Good Morning Parents and Guardians,

I wanted to update you concerning the student illness and attendance we dealt with this past week. Please know during this past weekend, both Saturday March 15th and Sunday March 16th, members of our custodial staff performed a "Deep Cleaning" of the elementary/middle school building. Every desk, door and floor has been disinfected, scrubbed and cleaned with care. Today, our student attendance has returned close to normal, which is also encouraging.

I appreciate your understanding and cooperation as we will continue working to provide a clean and safe learning environment for your child(ren) and our staff.

Yours in Education,

Michael V. Turek
