# NEW DIRECTIONS

# PLATEAU 1982

Cumberland County High School Crossville, Tennessee

# CONTENTS

## STUDENTS

The school year began in August of 1981 with a total enrollment of 1130, including 325 seniors, 380 juniors and 429 sophomores.

## ACADEMICS

A faculty of 55 teachers was dedicated to bringing to C.C.H.S. students a well-rounded curriculum. Along with advanced tracks in English, biology, history, and economics, there were regular courses designed to meet particular needs and interests. Special programs helped students who had difficulty mastering classroom skills.

## ACTIVITIES

The cancellation of activity period slowed down activity at C.C.H.S. none at all. Student council led the way with an eventful Homecoming week and several dances. Sadie Hawkins week, the Sweetheart Contest, and the Junior-Senior Prom kept juniors busy and students stirring. Spirit Day with its talent show was welcome diversion during the winter doldrums.

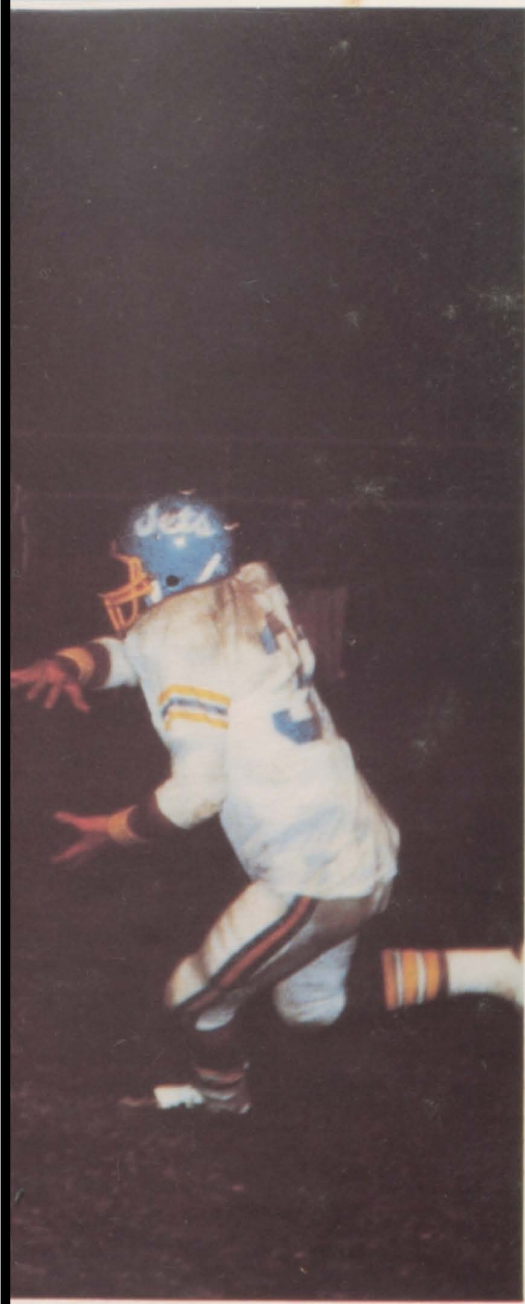

The arrival of yearbooks, Spring Fling, fashion shows and musicals preceded Baccalaureate, class night, and graduation.

## SPORTS

Here in Jet Country one sign of a successful sports program is student involvement. Another is a good record. With these two marks as criteria, C.C.H.S.'s sports program was declared quite successful this year.

## THIS YEAR

There were many "news" at C.C.H.S., to make 1981-82 special. Perhaps one of the most closely observed changes was the

renovation of the gym bleachers. Two new jets, the majestic "Spirit of Dixie" and the parking lot emblem signifying Jet Country welcomed us back to school. New electric typewriters brightened the hearts of business teachers and typing students. Publications class became inovative with a different concept for the CONTRAIL and a credit for second year students.

## ADS

Cumberland County's business community was outstanding especially in the area of support for the schools. The PLATEAU is grateful to the 210 individuals and firms which supported this year's award-winning yearbook by purchasing advertisements. The high quality of our extra-curricular activities, including band, publications, and sports could never be attained without the support of the business men and women of Cumberland County.

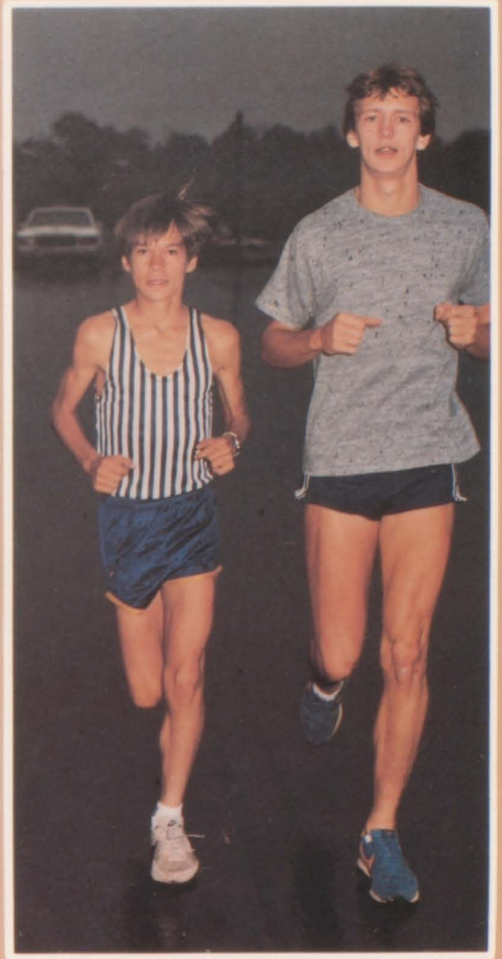

The school fielded twelve athletic teams and involved over 200 student participants. Hard work and common interests drew teammates together to establish both winning records and unforgettable experiences.

NEW DIRECTIONS . . .

The names Carol Brown and Beth Mitchell seem very natural together. They've been best friends for eighteen years and together have achieved a number of honors and awards in tennis.

The "dynamic duo" began playing tennis around the age of eight, but didn't play seriously until they were about twelve. Since then, they have won an enormous number of matches, but the title which they are most proud of is Region Three Doubles Champions which they have held for two successive years. They are the only players from C.C.H.S. ever to go to the state tournament.

Beth and Carol play for enjoyment but aren't so wrapped up in tennis that they don't have time for anything else. Carol is an excellent swimmer and water skier. Beth enjoys cross-country running and playing the piano. Together they edited this yearbook.

Soon the old twosome of the courts will break up except for summer games. They leave an enviable record as competitors and class leaders.

*This page, far right* — Chrissy and Tim Mackie travel to many states to show their championship racking horses in competitions.

*Next page, upper left* — Greg and Missy Upchurch raise and show blue-ribbon cattle in 4-H and other exhibitions.

The Cumberland County Playhouse was built in 1965 by Paul Crabtree and other visionary local residents as an amateur theater under professional direction. Before the playhouse was built, productions were performed with junior and senior high school students in the old Cumberland Elementary School auditorium.

Each season aspiring actors and actresses from Cumberland County High School gain experience and insight into the theater world by performing in playhouse productions. Students working with scenery, lighting, and actual stage performances in last summer's *110 in the Shade* and *Guys and Dolls* include Lani Davis, Paula Dickens, Becky Dybzinski, Jan Guthrie, Donna Hale, Jacquie Hicks, Max Janow, Leslie Keane, Jeni McDonough, Mike Merola, Cheryl Roy, Amy Tankersley, Kristy Tatum, Perry Traw, Michelle Welch, and Dan Williams.

# FASHION FOCUS

*This page above* — Tommy Anderson and Robin Myers appeared comfortable and ready for classes in sweater, blazer, and jeans. *This page above right* — Tony Smith and Sherri Hughes donned formal attire suitable for the Junior-Senior Prom. *Opposite upper left* — Bonnie Tollett and Tim Houston were ready for the Cumberland County Playhouse or an informal school dance. *Upper right* — Sherri Hughes and Tonya Selby were prepared to brave the Mountain's rainy weather. *At right* — Watch out College. Rhonda Taylor, Scott Myers, and Shauna Jones were decked out in sporty dress suitable for any varsity or campus party.

This year, dress lengths rose while heel heights fell. Sweater dresses and knickers rapidly approached wool skirts in popularity. Ballet-type shoes and dress cowboy boots with cable-knit tights replaced high heels and clogs for school wear.

Peasant skirts, Levis, button-down oxfords, vest, cowboy hats, and low boots were donned by those wishing to project western images. Uptown "chics" and gents made designer jeans, Dockside, wedges, and Aigner accessories exceedingly popular. Traditional preppy attire was still in style. As always, "good" blue jeans (or white jeans, depending on their age), pull-over sweaters, oxford shirts, and old tennis shoes were current for all.

# HEADS UP

Ah yes, the mind. This miraculous wonder separates man from the beasts of the forests and fields. The ability to think and reason has created a world in which the environment can be altered with a turn of the thermostat dial, diseases cured with the popping of a pill, and wars fought with the push of a little button.

Man has made a vast array of advancements in virtually every facet of life, from science and medicine, to art and literature, all due to the innate ability to use his mind.

Every class at C.C.H.S. entails the use of the mind. The brain performs a variety of amazing tasks, from determining triangular similarity in geometry to diagramming a sentence in English. With the power of the brain, students read their textbooks in Health and Sociology; carry on discussions in Practical Politics; write research papers for junior English; and study for their tests on genetics in biology.

Brain power was utilized in all the

classes as students struggled to meet the necessary graduation requirements. Spanish and Latin required students to dream up precise plans for their projects. Concentrating on the ball in physical education was a must as students tried to learn the basics of tennis. Singing in choir demanded the students' attention as they tried to sing on key. When a dish was being prepared in Food and Nutrition, it took careful planning for things to run smoothly.

Special "mind" classes however, posed an extra demand on brain power. In advanced track, students were required to tax their brains and powers of concentration beyond what they thought were their capabilities.

# BLUE MONDAY

## It's Another One Of Those Days

Weekends were made for students. Mondays were made for torture.

Jumpha Joy rolled over, slammed down the button of the clamoring alarm and wished for five more minutes of uninterrupted sleep. "I hate Mondays!" she growled to herself as she viewed tousled hair and bloodshot eyes in the bathroom mirror. "Nothing good ever happened on a Monday!"

A quick shower and the blow dryer enabled Jumpha to stumble to the bus for school. She lingered in the halls after the first bell to catch up on weekend news with her friends. Too long she lingered, but managed, wonder of wonders, to slip into Evelyn Hargis' first period class late and undetected. Breathing a sigh of relief, she put her head down on the desk to recall once again her adventurous weekend.

Abruptly awakened by a stern request for completed study sheets, she remembered too late the pages she had started

working on the night before and never completed. Agony!

Sound familiar? This feeling of stark panic was shared by many overwrought students as Monday caught them off guard and unprepared.

Monday was always depressing. For athletes it was the day coach replayed the game and fussed about Friday's mistakes. Worse were the corrected tests of the week before and their revealing, unsuccessful scores. Even worse was the Monday test — the one the teacher, out of the kindness of her heart, gave you the weekend to prepare for — and you didn't prepare. Worst of all was the assigned test you studied for over the weekend and then the teacher postponed it until Tuesday.

Although Mondays were generally dark and gloomy at best, the thought of getting through another week of work, homework, and projects was brightened considerably by the thought that another 2:30 Friday was on its way.

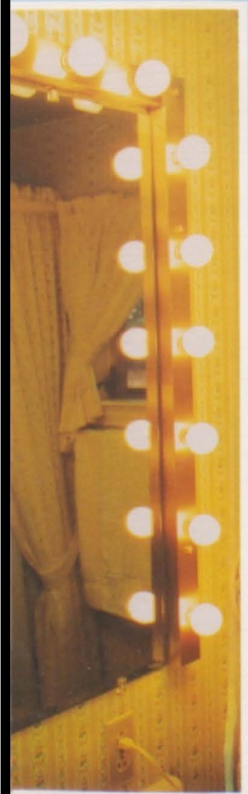

*Left*, Monday morning creeps up silently, ending a fast paced, action packed weekend. Junior Ricky Sells, unable to pull himself out of the warm comfort of his bed, sleeps an extra half hour.

## FRIDAY BRINGS OPTIMISTIC OUTLOOK FOR WEEKEND ACTIVITIES

"Today's Friday!" Only people who were not honest with themselves could deny that those words held no charm and promise.

Friday's arrival lessened the trials and tribulations for nearly everyone. The morning promised that the week's loose ends were soon to be tied up. Projects and heavy test loads were almost history.

In addition to the feeling of relief was a definite air of rowdiness. Halls were brighter, laughter was more spontaneous, and the lunchroom was more frenzied.

*Left* — There's a spring in the step of students boarding the bus on Friday afternoons.

*Above right* — Pep rallies bring excitement to Fridays.

Even the french fries seemed crispier. Jet Spirit pervaded dark corners and brightened hearts.

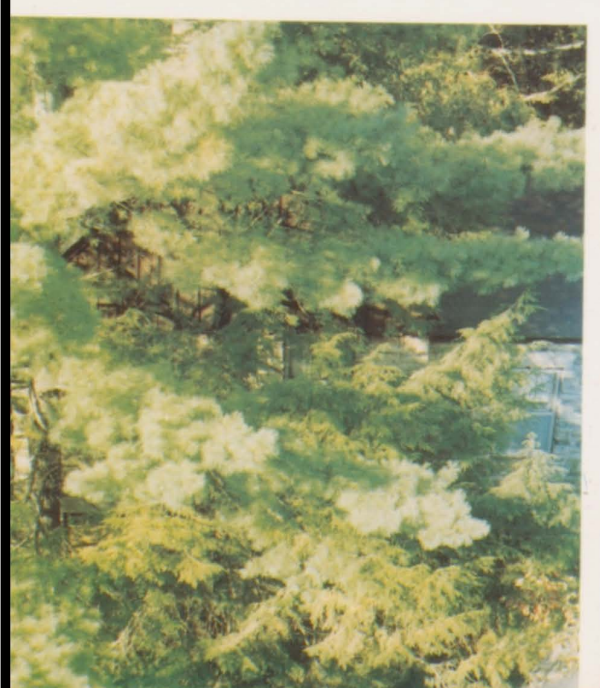

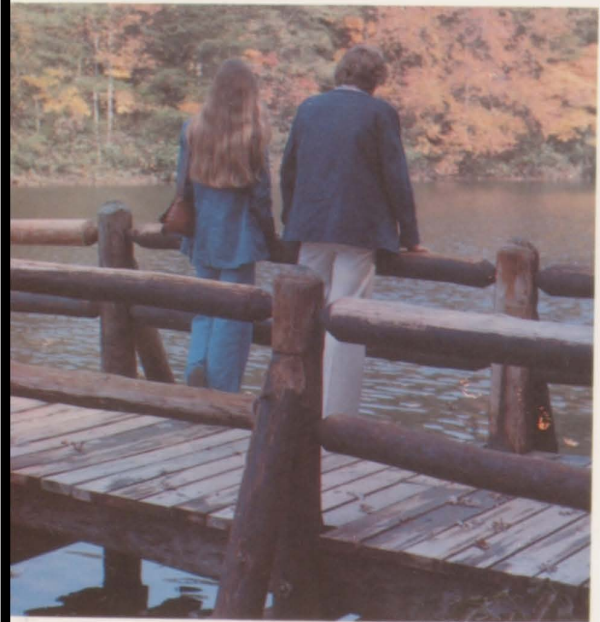

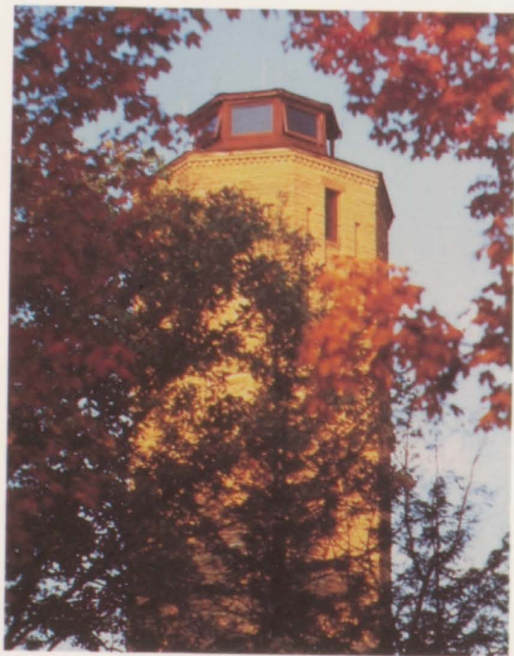

Friendships were friendlier on Fridays.

Although the day was more cheerful with shortened periods and pep rallies, it sometimes seemed interminably long. Students fidgeted during lectures thinking of exciting plans for the weekend. Study groups tended to become chat sessions and party-planning times.

Sixth period lasted two days, with half the class clock watching during the last fifteen minutes. Even dedicated students lost dedication as they sat dreamily gazing into space.

At last the final bell rang. Everyone rushed from the building shouting joyously, "It's the weekend!"

## Books We Read

**Evergreen** by Belva Plain — This intensely moving story of Anna Friedman, who came to the golden shores of America in search of a better life, is a richly human canvas of lives intimately interwoven.

**Spring of the Tiger** by Victoria Holt — This is a romance written by a prolific writer with a popular style.

**Rebecca** by Daphne DuMaurier — In this suspenseful novel, the reader is faintly aware that something startling is about to happen.

**Chesapeake** by James A. Michener — This enthralling novel tells a magnificent historical saga of our land and its people, focusing on the generations of seven families living on Maryland's Chesapeake Bay.

**The President's Lady** by Irving Stone — The political and personal life of Andrew Jackson and his wife Rachel is depicted with brilliant insight.

**The Ring** by Danielle Steel — This novel sweeps across the dramatic years of World War II and is an unforgettable story of families driven apart by overwhelming passions.

**The Book of the Dun Cow** by Walter Wangerin, Jr. — It tells of violence and despair, passion and compassion, laughter and tears, and the ultimate triumph of goodness.

**The Light in the Forest** by Conrad Richter — This is the unforgettable story of a white boy reared by Indians. True Son is torn between the claims of blood and loyalty.

**The Once and Future King** by T.H. White — This is a fantastic novel which tells the legends of King Arthur, Merlin the Magician, Robin Hood, Sir Lancelot, Guenever, and the Knights of the Round Table in interesting detail. It is well-written and very amusing.

**The Scarlet Letter** by Nathaniel Hawthorne — An ardent young woman, her cowardly lover, and her aging, vengeful husband are the central characters in this stark drama of the conflict between passion and convention in the harsh Puritan world of seventeenth-century Boston.

**To Kill A Mockingbird** by Harper Lee — Two children in a small town in Alabama learn a lesson about moral principles when their father is appointed to defend a Negro on a rape charge.

**The Count of Monte Cristo** by Alexander Dumas — Set against the flaming years of the Napoleonic era, here is the celebrated story of Edmond Dantes, a man sentenced to life imprisonment for a crime he did not commit, who escaped from the notorious and impregnable fortress, the Chateau d'If, to exact a terrible vengeance on his enemies.

**The Chosen** by Chaim Potok — This is a moving story about the friendship between two Jewish boys. Much can be learned about true friendship and the Jewish religion.

**Darkness At Noon** by Arthur Koestler — Its hero is an aging revolutionary, imprisoned and psychologically tortured by the Party to which he has dedicated his life. It is almost unbearably vivid in its depiction of one man's solitary agony.

## Records We Heard

Albums of the 80's were in a class by themselves. Records of all kinds became popular in the last year.

The title song from Air Supply's new album "The One That You Love" made the top 10 along with Olivia Newton John's smash hit "Physical" from her album of the same title.

Billy Joel did it again with his "Songs in the Attic" cut, "Say Goodbye to Hollywood." The album "Long Distance Voyager's" "Gemini Dream" introduced a new revival for the Moody Blues Band.

In Southern Rock, Alabama's "Feels So Right" proved those Southern boys could really sing. "The Night Owls," sung by the Little River Band was a big hit from their album "Time Exposure."

The Oak Ridge Boys and Ronnie Milsap headed the country scene. A great return to the top was made by George Jones with his Grammy Award winning hit single, "He Stopped Loving Her Today."

On country's flip-side came Rock. Leading the Rock sound was Journey and that number one hit "Who's Crying Now?"

# POT-POURRI

"Waiting for a Girl Like You" ran a close second, sung by Foreigner. Styx out did themselves with "The Best of Times," "Nothing Ever Goes as Planned," and many others on their new album "Paradise Theatre." The "Heavy Metal" soundtrack and movie hit the top.

## Movies We Saw

The 1981-82 year introduced several outstanding movies in the Crossville area.

"Raiders of the Lost Ark," a creation of George Lucas, was a hit among students at C.C.H.S. The movie starred Harrison Ford as an archeology teacher and a swashbuckling romantic. Karen Allen, his partner in the surprise-packed movie, added interest. "Raiders," based on the quest of the Ark of the Covenant during World War II, kept viewers on edge and induced both laughter and an air of mystery.

Bill Murray takes on the U.S. Army in the outlandish comedy, "Stripes." The movie was a box office smash and was particularly well-liked by the C.C.H.S. students. Murray's twisted humor kept the teenage audience amused.

Neil Simon's usual brilliance shined in the movie "Only When I Laugh." Marsha Mason and Kristy McNichol starred in the mother and daughter epic. The movie depicted an actress who turned to drinking in order to cope with her problems. The movie was humorous and heartwarming.

"Arthur," starring Dudley Moore, had to be the #1 comedy of the year. Moore is an alcoholic millionaire who falls in love with a kleptomaniac. "Arthur" is a very unrealistic yet entertaining movie.

"Joni" is a heartwarming drama of a young girl paralyzed by a diving accident. It reveals the hardships she endured during the questioning of her faith and her life. Joni Eareckson plays herself in this touching movie about her life.

Cumberland County High's F-wing underwent a change of atmosphere this year. The long hours of work spent by Mrs. Armes' art department should be recognized and commended. Their creativity resulted in a new and exciting look for F-wing. The students and faculty greatly appreciate the art department's dedication and talent.

## Extra, Extra --- Seniors Succumb To Infectious Senioritis ---

Everyone knows that seniors act "sooo weird." Lately, seniors have acted more peculiar than usual. Doctors diagnosed this disease as infectious senioritis. The symptoms were:

1. Going twice a week to third period during second.
2. Driving off with books on cars.

3. Rampant confusion.
  3. Forgetting how to count.
  4. Having a whole bunch of homework and not giving a darn about doing any of it.
  5. Deciding whether to use a pen, pencil, or crayon on the final exam.
  6. Speaking in "vocabulary" with a solid facade.
- Don't worry, juniors and sophomores! Infectious senioritis usually is not contagious — until you become a second semester senior, anyway!

## The Pep Rally ---

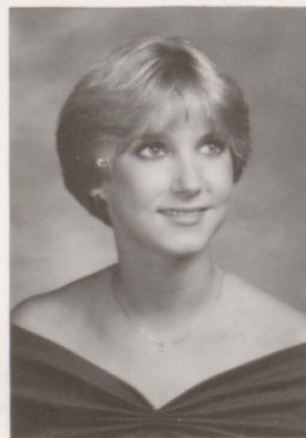

A reflecting senior realizes that many high school experiences will remain a part of him forever. Perhaps one of the most memorable of these experiences was that of pep rallies, with each having a magic all its own. As a senior yelled and clapped at the pep rallies, he always held in the back of his mind that he had a limited time to thunder his support for the Big Blue.

Looking back, he will recall the cold chills at the sound of Dixie, the smile from winning the spirit stick, and the disappointment at losing the competition yell. The competitive spirit, prevailed; however, the oneness was felt by all.

"Jets, Jets, proud and true,  
We're the class of '82!

This battle cry was long heard, but now exists only in the hearts and memories of the graduating class. This chant made us glad to be a part of CCHS.

## As Sophomores We

...

1. Hid in the bathroom on the first day of school.
2. Ate at the snack bar for 6 weeks cause we didn't know how to go through the lunch line.
3. Spent 8 weeks in marriage and family living cause we thought it was biology.
4. Made the teachers think the upper bleachers were infested with mice because we squeaked at pep rallies.
5. Thought "Dixie" was in the top "10" because everybody always jumped up when the band played it.
6. Dreaded being a junior.

## As Juniors We . . .

1. Never showed our faces because they were always covered with books.
2. Averaged 4 hours sleep per night.
3. Considered a 70 average in English a good grade.
4. Bought "A" college term papers and still made a 64.
5. Finally learned where Paul Revere rode to.
6. Made our first major decision . . . white gold? . . . Yellow gold?
7. Felt like the center of an orno.
8. Dreamed of being seniors.

## As Seniors We . . .

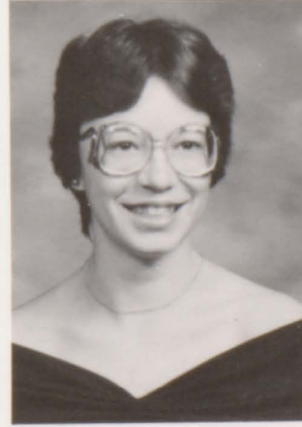

1. Learned in economics that by the time that we graduate there will be no jobs, no food, no homes, and no Social Security.
2. Learned that Mr. Maynard knew cars couldn't drive by themselves . . . we could wave goodbye as we drove out of the parking lot during 6th period.
3. Thought of the guidance office as a second home.
4. Sometimes wish we could do it all over again.

As we look on this past year, we seniors will have many fond memories that will stay with us forever — memories of walking down the halls and calling out to friends, memories of competing for the spirit stick at pep rallies and memories of being a senior.

Our last year was bittersweet in many ways. For with every happy moment came the knowledge that soon the senior class would walk familiar halls no more and that soon CCHS would no longer be a part of our present.

"And it's in the basket, two more for Mills," was often heard by radio listeners and basketball fans for the three years that Paul Mills, No. 4, played for the CCHS Jets. His quickness and skills added to the overall team and enabled him, in his senior year, to break 1,000 high school career points.

The fans, however, saw only the game exhibitions. Many hours of hard work and dedication went into his performance. Besides team practices and summer camps, Paul spent hours conditioning himself through sprints and running steps. To improve his technique and overcome area of difficulty, he spent countless hours spot shooting.

Paul's interest in the game began as far back as age five, when he cleared the snow from under the goal at his house and played basketball with his older brother. He was quite taken with the game and has played competitively since second grade.

Until sixth grade Paul had not seriously realized the possibilities of the sport. A Boys Club coach instilled in him the idea of achieving anything through disciplined hard work. That attitude carried Paul through 18 basketball trophies and three letters. With the aid of Coach Bray, Paul overcame the awkwardness of junior high ball and excelled in advanced competition.

Paul summarized his love and enthusiasm for the game by saying, "It's not work unless you think it is. Basketball has taught me to work harder to reach my goals and enjoy the work."

# JUNIORS

Traditionally, juniors rank second to seniors, but these juniors gave the seniors a battle for the top.

During Homecoming, the juniors managed to have a winning float with their theme of "Stick 'em Jets." They gave a show of great enthusiasm throughout the week, but could not overcome the seniors' buying of chain links and showing spirit at the pep rally.

All juniors were required to take American history and English III. Many juniors groaned at the thought of another year of commas, parts of speech, and literature.

The juniors excelled at sports. Juniors Randy Coleman, Jim Bryson, and Cliff VanDorn not only played football, but were also the 1979-80 National Power Lifting Champions. Chuck Usher was named to the Tri-State first team. Elbert Farley's consistent passing helped lead the Jets to a winning season. Johnny Warner's offensive strength was a great asset to the 1981-82 football squad. Not only did Donny Melton display great talent on the football field, he also ran Cross Country

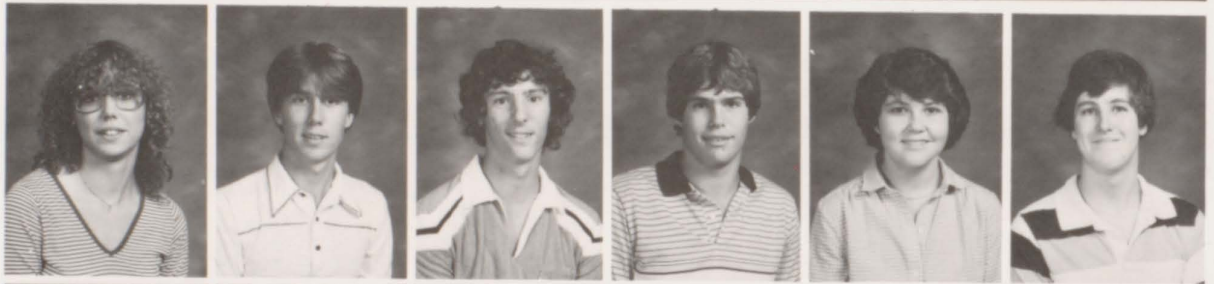

for the school. In basketball, Doug Love-day started for the last two years. Kirk Shanks enjoyed playing basketball, running track and cross country, and being a member of the soccer and softball teams.

However, all of the athletic talent did not fall to the junior boys. Missy Upchurch played basketball and tennis and was ranked in the top of the track runners in the state. Angie Baird started for the Lady Jets basketball team, and Loretta Smith ran track. Debbie Vaden, Sheila Rose, and Alyson Wibel were also members of the Lady Jets team.

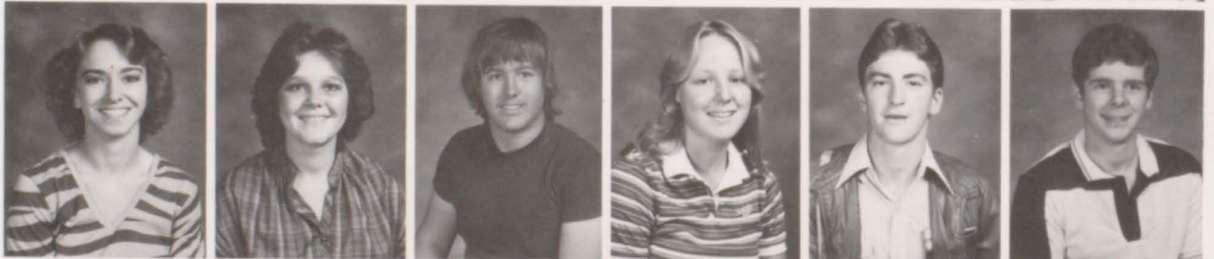

The juniors gave a lot of competitive spirit and became very active in Jet life. Perhaps, the greatness of the juniors was owed to the excellent leadership of their class officers Wade Kendrick, Deneise Dozier, Sam Stubbs, and Mary Hollingsworth.

Although happy in its role as the school's well adjusted middle child this year, the junior class definitely leaned forward to being 1982-83's most influential family member.

# CLASS RINGS

One of the most significant events of a Junior's life was getting his class ring. The excitement of ordering the ring quickly changed into anticipation of the time when it would come back.

Cries of frustration and concern were heard from classrooms. "When will the rings be back? . . . I hope it fits! . . . What if they spelled my name wrong? . . . It seems like forever . . . What can be taking so long; they only have to fix 350 rings!"

Finally the big day arrived when excitement peaked in classes. Very little was accomplished academically because of the oh's and ah's in junior classes. A certain pride was felt when the juniors realized that they were one step closer to being seniors.

# What Was Your Dumbest Excuse For Being Late?

The party was still going when school started.

I was kidnapped by mongolian gypsies, and held for ransom, rescued by mercenaries, and lost at sea. If you don't believe that, my car wouldn't start.

A voice came to me in the shower and told me to skip first period.

My car door was locked and I couldn't get out.

My airplane ran out of gas and I had to fly to Atlanta to get some.

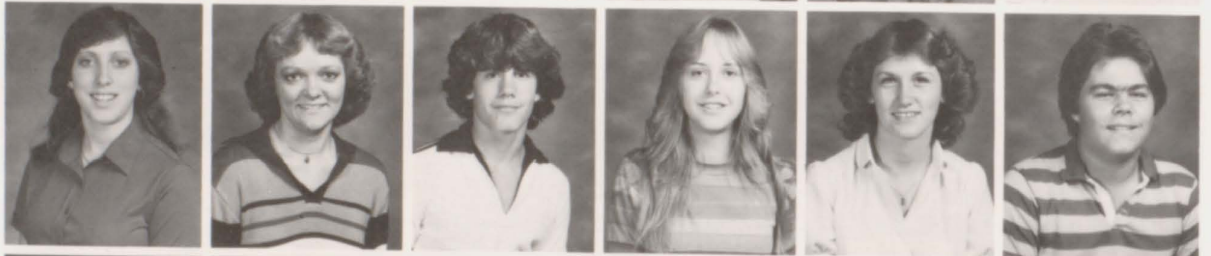

I got my jacket hung in the locker and couldn't get loose.

I had to feed the chickens, milk the cow, and plow the fields. When I got finished, the apartment elevator was broken.

# MISSION IMPOSSIBLE

Promises? Nothing but tears, sweat, and blood are promised by the teachers of Advanced English III. Traditionally around Thanksgiving, Mrs. Quillen and Mrs. Fisher inform their classes that it is time for research papers. The classes freeze in horror. All the while the unyielding teachers smile and make assurances that there is no reason to push the panic button.

Numerous questions enter the minds of the assaulted juniors. Slowly they begin to recover from shock and in hushed voices murmur, "How do I write a research paper? ... Bibliography cards? ... research what? ... an outline? ... footnotes, how?"

However, the benevolent teachers are full of helpful suggestions for topics. They hand out, study sheets galore and rattle off subjects such as Indians, music, family, medicine, disease, drugs, and politics.

With many broad topics to choose from, all the student has to do is select his topic and write. Right?

Wrong. He then must narrow the topic, write a thesis statement, do the research, make the outline, write rough draft, prepare the footnotes, write the final paper, and do the bibliography. Simple, huh?

Pictured at right are the Junior Class officers, Wade Kendrick and Sam Stubbs, top, and Denise Dozier and Mary Hollingsworth.

The 1981-82 junior class officers really worked hard to make every junior's year the best ever. They helped produce a winning float during Homecoming, led the junior girls to a powder-puff victory, and honored the seniors with a splendid Prom.

The class president, Wade Kendrick, pictured above left, was an outstanding leader. Active in Student Council, 4-H Soccer, JETS, and Young Democrats, Wade also ranked among the top scholars in his class.

The vice-president, Denise Dozier, pictured above left, was Wade's sidekick. She was an active member of the Environmental Action Club, served as one of the 1981-82 marching band's drum majors, and was a member of the concert band as well.

The secretary, Sam Stubbs, pictured above right, did all the paperwork for the juniors. He was a member of the CCHS marching band, Young Democrats and FCA. Sam also held down a part time job at Druthers.

The treasurer, Mary Hollingsworth, pictured above right, completed the quartet of officers. She was an active member of the CCHS band, and the Tennessee Tomorrow, Environmental Action and YAC clubs.

As a general concensus, the junior class officers considered the line "Jets are Best" to be a true picture of CCHS.

## *IN MEMORIAM*

Jeff Weaver, who would have been a member of the Junior class this year, died tragically in a freak swimming accident in August, 1981. Jeff is survived by his parents, Mr. & Mrs. Jim Weaver, two sisters, and many friends.

Jeff was a valuable member of the Jet football team his sophomore year. He attended a summer camp of the Fellowship of Christian Athletes just prior to his accident. He would have been the CCHS FCA president in 1981-82.

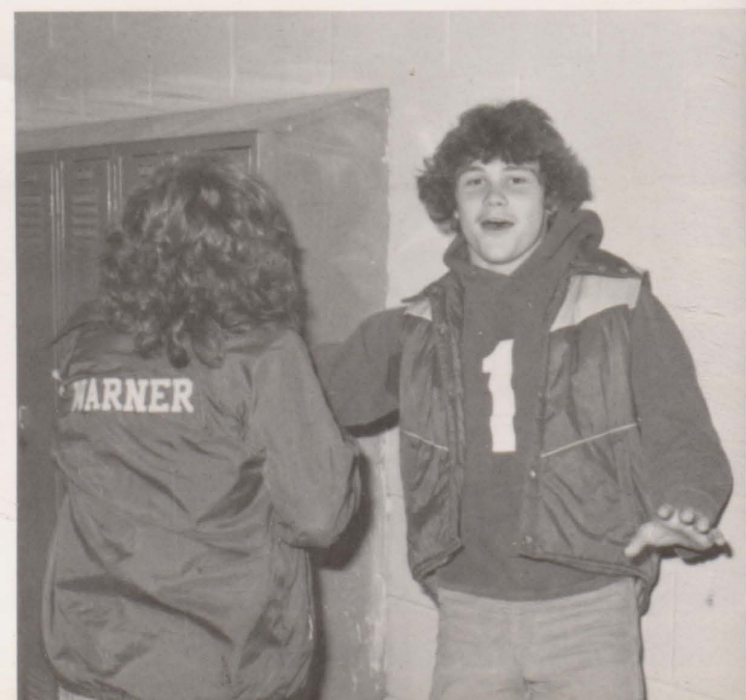

Jeff was known for his friendly and outgoing personality. During his school career he was active in student government and community events. Academically, Jeff was a very disciplined student and ranked in the top quarter of his class.

The tragic loss of Jeff Weaver is felt by all who knew him and he is sadly missed.

At the 1981 Homecoming game his close friend, Cliff VanDorn, presented Jeff's football jersey to Mr. & Mrs. Weaver and his sister, Loretta.

## Make Way, World . . .

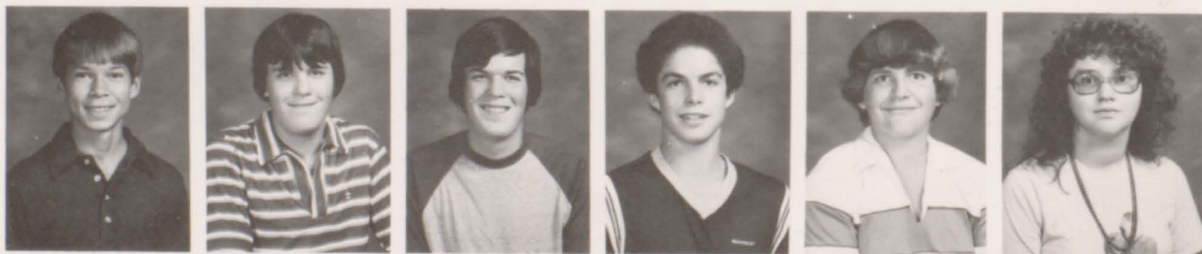

"I stopped to ask for directions to the gym," stated one sophomore," and I was sent to Perry Godsey's shop class."

Never ask a senior for direction to a class," replied another lost sophomore. A glint appeared in his eye as he mischievously added, "I can't wait until I'm a senior!"

As a new squadron of Jets flew into CCHS in September, they encountered many problems and posed many questions. From high flying freshman at Martin to lowly sophomores at the high school, the class had to adjust to mixed feelings of apprehension and excitement.

They felt a great sense of pride and accomplishment at having made it to the senior high school. As they entered the halls of CCHS, the sophomores realized that they were growing and that graduation was one step closer.

Important questions such as: "Do I dress up or wear jeans? . . . Where is B125? . . . Who is Cato White? . . . Where's the bathroom? . . . What did I pre-register for? . . . Float — What's a float? . . . Chain links? . . . Have the sophomores ever won in powderpuff?" were asked many times. As the days went by, the sophomores discovered — among other things — that CCHS was not really impersonal and that Cato White was the English teacher who assigned 101 vocabulary words on the short story "Footfalls."

Although sophomores always have a rough time because they are the least experienced group, the class of 1984 found its place at CCHS and made its mark.

You know it's going to be a bad day when . . .

You find out that the funny tasting toothpaste was Preparation H.  
Your boyfriend asks you how far you've been on a date and you reply, "Knoxville!"

You have put on your third pair of pantyhose for the day and your mom lets the dog out and it gets hung in the blackberry patch.

You are late for school and you reach for the hairspray. After you use it, you realize that it is the misplaced furniture polished.

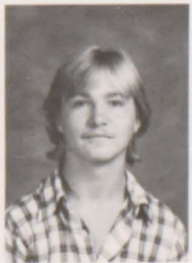

You walk into Spanish class and your teacher begins to speak French.

You are late for school and the police pull you over for going 70 in the hospital zone.

You are out shopping and a member of the same sex makes a pass at you.  
Hamlet begins to quote the dagger soliloquy during a presentation of "Romeo and Juliet."

Being a sophomore is like being . . .

a cherry in an apple pie.  
 one year closer to graduation.  
 at the bottom of the totem pole getting your head stepped  
 on.  
 on the end of a rope and climbing upward.  
 tortured.  
 a freshman all over again.

You know you're in trouble when . . .

the brand new pencil with your name on it lands on the  
 teacher's desk.

the light in the living room is on at 1:00 a.m. and you were  
 supposed to be in at 11:00 p.m.

you're at church and the preacher says "Stand up if you love  
 the Lord," and you're asleep in the pew.

Mrs. Turner starts acting real nice the day before a test.  
 the six weeks is up and it's time for grade cards.

you go to algebra class and the people coming out look like  
 they have been shot.

you get home from a date and the one you forgot is sitting on  
 the porch.

# THREE'S COMPANY

Being a triplet is nothing new for Teresa, Thelma and Tina Worhsam, but it certainly is a new look at CCHS. How strange and disconcerting it would seem to us "one of a kinds" to look in the mirror and be able to see ourselves in triplicate!

For those three girls the situation is quite normal and even advantageous. It's fun to play tricks on unsuspecting teachers, parents and friends. Sometimes being able to swap dates and homework is helpful and amusing. Who will ever know, if the dentist doesn't tell, that the same girl had her teeth checked twice?

Perhaps the strongest disadvantage is loss of individuality. Who wants to hear all the time, "You look just like your sister!" How discouraging it must be never to have your own birthday. Sometimes a triplet loses her own identity in all the muddle, but each one has her own personality and ideals.

Teresa, Thelma and Tina are our own terrific trio. They are alike, yet they are different. What else can be said but "Three's company."

Pictured at right are Sophomore Class officers Donna Hale, Sherry McCoy, Angie Hassler and Julie Tabor.

This year's sophomore class got off to a slow start but they soon caught on to Jet life. They built their first float and adjusted to the ways at CCHS.

President Julie Tabor, pictured far right, led the sophomores in their first year at CCHS. She was an active member of the student body and enjoyed the friendly atmosphere.

Vice-president, Angie Hassler, pictured above second from right, learned the headaches of leading a class and gained from the experience. She was a member of student Council and also played an active role in 4-H honor club.

Secretary Donna Hale, pictured above far left, was also a member of Student Council.

Treasurer Sherry McCoy, pictured above second from left, completed the officer roster. She was often heard practicing her Spanish skills on others.

# HOME COMING

Class Representatives, l. to r. senior Allison Bingham; junior Missy Upchurch; sophomore Sheila Hall

Homecoming 1981 was a time of festivities for everyone. The week held exciting activities such as the spirit competition, the sock hop, the bonfire and snake dance, and most importantly, Homecoming night.

Competitions of the week included winning the spirit chain, float, and spirit stick. Seniors supported their class with pennies enough to win the spirit chain competition. Second place winners were the juniors.

Probably more planning and work went into the design and construction of the class and club floats than went into any other aspect of the week. Outstanding floats were the result. Juniors won this competition with their "Stick Em Jets" theme. Not to be outdone in upholding tradition and encouraging Jet Pride, the seniors came through with boundless spirit to receive the spirit stick for their last high school Homecoming. Their two out of three first place awards earned them first place in competition for 1981.

The week preceding the eventful Homecoming game is full of festivities and anticipation. There are many aspects of Homecoming week, and in the following photographs our photographer captured various moments which best represented the many facets of Homecoming.

1. The seniors, through signs, cheers, and unending enthusiasm, showed their true support for the Jets. 2. A "double take" of spirited students clad in clown costumes preceding the parade. 3. Junior Class Representative Missy Upchurch rides on the winning float, which illustrates the mighty Jets' plans for Sparta on Homecoming night. 4. The junior players are "fired-up" and eager to "extinguish" Sparta. 5. At the 50's sock hop Rocky to Beauty is a regular Fonzie, as Jan Guthrie and Kerri Eldridge anxiously await their chance to dance. 6. The band, giving it their all, showed tremendous support for the Jets during the half-time show. 7. Seniors enjoying the togetherness that goes along with the long hard work in building a competition float. 8. The football team looks as good off the field as they do on the field. 9. These students are some of the many who dressed accordingly in recognition of overall, hat, sock, and sucker day.

True school spirit and enthusiasm were exemplified when the classes ceased float work to show their unity at the annual snake dance and bonfire.

Homecoming night began with the recognition of senior football players, managers and cheerleaders during the traditional pinning on of colors. Senior band members were also recognized. All of the spirit inspired the team to make a good showing during the Homecoming game with Sparta, the Jets winning by a score of 34-13.

Homecoming 1981 was one to remember fondly.

# SADIE HAWKINS WEEK

Sadie Hawkins Week was one which promoted the female liberation movement. Each class was represented by a powderpuff football team which battled it out with pure aggression during the week.

The final game, a hard-fought battle between the juniors and seniors, resulted in a junior triumph. Tammy Reed, Chrissy Mackie, and Cindy Cox led the junior victory.

During the week of Sadie Hawkins, king and queen candidates competed by raising money. The candidates who raised the most money earned the position of reigning Sadie Hawkins King and Queen. This year's King and Queen were Jim Bryson and Bonita Oakes.

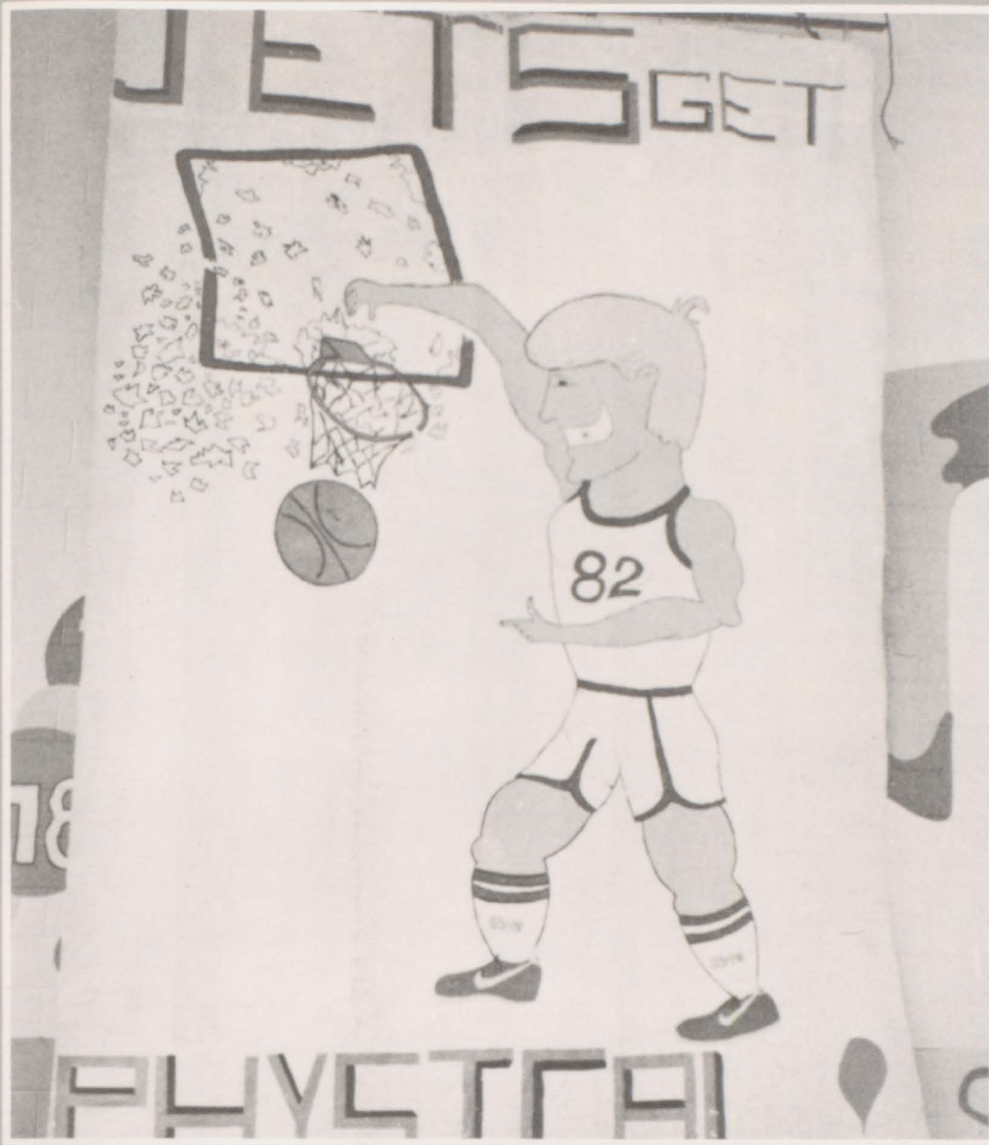

# SPIRIT DAY 1982

Spirit Day 1982 was the biggest and best in its eight year history. The seniors captured the coveted cup by winning all divisions of competition, while the junior class placed second, and the sophomores came in third.

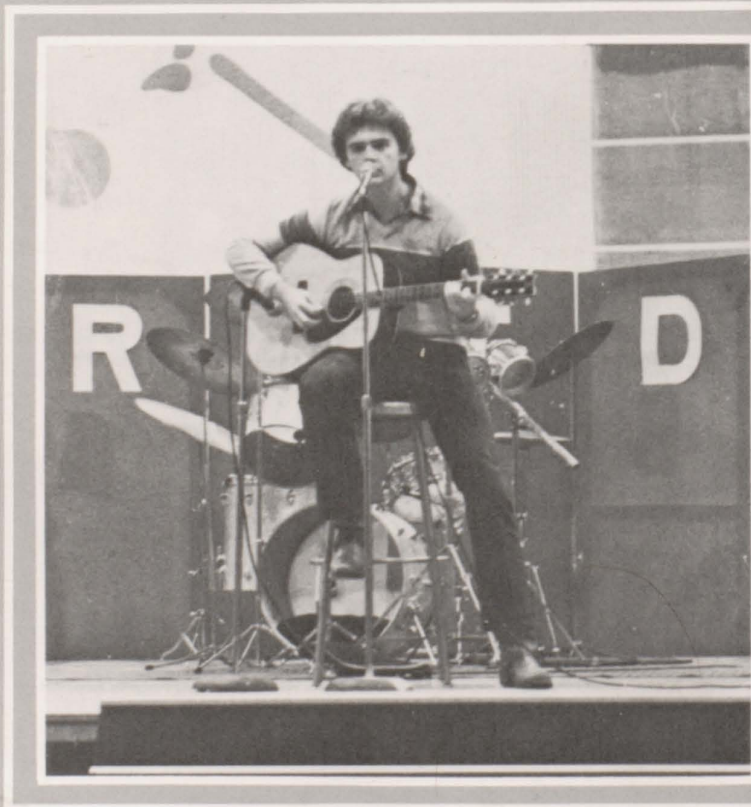

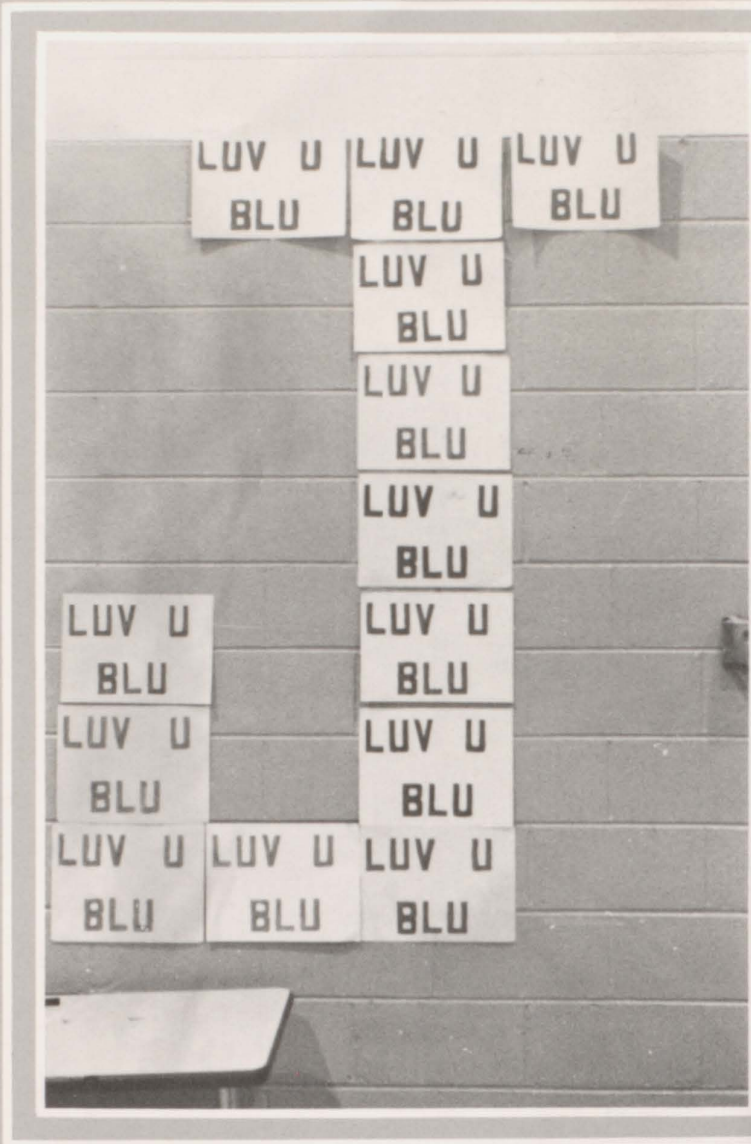

The talent show was exciting for everyone. Bonita Oakes placed first singing her version of "Physical" dedicated to the senior banner. Jacquie Hicks, singing a medley of Barbara Striesand songs, placed second and Sherry Fields, a clogger, was third. Other talented entries in the talent show were: Fantasia, Kaye Reeves, Clay Wilson and Glenette Stone, Randy Threet, Alyson Wibel, Karen Couch, Eddie Shelton, and Radiation.

The hard work of each class paid off as both Jet teams were victorious against their Red Bank opponents. The Lady Jets rolled over the Lionettes by a score of 50-32. An exciting boys' game followed with the Jets winning 54-41.

The publications staff sponsored Spirit Day as a fund raising project.

# CHOIR

CCHS Music Director Blanton Alspaugh.

Under the direction of Blanton Alspaugh, the choir performed their annual Christmas Concert on December 10. They also recorded a thirty minute film with the CCHS Drama Club which was presented on WCTE-TV on December 17.

Mrs. Fisher, the Drama Club sponsor, and Mr. Alspaugh, the choir director, combined efforts to produce the play "If Girls Ask Boys for Dates" and the cantata "Joseph and the Amazing Technicolor Dreamcoat." The cantata was performed on March 2 by the choir and backed by a select group of band members. A morning performance was given for the students and was followed by an evening performance for the general public.

... "Fascinating Rhythm." The 1981-82 CCHS Band, under the direction of Blanton Alspaugh, began the year with a new look and sound. The Jet Band participated in half-time festivities at CCHS ballgames, played for pep rallies, enlivened civic functions, and performed well in contests.

... "Summertime." There's no better way to describe the Jet Marching Band than with one of their own numbers. Beginning early in August of '81, band students pulled out their horns, rifles and flags to begin those exhausting summer practice sessions prior to football season. The band whipped up a stylish show which included "Birdland," "Summertime," "Softly As I leave You," "Tara," and a medley of Gershwin tunes. The haltime show became refreshing entertainment for fans during football season. The group performed during the Homecoming parade and evening festivities. In late fall, the band marched in two of the state's top competitions, The University of Tennessee Music Festival and the Music City Invitational at Dupont High School in Nashville. Community activities such as the annual Christmas Parade and Veteran's Day Parade were highlighted by the Jet Band.

Concert season for the CCHS music department opened with a Holiday Concert on December 10. Themes from "The Nutcracker," "Sleigh Ride," and a "March" were arrangements played by the concert band. On December 17 the band, along with the choir and drama club, was televised on Channel 22 in a Christmas Special.

Other performances included the musicals, "Joseph and The Amazing Technicolor Dreamcoat" and a spring concert.

Two members of the band, Jacquie Hicks and Maracarmen Dunaway were selected to play in the Tennessee All State Band.

Officers for the 1981-82 year were president, Rick Houston; vice president, Jacquie Hicks; and secretary-treasurer, Kim Holt.

Beth Mitchell received the DAR Good Citizenship Award sponsored by the Daughters of the American Revolution. Brian Swearngen was the recipient of the award given by the Sons of the American Revolution, the SAR Good Citizenship Award.

The guidance office prepared a list of outstanding seniors from which these two students were chosen. The teachers finalized the choice on the basis of the student's leadership, citizenship and academic abilities.

Susan Beadle and Chris Clark received letters of commendation from the Preliminary Scholastic Achievement Test for being in the top percentages of those who took the examination. Although they did not qualify for the scholarship, it was a very high honor to be recognized for making the highest scores in the school.

# BOYS AND GIRLS STATE

Delegates and alternates to Boys State were, front row, left to right, Robert Edmonds, Keith Hamby, Vish Satyanarayan, Greg Robbins. Back row, Tommy Arnhart, Chris Clark, Layne Shaw, and Doug Tabor.

Delegates and alternates to Girls State were, left to right, Traci Turner, Jacquie Hicks, Rita Baldwin, Carol Brown, Michelle Holloway, and Beth Mitchell.

Delegates for Boys and Girls State are identified by the guidance counselors and elected by the faculty. All eligible students must have a B average. Delegates for Boys State are selected on the basis of honor, courage, leadership, character, scholarship, cooperation and physical fitness.

Boys State was held at Tennessee Tech, where delegates were addressed by Governor Alexander. The week ended with the Governor's Inaugural Ball with both Boys and Girls State Delegates attending.

Volunteer Girls State was held at MTSU in late spring. The Girls State delegation was addressed by various dignitaries including Governor Alexander, U.S. Congressman Bill Boner and State Senator Anna Belle O'Brien.

Pictured at left are Sheralyn Darnell and Vicky Wood, both winners in the 1981 Fairest of the Fair Contest. Sheralyn was named as the 1981 Fairest of the Fair, with Vicky winning the title of Miss Congeniality.

Alyson Wibel, pictured at right, was crowned CCHS Sweetheart for 1982. She was chosen from a field of 36 contestants. Alyson's beauty and poise convinced the judges to select her over runners up Sheralyn Darnell and Renee Tabor.

The eight senior members of the Student Council at left received an award from the United States Achievement Academy. This award, given for outstanding leadership abilities, qualified the recipients' eligibility to compete for a scholarship. These students will also be honored by being included in the United States Achievement Academy's yearbook. Recipients were, left to right, front row, Sharon Jenkins, Crystal Brown, Dawn Hoskins, and Doug Tabor. Back row, left to right, are Elaine Barnett, Scott Fisher, Mitch Myers, and Teresa Sherrill.

Four of CCHS's outstanding choir members competed in the MTSU Honor Choir. Soprano Kaye Reeves, alto Mariacarmen Dunaway, tenor Randy Threet, and bass Greg Driskell, were nominated by CCHS's choir director Blanton Alspaugh. These students were part of the 140 member group from across East Tennessee who participated in the program.

Jacquie Hicks and Mariacarmen Dunaway were chosen to try out for the East Tennessee Band Clinic where each student was required to play a prepared piece and sight read. Jacquie, playing the trumpet, and Mariacarmen, playing the oboe, were both selected to take part in the East Tennessee Band. The clinic included four bands, each having 100 members, and was sponsored by the East Tennessee Band and Orchestra Association.

# STUDENT COUNCIL

National Association of  
Student Councils

Doug Tabor — President.

Elaine Barnett — Secretary.

Brian Swarengen — Vice President.

Dawn Hoskins — Treasurer.

CCHS's Student Council was unique: It was the only council in the state with daily meetings. The self supporting organization consisted of 30 elected members with 12 seniors, 10 juniors, and 8 sophomores.

Members reviewed administrative policies and suggested possible changes. They attended faculty and board meetings, as well as meetings of the county commission.

Council activities included Homecoming, home basketball game dances, Christmas dance, Spring Fling, and the Kiss-A-Pig and Belly Bumping contests. They were also responsible for making the new school flag, publishing a student directory, and hosting campus cleanup projects.

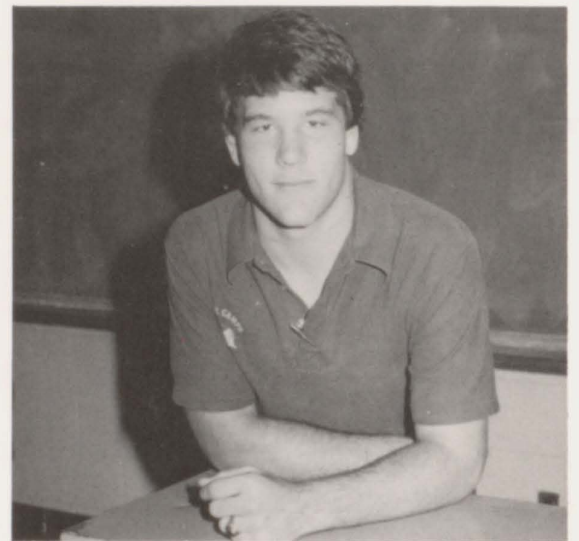

This year made the seventh for Janet Bass as the adviser to Student Council. She helped students expand upon their ideas and helped solve many controversies.

Mrs. Bass was more than an adviser; she was a good friend. Her leadership and dedication helped to further involve the C.C.H.S. Student Council in student government affairs.

Front row l. to r.: Brian Swearngen, Elaine Barnett, Steve Robinson, Teresa Sherrill, Doug Tabor, Sherri Hughes, Sharon Jenkins, and Mitch Myers. Second row: Renee Tabor, Diane Robinson, and Wade Kendrick. Third row: Terry Clark, Mrs. Bass (sponsor), Chuck Usher, Karen Couch, Kirk Shanks, and Greg Upchurch. Back row: Bobby Smith, Doyle McCoy, Shauna Jones, Dale Matherly, Sally Hill, Doug Dearien, and Donna Hale.

# THE PLATEAU

The 1981-82 Publications staff was a hard-working bunch. Few people realize just how much effort goes into producing a year-book and a newspaper. Frustrated cries are heard daily. "Aw, Mrs. Brown, do I have to do my layout again? . . . How many pages of ads have to be done by tomorrow? . . . Another re-write?! . . . One day 'til deadline!! . . . What do you mean none of the Homecoming pictures turned out?? . . . Can anybody here type with more than two fingers?"

Publications had a new twist this year. In previous years, a Senior taking Publications for the second time simply donated his time and effort and received no credit. This year a Publications II class was established, and these experienced students acted as editors for both publications.

Publications gave students experience in both creative and factual writing as well as giving them a sense of responsibility. Everyone was expected to do his part and have it completed by the deadline date. The staff members met many interesting people and completed assignments outside class by doing interviews, selling advertisements, and researching news stories both here at school and all around Cumberland County.

# FOOTBALL

Admittedly, football is a demanding sport, for it takes hard work and special individuals to have a winning team. It soon became obvious that the Jets had those special athletes for an outstanding season. Good playing and teamwork on Friday night didn't just happen, however. Actually, the game itself was just a part of the Jets' program for quality conditioning and performance.

Many of the players had been involved with the game since grade school. The team came together in the 1980-81 school year when Martin freshmen came for the first time to participate in the high school's weight lifting and coordination programs in preparation for spring practice. Much work by both players and coaches soon found the Jets ready for spring practice. Applying what they had learned, the Jets worked the hardest during the spring. Forming the core of the team was tough and required determination, practice, and patience. The scrimmage games helped the coaches and players see the weak points and enabled them to work more effectively in producing a successful team.

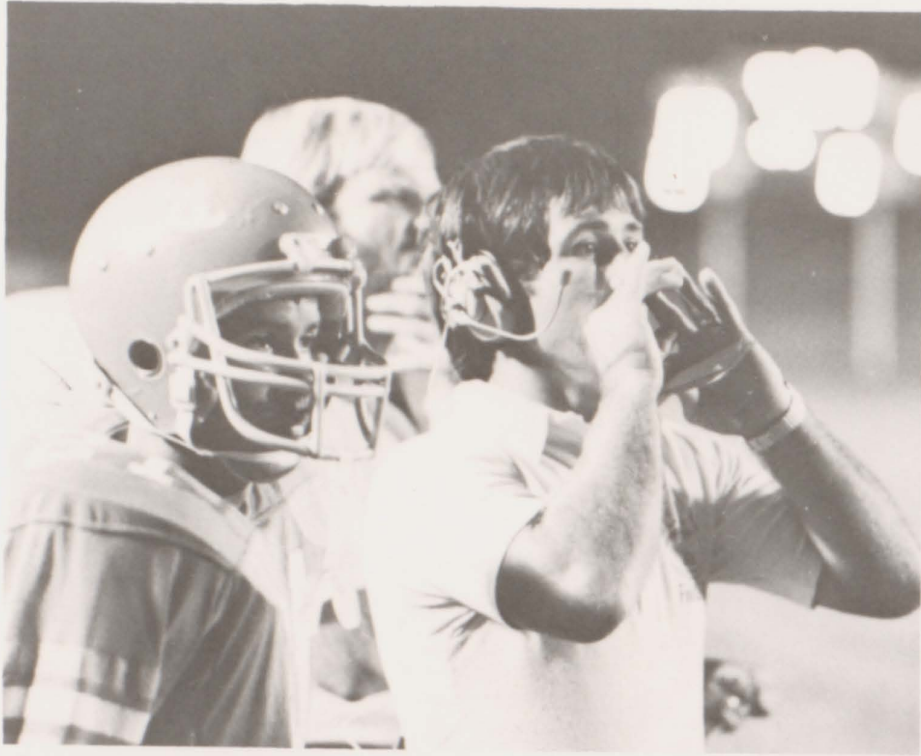

Practice had already begun when school started in August. Through the week the boys practiced running plays and polished skills.

The season itself began on September 4 and contained ten regular games and one bowl game played on November 14. It was a long tough grind, both mentally and physically, but hard work and heart paid off with the rewards of success.

Post season honors came to Chuck Usher, First Team All Tri-State; Brian Swearngen and Johnny Frank Warner, Second Team All Tri-State; Elbert Farley, Allan Wyatt, and Cliff Van Dorn, Honorable Mention, All Tri-State.

# DEDICATION ...

# DETERMINATION . . .

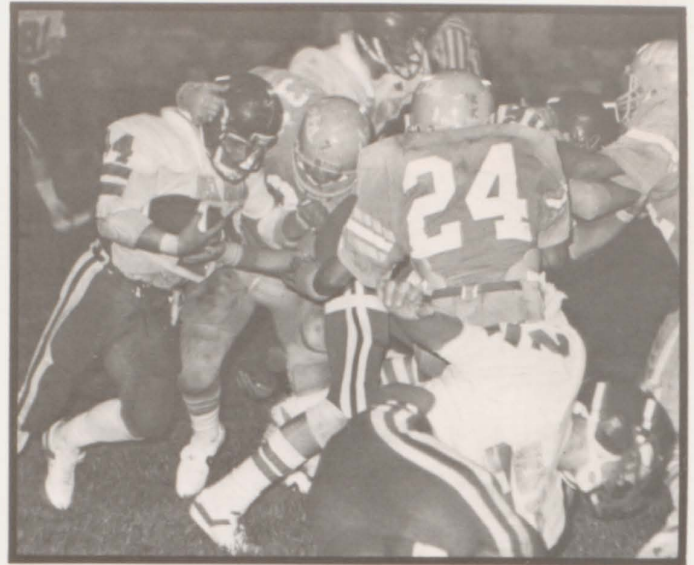

C.C.H.S. 40 Upperman 6

On their initial take-off, the Jets swatted the Upperman High Bees in a lopsided battle that featured Cliff Van Dorn and Tony Parsons on defense and a super running game led by Chuck Usher and Donnie Melton. A big crowd of Jet fans enjoyed the win on a balmy September evening. The Jets were on their way . . .

C.C.H.S. 0 Red Bank 25

The Red Bank Lions roared into Jet Stadium the second week of the season and pounced unmercifully on the Jets. Scott Fisher and Doug Tabor, along with Steve Robinson, worked hard but could not penetrate the Lions' Den. Brian Swearengen and Scott Fisher anchored the defense but could not stop the pawing game of the talented cats from Chattanooga.

C.C.H.S. 35 Knox Fulton 6

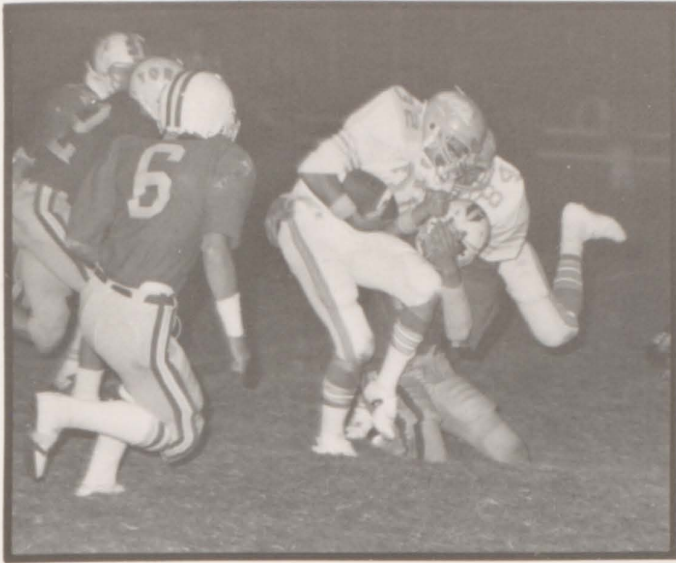

The Jets rallied after their loss to the Lions by plucking the feathers of the Falcons for their second win of the season. Elbert Farley led the Jets offensively with help from linemen Tony Parsons and Jim Bryson. Chuck Usher and Brian Swearengen were at the helm for the defense as they capitalized on many Falcon mistakes.

C.C.H.S. 0 Rhea County 10

The Jets were grounded in their game with powerful Rhea County as the green and gold Eagles proved to be more than the Jets could handle. Though the Jets' offense sputtered, the defense showed its strength by not allowing the Eagles to score until the fourth quarter. It was a gutsy performance by Jets Bill Debruyn, Jonathan Loveday, and Alan Wyatt to hold the eventual AAA state runners-up for 1981 to ten late-game points.

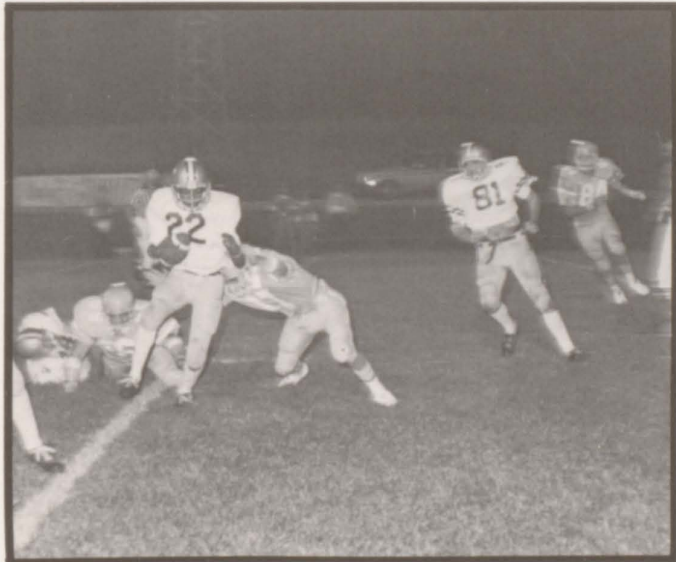

C.C.H.S. 42 York 15

It was time for the Jets to play the role of galant knights as they went into the Dragon pit to face York Institute. After a wobbly start, the Jets flew high and whipped the Dragons decisively. Johnny Warner, Ike Warner, and Tommy Houston led the Jet offense to victory as Randy Coleman and Steve Rhodes sparked a tough defense.

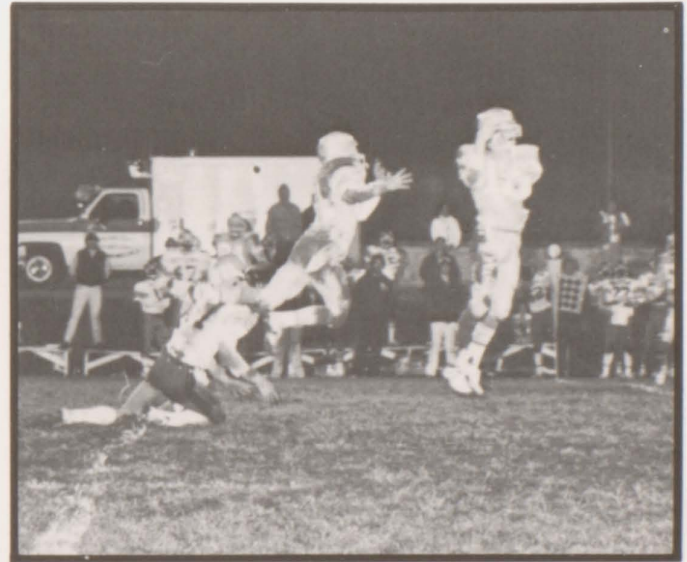

C.C.H.S. 36 McMinn 19

Cherokee territory proved to be happy hunting ground for the Jets as they successfully scalped the Indians for their first district win of the season. Elbert Farley and Johnny Warner rolled up the yardage, and Scott Fisher and Dale Matherly raided the Cherokee backfield repeatedly for sizable losses.

C.C.H.S. 34 White County 13

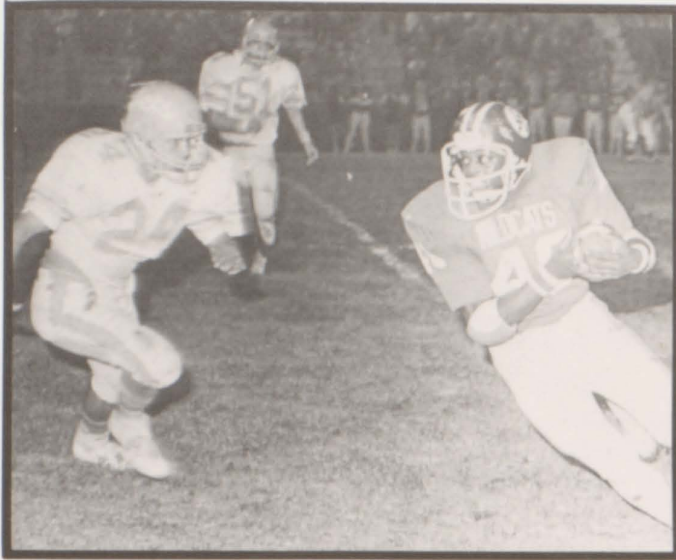

The Jets relished their Homecoming victory over the hapless Sparta Warriors, and they celebrated with a super come-back. After falling behind early they quickly rallied and ran the Warriors out of Jet territory. Johnny Warner led the charge for the Jet offense, and David Mills played his best game of the season in the defensive backfield.

C.C.H.S. 14 East Ridge 3

The Pioneers of East Ridge traveled to the mountain looking for new territories and hoping to blaze a new trail to victory but ran into a roadblock of Jets who spoiled their plans. Randy Coleman powered the way for the Jet offense with outstanding play at the center position, and Steve Rhodes and Dale Matherly defensively denied the Pioneers access to the goal line.

**C.C.H.S. 28 Livingston 0**

The Jets flew into Livingston and returned with the hide of a Wildcat to symbolize their seventh win of the season. The Jets' offense took off easily behind Elbert Farley, Johnny Warner, and Tony Parsons, and the defense, led by Chuck Usher and Brian Swearengen, stayed in hot pursuit of the Wildcats all night.

**C.C.H.S. 7 Bradley County 21**

The Jets traveled to Bradley County looking to tame the Bears for the first time in three years but ended up in a brawl and on the losing end of a 21-7 struggle. The Jets stayed with the Bruins until the fourth quarter. Scott Fisher and Brian Swearengen led the Jets in a stout defense that harassed the Bears all night.

The 1981 football season was one of trials and tribulations for the Jets. With budget cuts affecting every function of school activities, certain areas of the football program were also cut. With help from the community, the football team not only survived but had an outstanding season.

Bill Matherly, owner and operator of Druther's Resturant, dedicated much of his time toward helping the Jet football squad. Free meal tickets were given to all persons affiliated with the football program. His largest contribution came at the end of the season when half of a day's transactions was given to the football team to help finance their trip to the 1981 Gator Bowl. Coaches and players worked at the resturant in partial return for the \$1700.00 they received. Regular employees of Druther's donated their time in this program.

The First National Bank gave \$1000.00 to the football team in relation to their Gator Bowl finances. Terry Tollett of Tollett Associates provided the Jets a meal on three of their away games. People's Bank sponsored a program that awarded a trophy to the best offensive and defensive player of each game. Others also donated funds to the CCHS Football teams.

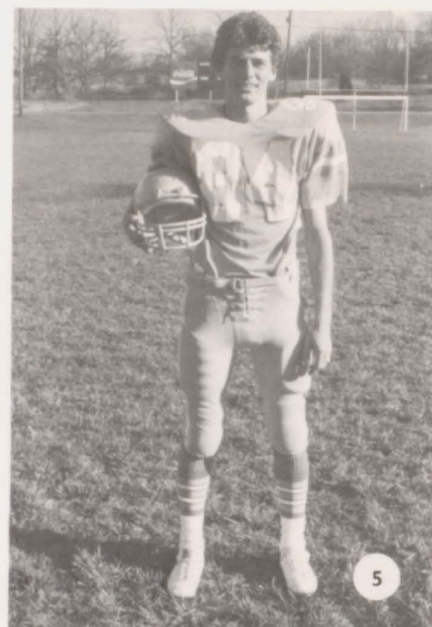

The Quarterback Club gave \$500.00 to the team. Other donations totaled \$4000.

## Jets Fly To Super Season

The 1981-82 Jets, coming off a rebuilding year, were led by six seniors to an outstanding season. This year's Jets played the toughest schedule in the school's history and one of the toughest in the state.

The Jets began preparation at summer camp where they played some of the best teams in East Tennessee. They also played many scrimmage games in pre-season practice.

The team opened the regular season with a 52-45 loss to the strong Farragut Admirals, after which they reeled off five straight victories.

In the Jets' encounter with district rival Bradley Central, although they played well, they lost by a six-point margin. Paul Mills had a career high 35 points. In the next game the Jets bounced back from this disappointing loss by defeating the McMinn County Cherokees.

The Jets traveled to upper East Tennessee for the Kingsport Doubleheader. The first night they faced Kingsport Dobyns-Bennett and played well for three-and-a-half quarters before finally

losing to the perennial power. The long trip and the emotionally draining loss seemed to take their toll on the Jets the next night against Elizabethton. Though they played well the first half, they could not stop the Cyclone's victory. The Jets' season before Christmas ended with a 6-4 record.

The Jet Cagers resumed play after Christmas at the White County Invitational Tournament. They had prepared well over the holidays and won the tournament by defeating both Van Buren County in the semi-finals and the host Sparta Warriors in the finals.

The Jets invaded Livingston hoping to avenge a six-game losing streak to the Wildcats in their gym that began during head coach Mark Bray's first year at the Jet helm. A last second shot was the Jets' downfall and stretched the streak of losses to seven. Tom LaMasters had a season high of 18 rebounds.

The Jets were victorious against Warren, Bledsoe and Dekalb counties. In the Dekalb game Doug Loveday had a career high of 20 points.

Next the Jets faced a much improved

Murfreesboro Oakland who avenged an earlier loss to Bray's Bombers at home. The Jets traveled to Rhea County four days later and lost their second straight. Ronnie Cox scored his season high of 24 points.

After Rhea County the Jets hit a hot streak and won six straight district games, two each against East Ridge and Red Bank, and single victories over McMinn County and Bradley Central. In the McMinn game Jimmy Griswold had his season high of 21 points. The Bradley Central win gave us a split with the perennial district power.

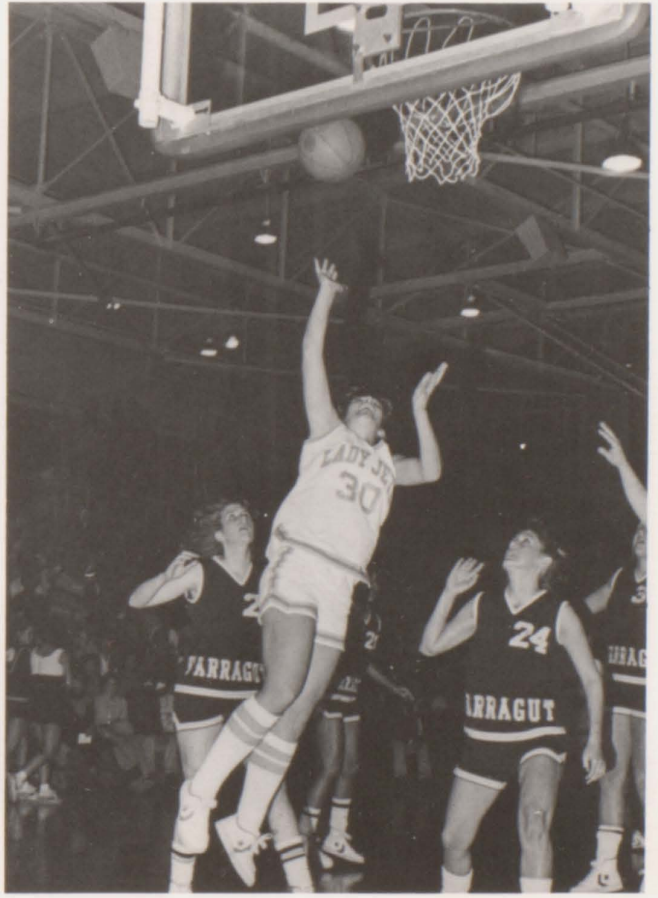

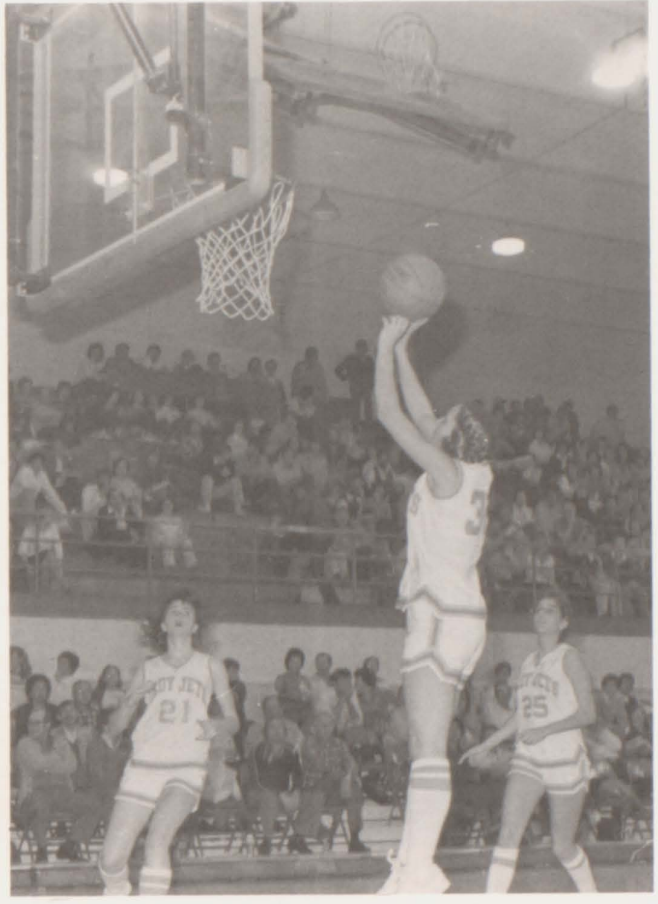

The Jets won three straight victories over district team Red Bank, East Ridge, and a 54-41 Spirit Day win over Red Bank. These victories preceded wins over Rockwood, in which the Jets set a new school rebounding record with 61, and York. These victories stretched the Jets overall record to 20-7 and a second place finish in the district.

Paul Mills, Jimmy Griswold and Doug Loveday were named to All-District honors.

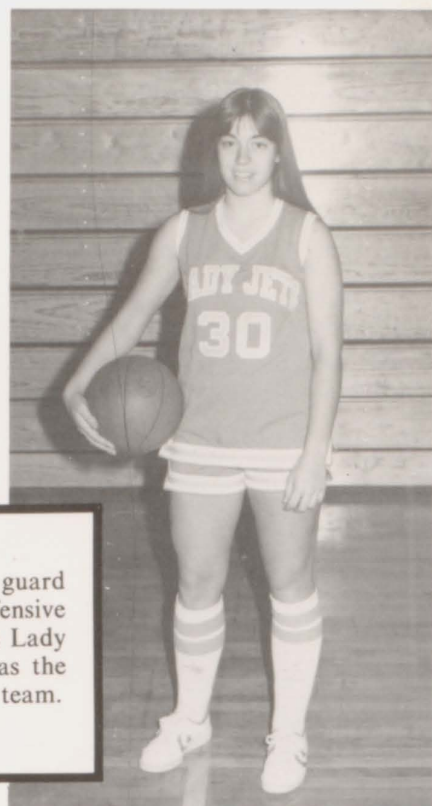

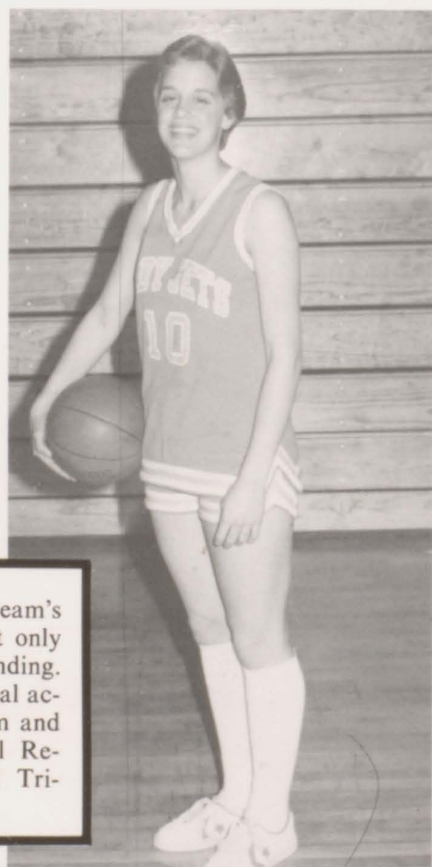

Rita Baldwin, a 5'10" forward, really found a home under the basket as an excellent defensive player and was voted as the most improved player on her team. She was also voted to All District team with honorable mention on the All Tri-State team.

Dianne Elmore was a 5'7" guard whose ball control and defensive play were a great asset to the Lady Jets. Dianne was also voted as the most improved player on her team.

Michelle Holloway, a 5'8" guard, led her team in assists. Michelle was voted Most Valuable Player on her team, was selected to the All District team, and won honorable mention All Tri-State.

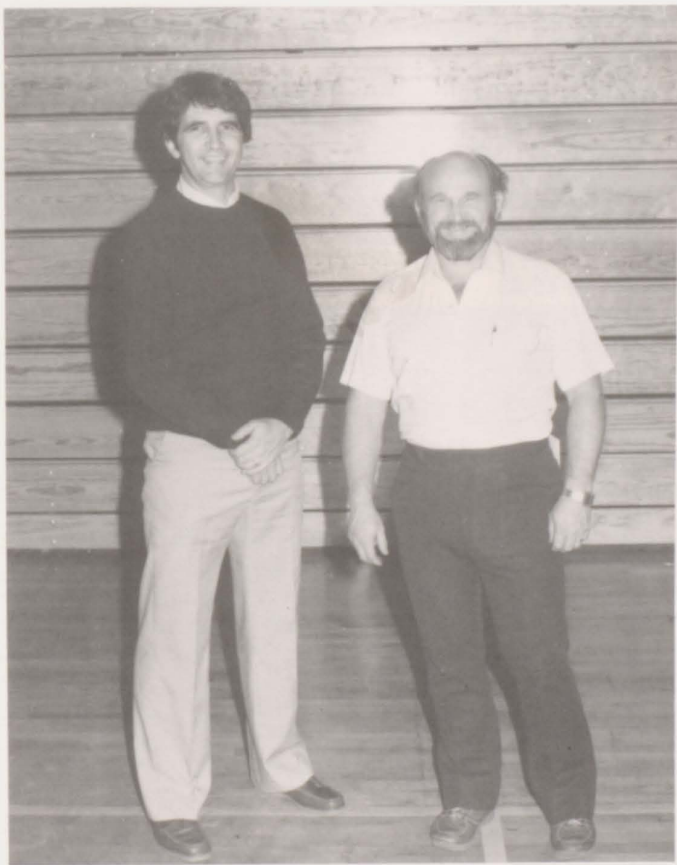

Teresa Sherrill was the team's center. At 5' 11" she was not only good at tip offs but also rebounding. Teresa had the highest field goal accuracy percentage on the team and was selected All District, All Regional, and second team All Tri-State.

## Lady Jets Capture District Title

After a 25-6 season last year and four returning starters, there was little doubt that Coach John Saylor would take the Lady Jets through another outstanding year. And so it was.

The Lady Jets opened their season by defeating the Lady Admirals of Farragut and then losing to the Lady Raiders of Murfreesboro Oakland. The girls soon chalked up victories over York and Bledsoe County. Next, district powerhouse Bradley Central, eventually to be ranked eighth in the state, fell to the Lady Jets in Cleveland by a score of 41-36.

The Lady Cherokees of McMinn also were unable to stop the Lady Jets as they claimed three straight district wins.

Over the Christmas holidays, the Lady Jets captured first place in both the Livingston and White County tournaments.

The Lady Jets defeated Sparta 45-43 when a last second shot from the Lady Warriors was disqualified as the buzzer sounded. The Lady Jets were not so lucky, however, when they met Livingston's Lady Wildcats, losing by a score of 38-49. The girls bounced back to defeat Warren, Bledsoe, and Dekalb Counties.

Murfreesboro Oakland proved once again to be a stumbling block to the Lady Jet team which went down in defeat 42-62.

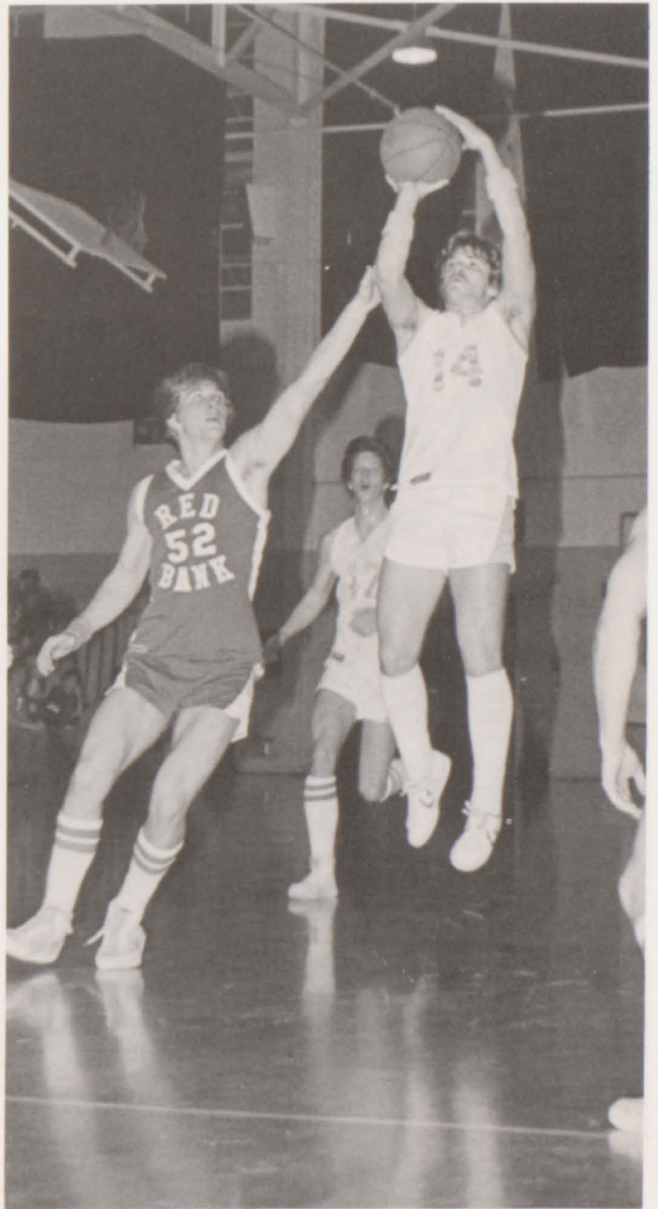

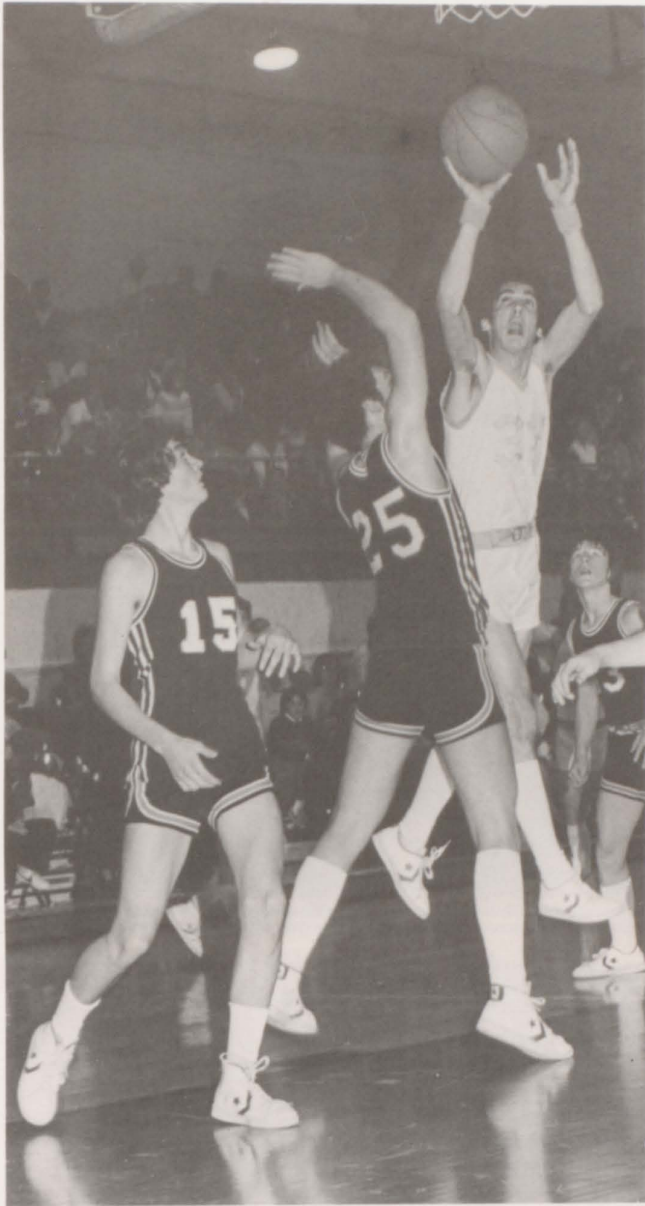

The Lady Jets took off to more district wins over Rhea County and East Ridge, but lost to the visiting Bradley Central team, 34-38. This loss tied the Lady Jets with Bradley in district play, but the Lady Jets claimed first place a few weeks later when Bradley lost to Rhea County. The Lady Jets kept on flying through the district with another victory over McMinn County.

The Lady Jets defeated two district rivals, Red Bank and East Ridge, to claim their seventh and eighth district wins of the season. The Red Bank Lionesses were the opponents on the most exciting night of the season, the Spirit Day game, and were soundly defeated 50-32.

Rockwood fell prey to the Lady Jets as they rolled to their twenty third victory. York, unfortunately, was more than the girls could handle as they went down in defeat 43-46, capping off a brilliant 23-5 season record and capturing first place in the district.

Teresa Sherrill and Michelle Holloway were named All-District performers for their superb play throughout the season. Rita Baldwin contributed strong defense and rebounding while Dianne Elmore was an expert play maker and ball handler.

Carol Brown

Vickie Brown

Cheering for a sport is one of the most exciting jobs around, but a lot of hard work is necessary to generate that excitement. Most people think cheerleading is all fun and games, but this is far from the truth. The cheerleaders did a wonderful job this year cheering for football, basketball, and wrestling. They put a lot of effort in to the performance they gave at every ballgame. They went to camp at Tennessee Tech during the summer and placed high at every evaluation and brought The Spirit Stick home to C.C.H.S. They baked cookies every week for the players and decorated the locker rooms before every game.

The sponsor, Mr. S.C. Maynard, had his rules just like any other athletic coach. Anyone who did not follow his rules or maintain a grade average of 85 or above was suspended from the squad.

The cheerleaders spend hours every day working on new mounts and cheers for the games. They don't quit practicing until they can perform them all perfectly.

The squad had leadership this year from four outstanding seniors. They were Vickie Brown, Judy Tollett, Carol Brown, and Dawn Hoskins. Juniors were Angie Benson, Pam Welch, Jessica Choate, Camille Barnwell, Tammie Blaylock, Bonnie Tollett, and Sissi Darnell. The sophomore who was there to round out the squad was Stephanie England. Mr. Maynard served as sponsor for the cheerleaders for his second year.

The rewards for the cheerleaders were few and far between but at the end of the year they had the satisfaction of knowing that they had done their job well and cheered all teams on to successful seasons.

Cheerleading is a lot of hard work, time, and effort. It is trying to promote school spirit and supporting the Jets and Lady Jets 100%. Most of all, cheering to me is having fun and being able to share good times with friends.

Judy Tollett

The cheerleaders are all very special to me and they are people I'll never forget. Cheerleading has definitely been the biggest part of my school life.

Vickie Brown

Cheerleading has its ups and downs, but the ups certainly outweigh the downs. Interestingly enough, I wouldn't take anything for the new friends, honors, and loads of fun I have gotten out of my cheerleading career.

Dawn Hoskins

Cheerleading is a lot of hard work and time, but an honor I wouldn't trade for anything.

Carol Brown

# SOCCER

Annell Shaffer organized the new soccer team this fall and became the sponsor and coach. Ken Grover and David Shaffer were volunteer coaches. Offensive captain was Rocky Beaty, and goalie Ricky Sells led the defense.

Practices began when school started and were held three days a week throughout the year. The team was self-supporting and raised money to buy regulation soccer goals, practice balls, and uniforms.

Soccer, a fast paced game, is a year-round sport that can be played by girls as well as boys. There are eleven players on each team, and the time is split into 30 minute halves with no time-outs. The ball is controlled by the feet, and only the goalie can use his hands. Players also use their heads, chests, and thighs to control the motion and direction of the ball.

The soccer team was a success from fall scrimmages to spring games. The team will remain active in the summer and is expected to become a regular flourishing sport at CCHS next season.

TRACK  
CROSS COUNTRY

Teresa Sherrill and Kirk Shanks had outstanding track records in 1982.

The first boys' and girls' track teams in the history of CCHS made a very good showing in 1981 despite obvious inexperience. The teams competed against several established track teams including Cookeville, Sparta, Harriman, Rhea County, and Cleveland and posted many victories.

The track teams were funded by a private donation given to the school years ago solely for the establishment of such a program. This money has remained untouched until last year when the teams were established.

Kirk Shanks and Teresa Sherrill were two outstanding members last year, each excelling in the 440 yard run. Both Kirk and Teresa competed regionally where Teresa placed fifth.

CCHS Cross Country members displayed their winning from the Lake Tansi Ojwiba 10 kilometer run. In the 18 and under divisions David Beach placed first, Connie Cokkinias, second; Loretta Smith, first; and in the overall girls division Janet Bass placed second.

In their second season last fall, the cross country teams came upon hard times. There were not enough boys to have a boys' team, although Kirk Shanks and David Beach competed individually. Although the girls' team failed to post a team victory, Missy Upchurch consistently finished first in most meets.

The Rotary Club donated money to fund the cross country program.

# VOLLEYBALL

## VOLLEYBALL: Bump, Set, Spike

The Lady Jets volleyball season started in August with practice and rough workouts. With only one returning senior, Dianne Elmore, the inexperienced young team faced a difficult 1981 schedule but posted a 6-6 record despite their difficulties.

The District Tournament brought despair to the Lady Jets who were eliminated in the first round by Norris High School, the number one district team.

Dianne Elmore completed an outstanding season in 1981 and received the District All-Tournament trophy. Teresa Sherrill was the outstanding rookie of the team and played well throughout the season. Seniors Allison Bingham and Karen Henson made important contributions to the team and received letters. This was the third year that Wanda Whittenburg coached the Lady Jet Spikers.

## THE GREEN MACHINE

In 1981 the golf team completed one of its best seasons ever with 15 wins and 6 losses. Though this record did not qualify the team to play in the regionals, four individual players competed. Valerie Hannah, Terry Walker, Tony Hicks and Erich Mumford played in the tournament at Kingston.

Donna Goss had a successful first year as coach in 1981. "I decided to coach the team," she said, "because I enjoy the sport so much and because I hoped more girls would join the team."

This year the golf team played District 10 foes Rhea County, Roane County, Lenoir City, Harriman, Loudon, Rockwood, and Sweetwater. They also hosted the District Tournament on May 4 at Tansi. Home matches were usually played at Tansi golf course, with a few played at Fairfield Glade. Jet Golfers were also invited to play in the Smoky Mountain Invitational at Gatlinburg in April.

# SOFTBALL

The 1981 Jet softball team, in only its second year of competition, completed a winning season. Their 18 game schedule included Cookeville, Oneida, Livingston, Rhea County, Monterey, Kingston, Dunlap and Harriman. The team lost to Red Bank in first round district action.

The team was funded by the combined proceeds of a frozen pizza sale, a raffle, and ticket money from a game played before the student body.

Nancy Hyder coached the team both last year and this. Players expected to return for 1982's action were Pam Barnwell, Kris Blevins, Dianne Elmore, Melissa Ford and Brenda McCoy.

## ALWAYS ON THE MOVE

Edwin Cato White

Bruce England

Chess is a game of wits. As any team member can verify, the game is a sport — an art as Golombek put it — that requires excessive amounts of determination and perfection. Moreover, it takes a unique genius of style and a considerable amount of work to develop this style. The Jet Chessman succeeded in achieving superiority.

There is no doubt of the tremendous stress that chess players endure. Along with the expected mental and emotional pressure there is also a physical strain that few non-players realize. Anatoly E. Karpov lost an incredible 80 pounds during his quest for the World Championship in 1978. Several Jet Chessman have won 1979-80 five-to-six-hour games.

In 1979-80, a young CCHS Chess Team captured first in the State Novice competition and placed second in the Southern regionals. These wins set the stage for 1980-81 when the more experienced team played in senior competition. The team then set a record hard to beat — five of six high school championships. Locally, they won the Crossville and Montgomery Bell Academy scholastics. They became both Tennessee and Georgia state champions, as well as U.S. Southern Regionals champs. They went on to place honorably in national competition.

The team's success was based on their perseverance and dedication. Novice Champions Bruce England, Michael Kerley and Layne Shaw exemplified determination. State Champion Mike Jones clinched the team's title as well as his own. Regional Champion Keith Lowe overcame heavily favored odds in '81. William Gwin became known for his consistent upsets throughout high school. Terry Burdett's high average helped the team win many tournaments. Greg Robbins came from the bottom to rank among the state's best.

In 1981-82, the team got off to a good start by winning the Crossville Scholastics for the third consecutive year. They also captured the Chess League's top spot in a tournament of four Tennessee teams.

Members of the close-knit group es-

tablished an honorable tradition for future chessman to uphold; their records from Philadelphia to Atlanta will be remembered. Truly, as Emanuel Lasker once said, "On the chess board lies and hypocrisy do not survive long."

# CCHS Hosts 1982 District 10 Tennis Tournament

The 1982 District 10 tennis tournament was held May 3-7 at the CCHS and Martin Junior High tennis courts. This tournament was played for the first time at CCHS in 1980. Divisions for this year included both boys' singles and doubles and girls' singles and doubles. Participating high schools included Harriman, Roane County, Loudon, Rockwood, Rhea County, Cumberland County, Lenoir City, and Tennessee Military Institute. CCHS coaches

Diane Brown and L.A. Fox, Jr. were tournament directors.

The Lady Jets' tennis team was defending tournament champions. Carol Brown, the 1981 girls singles champion, defended her title on home courts. Carol Brown teamed up with Beth Mitchell as last year's doubles champions.

Tommy Cook of Kingston came to Crossville to defend his 1981 singles title. Although the Kingston boys' team was defending tournament champions,

there were no team favorites since last year's winners did not return. The Jets team returned this season with all but one veteran and showed their experience in the District Tournament.

The winners of the district went on to play in the Region 3 Tournament held at Oak Ridge High School, May 10-14. Those winners of the Region advanced to the State Tournament in Nashville, May 17-21.

The Jets 1982 baseball team looked forward to a successful season with eight players returning from the previous year's team. These players gave experience and depth that had been lacking in past seasons.

Head coach Eddie Nunley led the team into 18 games this spring. The Jets faced some new teams along with several old foes and competed in the same district tournament (5AAA) as in the past.

The four returning seniors were Joe Ledbetter, Kenny Stevens, Steve Robinson, and Mike Baehr.

## ***Cumberland County Republican Women's Club***

### **The Republican Philosophy**

**WE BELIEVE:**

That the right of the individual to achieve the best that is within him, as long as he respects the rights of others, is the source of our Nation's strength.

That government exists to protect the freedom of opportunity in which each individual's creative ability can flourish.

That government activities should be limited to those things which people cannot do at all, or cannot do so well for themselves.

That the most effective government is government closest to the people.

That those who cannot provide for themselves should be assisted by both government and society, but that every effort should be made to help them become self-supporting, productive citizens with pride in their independence.

That equal rights, equal justice and equal opportunity belong to all, regardless of race, creed, age, sex or national origin.

That the preservation of our Nation and the security of our citizens depend upon the Constitution, the laws and the courts, and that respect for them is the responsibility of every individual.

That government is accountable for maintaining sound money and a responsible economy. Individual rights, liberties and properties are continually eroded when citizens are oppressed by excessive taxation, inflation, government waste and overregulation.

That government is responsible for national defense and that only a strong America can remain a free America.

That it is absolutely essential to maintain a strong national defense posture in order that we may at all times negotiate from a position of strength, not weakness, in our continuing efforts toward world peace and friendship.

That these concepts are the foundation of our national strength and that the ***Republican Party***, which is committed to their preservation, is the ***Party for the Future***.

# Jet, Lady Jet Players Win Awards

The 1981-82 Jets and Lady Jets, both having fine seasons, had several players to receive honors as outstanding players of the area.

The *Knoxville News Sentinel* released its girls' all-state teams, and Lady Jet Michelle Holloway was named to the second team class AAA. Teammate Teresa Sherrill received honorable mention.

The *Chattanooga Times* also named its own all-star team. The All-Tri State team included members from both the Jets and the Lady Jets.

Paul Mills, a senior Jet guard, was named as a member of the first team. He finished the season with a 15.8 point per game scoring average and 150 assists. Paul was on last years

All-Tri State, second team.

Jimmy Griswold and Doug Loveday received honorable mentions. Jimmy, a senior forward, and Doug, a junior forward, finished the year with 286 and 317 points, respectively.

For the first time a Lady Jet, Senior Teresa Sherrill, was selected first team All-Tri State. Teresa, a center, ended the season with a 13.3 point per game scoring average. Michelle Holloway and Rita Baldwin were given honorable mention. Both Michelle and Rita are seniors.

In addition, the *Knoxville Journal* released an all-state team. Tom LaMasters and Teresa Sherrill, both seniors, were named honorable mention on the Journal's All-State Tennessee team.

## Plateau Wins First At Roane St. Festival

The Annual Roane State Humanities Festival was held Friday, March 5. There were about 450 students who attended from the 17 participating schools. Members of the CCHS choir, drama club, art club, and publications staff took part in the festival. Competition was held for all the arts. Categories included art, fiction and poetry writing, acting, vocal and instrumental music, dancing, speaking, and journalism.

Several students from CCHS were recognized for their participation. The 1981 Plateau, edited by Shari Boggus and Tonya Hinch, placed first in yearbook competition, and in the newspaper category the Jet Contrail, edited by Beth Mitchell and Carol Brown, placed second. Randy Threet and Tim Bowden won second place in instrumental bluegrass. In duel acting, Jenni McDonough and Jan Guthrie placed second. Russell Nail of the CCHS art club won third in the pen and ink division. The Cumberland Dancers: Cindy Cox, Paula Morgan, Tammy Reed, Karen Couch, Gloria Mayo, and Susan Gent were named third in jazz dancing competition.

## District 10 Golf Tournament at Tonsi

The T.S.S.A.A. District 10 golf tournament was held May 4-7 at Lake Tansi Village golf course. The CCHS Jets were the host team. District 10 consists of Rhea County, Harriman, Kingston, Lenoir City, Loudon, Rockwood, Sweetwater, and T.M.I.

Members of the boys team were Tommy Bryan, Tony Hicks, Tommy Monaghan, Erich Mumford, Dean Spigner, Mack Tester and Wesley Wright. Connie Cokkinias, Anita Dial and Billi Sue Gingrich made up the girls team.

## Furbelows & Fanfare a Big Hit

The first Annual "Furbelows and Fanfare," a combination fashion and talent show, took place on Friday, April 2, in the gym. The CCHS publications staff sponsored the program. The apparel modeled was in three different categories of clothing, including dresses and suits, sportswear, and bridal dress and accessories.

Tickets were sold for 50¢ prior to the event, with each ticket having an individual number. A short-sleeved knit shirt from

Hughes Brothers was given away to the student whose ticket number corresponded to the one drawn during the show.

Entertainment for the "Furbelows and Fanfare" included several students who participated in the 1982 Spirit Day Talent Show, including Jacquie Hicks, Tim Bowden, Randy Threet, Bonita Oakes, and many others. Sheri Hughes was special chairman for the show and was assisted by Traci Turner, William Gwin, Joey Ledbetter, Rhonda Taylor, and Cleve Couch.

The CCHS Chess team poses with some of their trophies after winning the Tennessee Championship for 1982. Seated left to right are Bruce England, Terry Burdett, Greg Robbins, and William Gwin. Standing are Scott Turner, Mike Reagan, Bobby Mayfield, Tommy Anderson, Larry Pankey, Ricky Besch, and Bruce Lemieux.

## Jet Chessmen Repeat As State Champions

CCHS clenched their second Tennessee State Chess Championship with a victory in Murfreesboro on February 27-28. Top individuals from Cumberland County were Greg Robbins, fourth, with four points, Layne Shaw, fifth, with three and a half, Terry Burdett and Michael Kerley, tenth, each with three points.

Baylor High School of Chattanooga was the strongest opposition for the Jet Chessmen. With two of the state's top-ranked players, they were the favorites to win the championship.

In chess tournaments like the state tournament it's true that no elimination matches are played to determine state competitors, but it is also true that a team's member will face another team's member more than once in a tournament. This is how certain teams are defeated, and this is how CCHS defeated Baylor for the state title. In rounds four and five, Jet Chessmen defeated several Baylor players who were in contention for first place. CCHS defeated Baylor in round five by one half point to become the State Champions for 1982.

## CCHS Students Attend Symposium

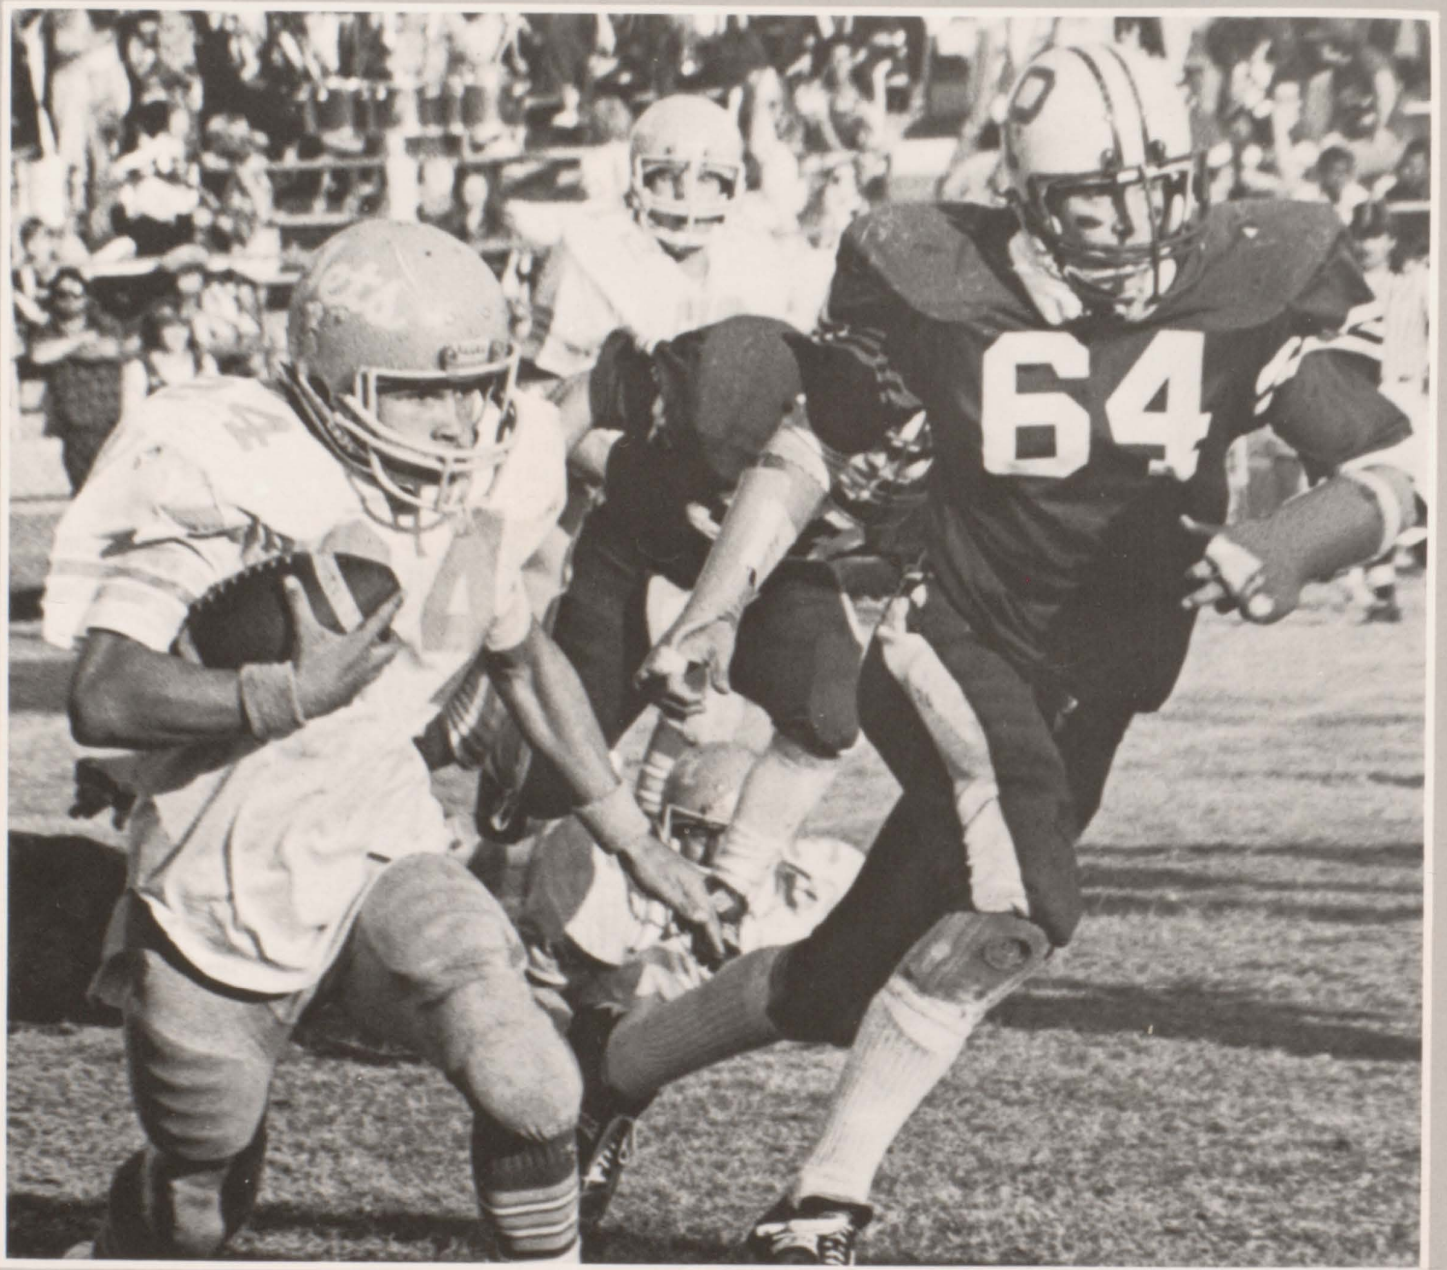

Several students from CCHS's chemistry classes attended the Seventeenth Annual Junior Science and Humanities Symposium held in Knoxville, Tennessee, on March 4, 5, and 6. Thirty-six Tennessee high schools, involving nearly 200 people, participated in this year's symposium. Sponsors for the symposium were the U.S. Army Research Office, the University of

Tennessee at Knoxville, Union Carbide Corporation and the American Museum of Science and Energy in Oak Ridge, and McDonald's Restaurants.

The students from CCHS who went to the symposium were Cleve Couch, Kris Blevins, Beth Mitchell and Terry Burdett. Mrs. Florida Bustamante was the sponsor.

# INDUSTRIAL 19 BOWL 81

# CHAMPIONS

Johnny Warner, named Offensive Player of the 1981 Industrial Bowl, grabbed the Panthers by the tail on the first play of the game and never stopped twisting. His two touchdowns in the game's opening three minutes sparked Jets and fans and forecast the final 35-18 Jet victory in Lafayette on November 14.

Warner ran the opening kickoff 87 yards for a touchdown, and within three minutes scored again after recovering a Panther fumble and racing 67 yards into the endzone.

Scott Fisher's two extra-point kicks boosted the score to a 14 point lead with 8:57 remaining in the first quarter. With a 78-yard drive, the Panthers moved in 12 plays to score. Their point after attempt failed, resulting in a 14-6 first quarter score.

Late in the second quarter Jet Jonathan Loveday recovered a Portland fumble on the Jet 31 to set up the next Big Blue touchdown. Once again Johnny Warner fired through the line, this time for a run of 51 yards and his team's third six-point play. Fisher's point after upped the score to 21-6.

On the first play after the kickoff, sophomore Dale Matherly punctured Portland's hopes when he scrambled to cover the quarterback's fumble on the Panthers' 12 yard line. Warner's five and seven-yard runs, accompanied by Fisher's extra point kick, posted a 28-6 score at halftime.

The opening drive of the second half proved Portland meant business. They drove 79 yards in 12 plays to score from the 12-yard line. Matherly pounded the Panther quarterback to thwart the attempted two-point conversion.

Eating up the clock on their next drive, the Jets marched 80 yards in 14 plays. Their well-executed offense was capped off by Donnie Melton's 18-yard run through right guard. This touchdown and Fisher's point after added seven more points on the scoreboard. Fisher was successful in all of his five extra point attempts.

The next ten minutes resulted in a defensive battle. The Panthers rallied in the last four minutes of the game to boost their score to 18. Their attempted run for a final two points failed.

Brian Swarengen, defensive leader and linebacker, was named Defensive Player of the Game.

The game's final 35-18 score enabled the 1981 Jet team to capture the team's first bowl title since 1965 when coaches Dan Van Winkle and Hollis Bolin played as sophomores at C.C.H.S.

*Dear Friends,*

*It has been our honor and privilege to serve as editors of the 1982 PLATEAU. The theme of this book is "new directions." When the "Class of '82" says its final good-byes we will all go our separate ways in new directions as individuals and no longer as a class. "New Directions" was an appropriate theme for this yearbook because we are a special group of people, alike and yet each very different.*

*We would like to thank the following people who made this book possible: Mr. and Mrs. Jim Bean, for the use of their beautiful home; Terry Ashburn, the CROSSVILLE CHRONICLE, and the CUMBERLAND COUNTY TIMES for their generous sharing of photographs; our many advertisers for their continuing support; Karen Watson, for her artwork and cover design; the faculty and staff for their cooperation, and Mrs. Brown and Mrs. Quillen for their advice and guidance.*

*The entire staff spent many long hours both in class and after class writing the copy, drawing the layouts and taking the pictures to produce this, a book of memories to be enjoyed now and cherished for a lifetime.*

*We hope the 1982 PLATEAU will bring a smile to your face and sometimes a tear to your eyes as you review our life together at Cumberland County High School. We hope you will grow to love it as much as we have loved putting it together for you.*

*New Directions for all of us . . . Sophomores begin the "dreaded" life of a Junior, Juniors have finally "made it" to be Seniors, and Seniors have embarked on a different road of their lives, a part that no longer includes C.C.H.S.*

*Carol Brown  
Beth Mitchell*

*Editors-in-Chief  
1982 PLATEAU*

*P.S. To all of you from all of us — Happy moments and happy memories.*
