Vision:

Carver Elementary School will service every child to grow at least two levels by 2022 while guiding students in a safe, inviting environment.

Motto:

"Big journeys begin with small steps."

Carver's View

Greetings Parents and Guardians,

We are working towards a goal of growing each student by at least two proficiency levels by the end of 2022. To meet this goal, we will need you to become and remain a part of the process. You may be asking yourself, "How can I help my child grow?" Just a few simple steps will help our students, your child grow tremendously. One suggestion is to allow students to read a book or article of their choice at least twenty minutes a day. Research shows that students who read at least 20 minutes will score in the 90 percentile of their peers on standardized tests by the time they are in sixth grade. Also, ask your child what did they learn/do in their classes today. This will help the child recount what they have done in the classroom, giving you a chance to stay in the "know" of what is before the student. These are just two suggestions to start off with. We will continue to research and provide more suggestive ways to assist the students with their success this year.

COVID 19 Tips (CDC recommendations)

1. Wear a mask when in public.
2. Stay at least 3 feet from other people.
3. Do not touch your eyes, nose, or mouth.
4. Clean and disinfect regularly.
5. Wash your hands for at least 20 seconds.
6. If you feel sick, please stay home.

Counselor's Corner

Word for the Month: Courage

Courage doesn't always roar. Sometimes courage is the little voice at the end of the day that says I'll try again tomorrow.

-Mary Ann Radmacher

Hello,

So far this year students at Carver have been busy with Social and Emotional Learning. Some of the things they've been learning include the importance of actively listening to others and ways to do so, the importance of being kind to others and ways to show kindness, and how to POSITIVELY disagree with others. We are teaching and encouraging positive interactions in hopes to create a change in the culture at Carver and in this community. We are also having fun while doing it.

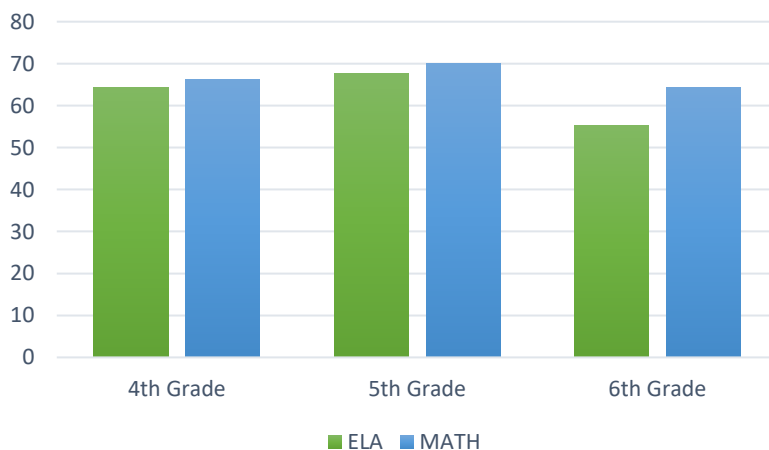

Librarian's Corner

Library card holders can check out way more than just books: many libraries also offer free access to streaming video and music as well as online versions of your favorite magazines and newspapers. These resources are great for staying entertained and can save you big money on media subscription fees.

“Every day Counts”

Ms. Akela Barnes, District Attendance Officer

Mr. Adrian Gooden, School Resource Officer

As a school and a district, we understand that we are not quite out of the woods with COVID-19 yet. We will continue to follow the CDC and district protocols for social distancing and sanitation, ensuring that all facets of our journey during the school day is one that is aligned. Our goal is, and has always been, to provide a safe learning environment. You can help us keep everyone safe by ensuring your child has a mask on daily before arriving at school. We will continue to monitor the guidelines and suggestions from MDE, MS Department of Health, and the CDC. All information is subject to change if new guidance is issued by the government and/or health officials.
