Students who earn credit in dual enrollment/college classes shall receive four points added to their final grade. Students who take Advanced Placement courses and sit for the AP exam will receive 5 points added to their final grade.

To determine your QPA, each course is given a point based on its classification as a regular, honors/capstone industry certification, state dual credit, or dual enrollment course.

Regular classes:

A = 4 points B = 3 points C = 2 points D = 1 point F = 0 points

Honors and capstone industry certification courses:

A = 4.5 points B = 3.5 points C = 2.5 points D = 1.5 points F = 0 points

HONOR ROLL

Honor Rolls are sent to the Bledsonian Banner at the end of each grading period if possible. Requirements for being listed on the honor rolls are as follows:

“A” Honor Roll:

Students must make 90% or higher in each subject taken.

“A/B” Honor Roll:

INCOMPLETE GRADES, ASSIGNMENTS AND MAKE-UP WORK

In the event of an incomplete on a grade card at the end of any report period, the deficiency must be removed by the time which is designated by the teacher. If circumstances warrant additional time, this should be approved by the Principal/ Assistant Principal or Guidance Counselor. A student has FIVE (5) school days to make up his/her work. If incomplete grades or assignments are not removed in the time allotted, the grade will be averaged with a zero for the work not completed. NOTE: It is the student's responsibility to see that the work is completed and handed in during the allotted time. THIS POLICY APPLIES FOR ALL MAKE UP WORK AND TESTS.

Students may make up all work for complete credit regardless if the absence is excused or unexcused as long as work is completed within the five-day limit. Make-up work not turned in within five days shall receive a maximum grade of sixty (60).

END OF GRADE PERIOD TESTING

Nine weeks' tests are given and will count fifteen percent of the grade. All students are required to take the nine weeks' tests, but can be exempt from the final exam.

Exemption from Final Exams for all classes:

A student will be exempt from a final test under the following conditions:

An average in the class of 90% or higher with no more than 5 excused or unexcused absences. Any school approved trips will not count as an absence toward exemption from final exams.

A student may choose to take the final exam in an effort to raise his/her grade even if he/she is exempt. In this event, the grade will not lower the student's final grade.

STUDENTS MUST TAKE FINAL EXAMS AT THE SCHEDULED TIME.

STATE REQUIRED TESTING

State-Required Tests:

State mandated End of Course Tests are administered in Biology 1, Algebra 1, Algebra 2, Geometry, English 1 and English 2. These tests count for 15% of the course grade. All students are required to take these assessments. All eleventh graders are required to take the ACT. A minimum score of 15 or students must sit for the test again.

REPORT CARDS

Report cards will be issued each nine weeks. In addition, students will receive mid-nine weeks' progress reports in each class. Report cards can be viewed by logging into your skyward account.

WHAT IS SKYWARD?

Skyward is the Bledsoe County School System's Student Information System. It gives our teachers, students, caregivers and administrators better tools to communicate. Through Skyward, caregivers will be able to see their student's grades, attendance, student class schedules, calendar of assignments and an online school directory. Through Skyward, you will be able to choose the level and frequency of notifications ("Skylert") and communicate with your student's teachers.

NOTE: Grades 4-12 students have been provided with their own login and password. Some of the options available to them (portfolio) are not available to parents. Similarly, there are some functions (editing contact information) that are not available to students. We recommend you do not share your login information or password with your children.

NEED A LOGIN? If you do not have a login and password to access Skyward, go to www.bledsoecountyschools.org to complete the form requesting access. You can also use this form to add another caregiver for your family. If you have further questions, the same website will provide a contact person for your school.

CLASS RANKING

Senior records are checked after the end of the first semester. To be eligible for top ten ranking, students must have been enrolled at Bledsoe County High School for at

least four semesters. A numeric average is used to determine these honors. The Top 10 will be selected from the ten students who have the ten highest Quality Point Averages (QPA). From these ten with the highest QPA, the final ranking will be determined by the numerical average of final course grades. Ranking for the remaining class members will be determined by QPA.

All grades earned in grades 9, 10, 11 and the first semester of grade 12 are used in determining final class standing. To be ranked in the Top 10, a student must be enrolled at the high school the entire first semester of their senior year. The grades from the final semester of any student’s senior year will not be used in determining class rank. Transfer students must have been in attendance four of the seven semesters preceding the final semester to be ranked in the Top 10.

GPA/QPA are calculations of a student’s Grade Point Average (GPA) and Quality Point Average (QPA). Both of these are used in determining class ranking.

RTI INFORMATION

Bledsoe County High School will be providing a Response to Instruction and Intervention (*RTI2*) program. Bledsoe County is committed to helping all students succeed. One form of support to assist students who are struggling to learn and need additional support to be successful is the Response to Instruction and Intervention program.

The *RTI2* Framework has three tiers. Each tier provides differing levels of support.

—In Tier I, all students receive research-based, high quality, general education instruction that incorporates ongoing universal screening and ongoing assessment to inform instruction.

—In Tier II, intervention is implemented when assessment indicates that a student is not making adequate gains from Tier I instruction alone. In addition to Tier I instruction, students are provided small group interventions designed to meet their specific needs. These students are progress monitored weekly or every other week using a tool that is sensitive to measuring changes in the student’s individual skills.

—In Tier III, more intensive interventions are provided to students who have not made significant progress in Tier II, who are more than 1.5 grade levels behind, or who are below the 10th percentile. These students are progress monitored weekly or every other week using a tool that is sensitive to measuring changes in the student’s individual skills.

[ATTENDANCE POLICIES](#)

CLASS ATTENDANCE / TRUANCY / TARDIES

CLASS ATTENDANCE — A student will be counted absent for the entire class

period if he/she is absent for more than fifteen minutes of the scheduled class time as determined by the classroom teacher. Any student who anticipates having an authorized “School Day Absence” (school field trip, college visits, etc.) should gain prior approval from his/her instructor. It is the student’s obligation to notify his/her teacher of any class absence due to official school business and to provide documentation if necessary. A student who is absent for a period of ten consecutive days or longer, or anticipates such an absence, should contact the Board of Education for homebound teacher assistance.

Any student having more than five unexcused absences from any class will have credits held unless the student has completed an Attendance Plan as developed at a parent meeting. If course credit is going to be held due to the number of absences in a class, the student and parent shall be advised. Procedures in due process are available to the student when credit is denied or held.

 - Students will have the opportunity to work on standard based instruction that was missed during absences.

10 Unexcused Absences - Another letter from the district making families aware of absences, along with the compulsory attendance law and Progressive Truancy Intervention.

To prevent such interventions as mentioned above, students should submit written notification stating the reason for the absence. Parent notes can be accepted for five school days for the entire school year. Acceptable excuses are doctor, dentist, or funeral documentation. All excuse notes must be turned in within five school days of the absence to be accepted.

TARDINESS

Five minutes are allowed for the change of classes. A student should be in his/her room by the time the tardy bell rings. If a student is detained by another teacher, he/she should secure a written statement from the teacher and go directly to class. Excessive tardiness can result in disciplinary action.

In order to have records cleared, it is necessary that all textbooks and library books be returned and any charges be paid. In order to maintain that environment, acts of bullying, cyber-bullying, discrimination, harassment, hazing or any other victimization of students, based on any actual or perceived traits or characteristics, are prohibited.

This policy shall be disseminated annually to all school staff, students, and parents. This policy shall cover employees, employees' behaviors, students and students' behaviors while on school property, at any school-sponsored activity, on school-provided equipment or transportation, or at any official school bus stop. If the act takes place off school property or outside of a school-sponsored activity, this policy is in effect if the conduct is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.

Building administrators are responsible for educating and training their respective staff and students as to the definition and recognition of discrimination/ harassment.

The principal/designee at each school shall be responsible for investigating and resolving complaints. Upon the determination of a violation, the principal/designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. All investigations shall be completed and appropriate intervention taken within twenty (20) calendar days from the receipt of the initial report. If the investigation is not complete or intervention has not taken place within twenty (20) calendar days, the principal/designee shall provide the Director of Schools with appropriate documentation detailing the reasons why the investigation has not been completed or the appropriate intervention has not taken place. A substantiated charge against an employee shall result in disciplinary action up to and including termination. A substantiated charge against a student may result in corrective or disciplinary action up to and including suspension.

INTERQUEST DETECTION CANINES, INC.

Bledsoe County School District has entered into an agreement with Interquest Detection Canines, Inc. to provide trained detection canines to conduct random unannounced inspections of all campus locations in the county.

The canines are trained to detect the presence of illicit drugs, prescription pills, alcohol, and firearms.

Campus buildings, parking lots, and grounds will be randomly inspected for prohibited items. If detected and found, the county will initiate the appropriate disciplinary action.

The canines are non-aggressive and they are trained to discriminate against specific “scents” of contraband items.

With the recent publicity concerning the dramatic increase in teenage drug use and shootings, the county is taking every reasonable precaution to ensure a safe and healthy learning environment for all concerned.

OUTSIDE DOORS IN CLASSROOMS

The outside doors in classrooms are NOT to be used except for emergencies or fire drills.

USE OF POLICE AT BLEDSOE COUNTY HIGH SCHOOL

It is the philosophy and belief of the administration at Bledsoe County High School that the responsibility for dealing with student discipline is our responsibility and rests with us. Thus, we will make every effort to handle such problems in-house, according to the policies and procedures established by the Board of Education and the school. However, when violations of state laws or municipal ordinances occur, when students or parents refuse to work with the established policies of the Board of Education or when security of person or property appears to be in jeopardy, we will not hesitate to call the police and initiate arrest and prosecution proceedings. School personnel are authorized to search any and all properties brought to school. This includes, but is not limited to, cars, handbags, lockers, etc.

School Resource Officer The School Resource Officer (SRO) program is a joint venture of the Bledsoe County Sheriff’s Department and the Bledsoe County Board of Education. The Board of Education wants to share as many community resources with its students as possible and the Sheriff’s Department continues to provide services above and beyond the normal scope of expected police activities.

The SRO will advise students on responsibilities and procedures concerning criminal matters. The SRO will help resolve, by advice and/ or mediation, issues between students that may involve criminal matters, or matters which may result in a criminal matter or disturbance or disruption of the educational process. Student confidentiality shall be maintained as appropriate. The SRO will provide information to school faculty concerning legal issues as they relate to the school community.

The SRO is a police officer first and is responsible for carrying out all the duties of a police officer. The officer is not a school disciplinarian and will not assume that role.

VIDEO SURVEILLANCE

Having carefully weighed and balanced the rights of privacy of students and staff against a duty to maintain order and discipline, Bledsoe County Schools may employ the use of video surveillance equipment on school property and in school vehicles. Such use shall be subject to the other policies of the System including policies concerning the confidentiality of student and personnel records. Video surveillance shall be used to promote order, safety, and security of students, staff, and property.

VISITORS

Students will not be permitted to bring friends or relatives to visit them during school hours.

Any visitor must first secure a pass from the office. No visitor will be permitted to remain in the building or on the campus unless he/she is here on school business.

If it is necessary for a parent/guardian to bring a book, coat, or deliver a message during school hours, he/she should come to the office. This service can be done through the secretary to prevent classroom interruptions. If it is necessary for a parent/guardian to speak with his/her child, the student will be called to the office.

Tennessee state law mandates that school administrators protect the safety and educational environment of all students. Therefore, the principal/assistant principal reserves the right and authority as outlined by the Tennessee Code Annotated to declare the rules outlined here null and void should a severely disruptive behavior problem occur that mandates immediate action.

STUDENT SERVICES AND INFORMATION

ATHLETIC PARTICIPATION

All TSSAA rules and guidelines will be followed. TSSAA website: <https://tssaa.org>

CONFERENCES

The school is committed to the well-being of each student and recognizes the importance of open communication between parent/guardian and teacher. Parent/Guardian conferences are held at the request of the student, parent, or school at a time acceptable to all involved.

Impromptu conferences are likely to be very unsatisfactory to all concerned, whereas one that can be scheduled is likely to be very beneficial. Please contact the teacher, counselor, or an administrator to schedule a parent/ student/school conference.

DRIVER'S LICENSE PROCEDURES

Tennessee has mandated a provision in the law for the past several years that requires a documentation of enrollment status for any student fifteen (15) years or older, to be presented to the Department of Safety before a student can apply or be reinstated for a permit or license to operate a motor vehicle.

The 99th General Assembly went a step farther not only to require proper enrollment status, but also to require students to make satisfactory academic progress before

receiving or **maintaining** a driver's license. "Satisfactory academic progress", as defined in this section, means that such student earns a passing grade in at least three (3) full unit subjects or their equivalency.

FEES

Students may be required to pay costs/fees for items such as parking spaces, lockers/locks, extra-curricular activities, and field trips etc..

FIELD TRIPS

Academic field trips can be taken by all students. If the field trip is a reward trip, then the student must have passing grades in all classes and have no more than five unexcused absences for the semester.

A student that has been suspended out of school or has served more than three days of in-school suspension for the semester will not be allowed to attend a reward trip.

A sizable collection of college information, publications, scholarship programs, and career materials is maintained for students in the Guidance Office.

ILLNESS/MEDICINE/SCHOOL NURSE

If you become ill at school, you should notify a teacher or the office or if you are too ill to do either, send someone to the office for help. The secretary or the principal/assistant principal will respond to your call for help.

Administering any medicine (prescription or over-the-counter) to students is not a recommended procedure for school, but at times it is necessary. Any medicine that needs to be administered at school should be done as follows:

1. Written order from a physician detailing the name of the drug, dosage, and time interval medications are to be taken.
2. Written permission from the parent or guardian of the student requesting that the school comply with the physician's order.
3. Medication must be brought to school in its original container and appropriately labeled by the pharmacy or physician and given to school secretaries.
4. The school nurse is available to enhance the educational process by maximizing the health and well-being of school age children and adolescents physically, intellectually, socially, emotionally, and developmentally. The school nurse accomplishes this through the modification or removal of health-related

barriers to learning and through the promotion of optimal level health. The school nurse is available as needed to protect and promote the health of the student.

Student Communicable Diseases Policy 6.403 - Parents or guardians of infected students shall inform appropriate school officials of the infection so that proper precautions for the protection of other students, employees, and the infected student shall be taken.

Gym lockers are free to students in PE classes. Students that do not return a lock at the end of the year will be charged \$8.00. The cafeteria has computerized cash registers. Students must enter their account numbers into the computer as they go through the line. The cafeteria cannot cash checks through the line. Any check must be for the amount of the purchase only or for deposit only. Students are encouraged to make deposits into their accounts from 7:15-7:43 a.m. in the cafeteria. If a student does not have the money in his/her account, he/she must pay with cash. Charges are not permitted for “extras” and/or second servings.

During lunch, students are to **STAY** in designated eating areas at all times. **Any parent, guardian, or grandparent** wishing to eat lunch with their student is welcome at BCHS. However, in order to respect the subject of safety, we do ask that visitors adhere to the following guidelines:

1. Each visitor must sign in and leave a driver’s license in the office while

eating lunch with a student.

2. If the visitor is found anywhere other than the cafeteria, they will receive a warning.
3. If the procedure is violated a second time, the visitor will not be allowed back to lunch for the remainder of the year.

Parents will be

notified of these policies at least annually at the start of each school year and after any important changes. For activities scheduled after the school year starts, parents will be provided reasonable notice of the planned activities and surveys and will be provided an opportunity to refuse to have their child participate in these activities and surveys. Parents will also be provided an opportunity to review any relevant surveys. The following are specific activities and surveys covered under this requirement:
