

**Join the Friends
Of the
Thomson McDuffie County Library**

FRIENDS support the library in everything they do, although it is a separate entity from the library. The FRIENDS group is a bonus to the library and community.

The FRIENDS of the library host a community Veterans' Day Canteen, raise funds through an annual "Previously Loved" book sale, host literacy based events, such as author receptions, assist with library projects.

Complete the form on the right and drop it and dues at the library or mail to
