

*Robert B. Domy, Jr.* – CONTRIBUTOR

*January 29, 1936 – March 27, 2018*

Robert (Bobby) Dominy was born in Nicklesville, GA and attended Toombsboro High School. He joined the US Army serving his country during the Korean Conflict. Once stateside, he returned home and married Shirley Cranford in March of 1957. They had 3 children, all graduates of Northside High; Nadine Dominy Walter (Class of 76), Barbara Dominy Gary (Class of 80) and Robert Dominy, II (Class of 81). Bobby and Shirley were blessed with 7 grandchildren, 6 of whom also graduated from Northside High; Lindsay Walter (Class of 99), Lauren Walter (Class of 03), Christopher Katsekis (HOCO Class of 04), Kimberly Dominy (Class of 08), Savanna Gary (Class of 11), Bobby Dominy (Class of 12) and Cody Gary (Class of 13).

Robert and Shirley moved to Warner Robins in 1962 where he worked at RAFB in Aviation Electronics (Avionics) for the F14 fighter aircraft. Robert was very active in the community coaching his children on their local softball and football recreation teams. Once his children started at Northside, Robert continued serving by becoming active with the Northside Booster Club, serving as President during the 1980-1981 school year. During this time, Robert was instrumental in getting the field house built at Mc-Connell-Talbert Stadium. Robert's son, Robert, also played offensive line for Northside Football during his years at Northside and Robert was always there to support the football program. Robert also faithfully served the Northside Football team as the press box scorekeeper from 1981 – 2013, alongside his son-in-law Billy Walter (Class of 76).

Robert was a die-hard Northside fan bleeding true blue! After his children graduated from Northside, Robert continued serving by attending the booster club meetings and was ecstatic when his grandchildren arrived at Northside and became active in sports including soccer, cheerleading, softball, football, baseball and golf. When Robert wasn't at McConnell-Talbert Stadium on Friday nights with the football team, he could be found supporting Northside and his grandchildren at their various Northside sporting events. Robert was in attendance in 2006 when the football team won their first state championship, treasuring his championship ring, and supported Northside Football, home and away, until the end. Northside held a special place in Robert's heart and remains a special place for his family to this day.
