember...**Unless the behavior is severe in its harm, a single incident does not typically constitute bullying. Not all negative, socially unacceptable behavior is “bullying.” Bullying is harm-doing where a negative action is repeated over time, and there is an imbalance of power. Cyber bullying is bullying, but with the willful and repeated harm inflicted through the use of computers, cell phones, and other electronic devices.

**Bullying or Harassment?** The intent of the perpetrator is critical...Intent to harm is the criterion that sets bullying apart from illegal harassment...which is in part determined by how the victim perceives the situation rather than the intent of the perpetrator.

### **Four Markers of Bullying:**

1. Imbalance of Power
2. Intent to Harm
3. Threat of Further Aggression
4. Terror (not only a means to an end but an end in itself)

### **What Constitutes an Imbalance of Power?**

- Physical Characteristics • Social Status • Member of a Minority Group • A group vs. individual • Presence of Weapons • Can the child make it stop on his/her own?

### **Spectrum of Bystander Actions:**

- Don't support the one bullying others. • Talk to the person bullying others in private. • Choose not to repeat gossip. • Support the person being bullied in front of others. • Support the person being bullied in private. • Confront the one bullying others in the situation. • Tell an adult.

TCA 49-2-120. (Hazing)

Hazing – any intentional or reckless act in this state, on or off LEA property, by one student acting alone or with others, that is directed against any other student, that endangers the mental or physical health or safety of that student or that induces or coerces a student to endanger that student's mental or physical health or safety. “Hazing” does not include customary athletic events or similar contests or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.

The Director of Schools shall have the authority to modify this suspension requirement on a case-by-case basis.

### **SEARCH AND SEIZURES**

Glass containers will not be permitted on the DCHS campus. Anyone violating this policy will be responsible for property damage and will receive appropriate discipline as determined by the principal.

Cell phones are allowed during lunch time for texting only. Cell phones may not be used to record, transmit, or post photographic images or video of a person, or persons on campus during school activities including district provided transportation unless assigned by the teacher and approved by the school principal. After school programs are an extension of the school day so the school policy applies during these times.

Cell phones are **NOT** allowed in after school detention, ISS, or the alternative school.

Cell phones will be taken up and parents will have to come by the principal's office in order to recover them. The **first time** the phone is taken up, parents must pick it up at the end of the school day. The **second time** the phone is taken up, it will be held for 5 school days and then parents must pick it up. All times beyond the second time will be punished at the principal's discretion. Cell phones should be submitted to the office or returned to the student at the end of the period they were taken up. **IF a student uses a cell phone to record or take photographs of any person(s) on DCHS campus, they are subject to additional disciplinary actions subject to the discretion of the administration.**

## **NOTICE OF CHANGE IN CHILD ABUSE REPORTING**

PERTAINS TO: Hospitals, Clinics, Schools, and Organizations Responsible for the Care of Children

Public Chapter 185 of 2005 deletes the language in T.C.A. 37-1-403 that makes provisions for the reporting of suspected child abuse through a designated official of a hospital, clinic, school, or agency/organization. The responsibility for reporting suspected abuse/neglect now lies with the individual who suspects that child abuse or neglect has occurred. Therefore, individual organization policies allowing a staff person to report suspected abuse or neglect to the person in charge of the organization, or that person's designee, will not longer be in compliance with state law. Please immediately update your policies regarding the reporting of child abuse to reflect these changes and ensure your staff is notified of the change in policy.

The bottom line for all hospitals, clinics, schools, and any other organization responsible for the care of children: If you are an individual who suspects child abuse, you have a legal obligation to report it to DCS or others mandated to receive these reports. You may no longer fulfill your legal obligation by reporting it to a designated person within your organization. Pursuant to T.C.A. 37-1-412, failing to report is a Class A misdemeanor and is punishable by a fine not to exceed two thousand five hundred dollars (\$2,500).

In addition to the Department of Children's Services, individuals may report suspected child abuse/neglect to the Juvenile Court Judge having jurisdiction over the child, the Sheriff of the county where the child resides, or the Chief law enforcement officer of the municipality where the child resides. Persons reporting to the Department should call the

Department of Children's Services statewide hotline. There are two toll-free numbers, and they are operational 24 hours a day, 7 days a week.

1-877-54ABUSE (1-877-542-2873) and 1-877-237-0004

For more information about this change or child abuse reporting, you may contact your local office of Department of Children's Services or your established DCS contact.

**Tennessee Department of Education Family Educational Rights and Privacy Act (FERPA) Annual Notice for Disclosure of School Directory Information**

The Family Educational Rights and Privacy Act (FERPA), a Federal Law, requires that DeKalb County Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, DeKalb Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with local procedures. This would be a written letter telling us not to release information about your child. The primary purpose of directory information is to allow the schools to include this type of information from your child's education records in certain publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook; ○ Honor roll or other recognition lists;
- Graduation programs; and ○ Sports activity sheets.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies receiving assistance under the Elementary and Secondary

Education Act of 1965 to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings- unless parents have advised the schools that they do not want their student's information disclosed without prior written consent.

If you do not want DeKalb Co. Schools to disclose directory information from your child's education records, you must notify the school in writing by August 13. Signing the cover letter will give your consent for directory information to be released.

- (1) Enrolled and making satisfactory progress in a course leading to a general educational development certificate (GED) from a state-approved institution or organization, or has obtained such certificate;
  - (2) Enrolled and making satisfactory academic progress in a secondary school of this state or any other state; or
  - (3) Excused from such requirements due to circumstances beyond the applicant's control.
- (b) The attendance teacher or director of schools shall provide documentation of enrollment status on a form approved by the department of education to any student fifteen (15) years of age or older upon request, who is properly enrolled in a school under the jurisdiction of the official for presentation to the department of safety on application for or reinstatement of an instruction permit or license to operate a motor vehicle. Whenever a student fifteen (15) years of age or older withdraws from school, except as provided in subsection (d), the attendance teacher or director of schools shall notify the department of safety of such withdrawal. Within five (5) days of receipt of such notice, the department shall send notice to the licensee that the license will be suspended under the provisions of title 55, chapter 50, on the thirtieth day following the date the notice was sent, unless documentation of compliance with the provisions of this section is received by the department before such time. After having withdrawn from school for the first time for the purpose of this section, a student may be considered as being in compliance with this section until such student returns to school and makes satisfactory academic progress, or attains eight (18) years of age. As used in this section, "satisfactory academic progress" means making a passing grade in at least three (3) full unit subjects or their equivalency at the conclusion of any grading period. For second or subsequent withdrawals, a student shall have all driving privileges suspended until the student attains eighteen (18) years of age. When a student licensed to operate a motor vehicle is enrolled in a secondary school and fails to maintain satisfactory academic progress based on end of semester grading, the attendance teacher or director of schools shall follow the procedure set out in this subsection to notify the department of safety. A student who fails to maintain satisfactory academic progress based on end of semester grading may not be considered as being in compliance with this section until such student makes a passing grade in at least three (3) full unit subjects or their equivalents at the conclusion of subsequent grading period.
- (c) For the purposes of this section, "withdrawal" means more than ten (10) consecutive or fifteen (15) total unexcused absences during a single semester. For the purposes of this section, suspension or expulsion from school or confinement in a correctional institution is not a circumstance beyond the control of such a person.
- (d) Whenever the withdrawal from school of such student, or such student's failure to enroll in a course leading to a GED or high school diploma or such student's failure to maintain satisfactory academic progress based on end of semester grading, is beyond the control of such student, or is for the purpose of transfer to another school as confirmed in writing by the student's parent or guardian, no such notice shall be sent to the department to suspend the student's motor vehicle driver license. If the student is applying for a license, the attendance teacher or director of schools shall provide the student with documentation to present to the department of safety to excuse such students from the provisions of this section. The school district director of schools (or the appropriate school official of any private secondary school), with the assistance of the attendance teacher and any other staff or school personnel, shall be the sole judge of whether such withdrawal or such student's failure to maintain satisfactory academic progress based on end of semester grading is due to circumstances beyond the control of such persons.
- (e) A copy of the notice sent to the department of safety by the attendance teacher or the director of schools upon failure of a student to maintain satisfactory academic progress shall also be mailed to the student's parents or guardian.
- (f) Notwithstanding any provision of this section to the contrary, any student under eighteen (18) years of age enrolled in a course leading to a GED who has more than ten (10) consecutive or fifteen (15) days total unexcused absences in a semester shall not be considered as making satisfactory academic progress and such student's motor vehicle driver license shall be suspended, or if such student does not have a motor vehicle driver license the student shall be ineligible to obtain a motor vehicle driver license, until such student reaches eighteen (18)

years of age. The attendance teacher, director of schools, or director of a GED program shall notify the Department of Safety whenever any student under eighteen (18) years of age enrolled in a course leading to a GED has more than ten (10) consecutive or fifteen (15) days total unexcused absences in a semester.

**COMPUTER ACCOUNT AND TERMS AND CONDITIONS FOR USE OF THE INTERNET Please read the following carefully before signing this document. This is a legally binding document.**

Internet access is now available to students and teachers in the DeKalb County School District. Our goal in providing this service to teachers and students is to promote educational excellence in the DeKalb County Schools by facilitating resource sharing, innovation, and communication. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and teachers have access to:

1. Electronic mail communication with people all over the world.
2. Information and news from research institutions.
3. Public domain and software of all types.
4. Discussion groups on a variety of topics.
5. Access to many University Library Catalogs, the Library of Congress, CARL and ERIC.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the community of the school setting. Available precautions will be taken to restrict access to controversial material. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information, but the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of this project.

Internet access is coordinated through a complex association of government agencies and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. If a user violates any of these provisions, his/her account will be terminated and future access could be denied. The signature(s) at the end of this document is (are) legally binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.
