Tree Trekkers Guidelines and Ticket Info

Included in your ticket:

- Includes 30 extra minutes (in addition to your 2 hrs.) for ground school which includes safety briefing, harnessing, and practice course. All climbers must participate in ground school before climbing. If you have climbed before, it is up to Tree Trekkers to determine whether they can fast track you.
- Includes access to all 14 trails (at varying levels) on the Timber Trek Course, all safety equipment and gloves.
- If the Spring Fair is cancelled due to inclement weather, a Tree Trekkers 2hr Timber Trek Adventure Ticket will be provided that can be used anytime this season during normal hours.

Time Slot Designation:

- We will try to accommodate preference but slots will be assigned on a first come first serve basis. **Preferred time slot is not guaranteed.** Priority will be given to those who first complete their online waivers and order online or by order form. Groups of 10-15 guests start ground school every 15 minutes. Assigned time slot may have a start time of anywhere within the 2/3hr time frame(s) designated.
- **ADVANCE PURCHASE REQUIRED!** Slots are limited and will be designated on a first come first serve basis. We anticipate selling out so get your orders in early.
- Families will be grouped together, if possible.
- Waiver must be completed at the link below before a time slot can be assigned to you.

Guidelines:

- **SIGN WAIVER! EVERYONE** climbing and spectating **MUST** have a waiver completed upon arrival! The link above makes it very easy for everyone in your group to complete waivers. You will need to sign a new waiver for the 2022 season. A signed waiver is required before a Timber Trek Adventure time slot can be assigned to you. Sign the waiver for our event at: <https://pos.treetrekkersmd.com/treetrekkers/event/join/15418-5a80>
- **WHAT TO WEAR.** You must wear "Closed Toe/Heel Athletic Shoes" (CROCS DO NOT COUNT!). Climbers are required to wear active clothing that is not loose-fitting with all long hair pulled back with a hair tie. Please avoid wearing jewelry. We recommend checking the weather and dressing accordingly for your adventure. If any of these requirements are not met by a guest Tree Trekkers is not required to let this guest climb at our park.
- **WHEN TO ARRIVE. PLEASE ARRIVE 10-15 MINUTES EARLY** to park and check-in. Plan for your overall climbing time to last 2 ½ - 3 hrs. Larger items and valuables should remain in the car. Please ensure everyone in your party has signed their waiver. If you are more than 15 min. late you may lose your slot and your end time will not be extended.
- Children ages 4-7 **MUST** be accompanied by an adult climber. Adult climber requires their own ticket.
- Ages 15 and under require an adult chaperone on the property during their visit.
- Weight Limit: 30lbs-250lbs, necessary to ensure harnesses fit correctly
