JVBB vs Shepherd in Custer, 5:00/6:30

On Tuesday, December 19, the varsity basketball teams competed in Rapelje against RPR. The girls won 52-12, and the boys won 61-43. On Friday, December 22, the Rebels had their first home game of the season in Custer vs Harlowton. The girls' JV lost 58-28, and the girls' varsity won 55-31. For the boys, the JV lost 58-30, and the varsity won 52-36. Currently, the varsity boys are 7-0, and the girls are 6-1. The teams will compete on Friday in Hysham against Roberts.

Rebel wrestling had a break from competition and will be back on the mats this week.

Traveling teams had a chance to showcase their skills over the break at a tournament in Custer. The fifth-sixth grade boys won their first two games in pool play, then lost in the first bracket; the seventh-eighth boys were 1-1 in pool play and lost their first bracket game. Fifth-sixth girls lost all three games while the seventh-eighth girls took second in the tournament.

Great job to all those kids who practiced and competed over break. We "HOOP" to see you continue playing!

# Pizza Pizza!

The yearbook staff will be selling Little Caesars pizza kits as a fundraiser starting next week. We have all the options! Pepperoni, cheese, thin-crust, gluten-free, we have many options ... and the kits will be here before the Super Bowl, making them a fun way to plan your February events! (Nothing says "I Love You" on the 14th like an order of Crazy Bread!)

We will be out in the community starting late next week. Money is due at the time of order, and the kits will be available for pickup at the school around February 5 (or you can arrange delivery with your sales-kid). We will post more details next week, along with the information to order your kits online.

No matter how you slice it, everyone wins with this fundraiser! We appreciate your support!

# Youth Group

Youth Group meets at the Baptist Church every Wednesday starting at 6:30. Sports kids are welcome to join in when they are finished. Food and fun!

## Emergency Blood Shortage

Please plan to donate at the Hysham blood drive on January 11, 2024. Start off the new year with the donation that saves 

# Good Job!

Nice job to our musicians for the excellent Christmas concert. Thank you, Mr. Scrano, for conducting the event, and we appreciate the great community turnout. Thanks also to Santa for showing up!

Olive Vetch recently had the state come in for its check into the school lunch program, and she earned excellent scores. She is following caloric, sodium, and fat requirements as outlined by the state, and she was commended for her motivation to learn about the school nutrition program that the state uses. The evaluator also praised Vetch for providing a variety of fresh vegetables and fruit and meeting all their unique subgroups; she said our cook is feeding our students great meals, and we agree! Great job, Olive!
