Go for It!

You, the class of 1981, should be very proud of your class. You did some great things for the school and your fellow students. Your big money-raising project, the annual magazine drive, resulted in a new record in the history of the school. You even broke the Polk County record which was \$14,972 with your grand total of \$15,400. Congratulations!

At Homecoming Kathy Gibson and Tony Owen represented you at the game. Your float, with the theme of "Total the Tigers" won second place in the parade. At the Homecoming pep rally your class had the longest spirit chain of all the classes.

Your athletes did very well, helping the football team and the basketball teams go all the way to District. The cheerleaders encouraged everyone to get excited at the pep rallies and the games.

The Seniors were delighted with the Prom you gave to them at the Lakeland Civic Center. The atmosphere there will stay with both Juniors and Seniors for a long time.

Class of 1981 achieve their goal in magazine drive.

Junior class officers and sponsors: President D. Brunson; Secretary M. Norton; Treasurer M. Wells; C. Potter, G. Deaton, H. Waller, P. Goss; Vice President T. Phillips.
