Student Report –

Donating Chairs to Stewartstown Community School - Stewartstown is in desperate need of chairs. These are needed for assemblies, concerts etc. Debbie stated she had some extra out in storage that could be donated. They are looking for about 15 chairs.

J. Gray/L. Gray: Motion to donate 15 chairs to Stewartstown School District.

Did Debbie find anyone to take the tables? Dana will speak to Debbie about this.

Superintendent Report: Dana Hilliard

February Report – The 2024 Title IX policies have been removed by the President. Everyone is going back to the 2020 Title IX policies. We will bring this forward after town meetings to repeal the 2024 policies and put the 2020 policies back in place.

There is another FEMA meeting scheduled for this week. Hopefully this will be getting close to the end with them. They are looking at the mold and the backflow valve for payment. Needed to send them an

estimate because we cannot get to the backflow valve due to winter conditions. We should be in really good shape once this is done.

We are still responsible for the final finish on the floor.

Discussed some legislation (HB283) that would have an effect on our schools. This includes cutting a number of classes that are required at this time. Dana will be keeping an eye on these items and keep the board updated as to how this turns out.
