T'ááchil

T'ááchil means the growth of early plant life. The plants that grew closer to the ground are fully grown and green. The livestock can forge on the nutritious and tender plants. This will help them regain their health. Bigger plants are beginning to grow introducing the summer months.

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
What does April mean? April means "to open," symbolizing the opening of flowers and buds in spring. It represents renewal, vitality and new beginnings.			1	2	3	4
