55+ Driver Discount Program (2025-2026)

This Driver Discount Program is put on by the Precision Driving Center of Minnesota through St. Cloud State University. You can check out their website at www.driverdiscountprogram.com.

Complete this course to get a 10% discount on your auto insurance premiums! Taught as a presentation from a certified instructor, you'll discuss challenges we face as drivers, new road designs, vehicle technology, and updates on current laws. Best of all, there are no written or behind the wheel tests! Certificate will be provided at the end of class. The 8-hour initial course requirement has been removed as of July 1st, 2024. Participants must take the 4-hour course to initially earn the discount and then repeat the 4-hour course every three years to maintain the discount. Pre-registration is required.
