

### Kindergarten Early Entrance Exam

Under state law, beginning with the 2017-2018 school year, any child who is six (6) years of age, or who may become six (6) years of age by August 1, shall attend public school or qualify for an exemption as provided by KRS 159.030. Any child who is five (5) years of age, or who may become five (5) years of age by August 1, may enter a primary school program, as defined in KRS 158.031, and may advance through the primary program without regard to age in accordance with KRS 158.031(6).

Each local school board shall adopt a policy to permit a parent or guardian to petition the board to allow a student to attend public school who does not meet the age requirements of subsection (1) or (2) of this section. The policy shall include an evaluation process that will help determine a student's readiness for school and shall ensure that any tuition amount charged under this policy is the same amount charged to a student who meets the age requirements of subsection (1) or (2) of this section. Students enrolled under this policy shall be included in a school's average daily attendance for purposes of funding as provided in KRS 157.310 to 157.440.

Perry County Board of Education will require all students who have been requested to attend Kindergarten to pass the Early Entrance Exam created jointly by preschool and Kindergarten teachers across the district. In addition, a child must turn 5 during the window of August 2 to October 1 of that school year the child will be enrolled.
