33	
33 34	instructional purposes only, an athletic activity that is incidental to a nonathletic program,
	youth athletic activities offered through a church or synagogue, or a lesson; provided,
35	however, that colleges, universities, churches, and synagogues, and any other entities that
36	conduct youth athletic activities but are not subject to this Code section are strongly
37	encouraged to establish and implement a concussion management and return to play
38	policy.
39 40	(b) Each local board of education, administration of a nonpublic school, and governing
40	body of a charter school shall adopt and implement a concussion management and return
41	to play policy comprising not less than the following components:
42	(1) Prior to the beginning of each athletic season of a youth athletic activity, provide an
43	information sheet to all youth athletes' parents or legal guardians which informs them of
44	the nature and risk of concussion and head injury;
45	(2) If a youth athlete participating in a youth athletic activity exhibits symptoms of
46	having a concussion, that athlete shall be removed from the game, competition, tryout,
47	or practice and be evaluated by a health care provider; and
48	(3) If a youth athlete is deemed by a health care provider to have sustained a concussion,
49	the coach or other designated personnel shall not permit the youth athlete to return to play
50	until the youth athlete receives clearance from a health care provider for a full or
51	graduated return to play.
52	(c) Each public recreation facility shall, at the time of registration for a youth athletic
53	activity, provide an information sheet to all youth athletes' parents or legal guardians which
54	informs them of the nature and risk of concussion and head injury; provided, however, that
55	public recreation facilities are strongly encouraged to establish and implement a concussion
56	management and return to play policy.
57	(d) The Department of Public Health shall endorse one or more concussion recognition
58	education courses to inform Georgia citizens of the nature and risk of concussions in youth
59	athletics, at least one of which shall be available online. Such course or courses may
60	include education and training materials made available, at no charge, by the federal
61	Centers for Disease Control and Prevention or other training materials substantively and
62	substantially similar to such materials.
