Third Grade Trip to Carnegie Hall

Our Third grade students went to Carnegie Hall on Thursday, May 23rd to participate with the Carnegie Hall Orchestra under the direction of Ms. Ahn. They worked hard all year to learn how to play the recorder which ended with them performing with many other students from different schools and the Carnegie Hall orchestra. This is an amazing experience for the student to learn about the orchestra while having the opportunity to see how they perform.

Field Day

The CRS students participated in Field Day on Friday, May 17th and on Wednesday, May 22nd, the LLE students participated in Field Day. All of the students were very excited to participate the all of the activities. They had been practicing in their gym classes to make sure everyone knew how to compete in the games. We would like to thank Ms. DiPiazza and Mr. Stokes for planning a fun filled afternoon for all of our students. We would also like to thank all of our parent volunteers who helped to make the events run smoothly.

May 31, 2024

Dear CRS and LLE Families,

Please take the time to read over the items below.
