CAN YOU BELIEVE IT? I don't mean to sound trite, but school is starting up already! I say that not because I have school age children. I say that because as a commuter, I enjoy the shorter commute times. I'm sure all my fellow commuters are very aware of less "school" traffic during the summer months and shorter commute times; and with a growing population, it's only getting worse.

I know this time of year can bring more stress, with all the extra expense of school starting (not just at the pump). It becomes a great opportunity to see how the Lord will provide. The good thing about the longer commute time... you get to listen to Power88, WBHY or WLPR longer. 😊 All that time to help fill up your spiritual tank for the day. What a great way to have a better impact on the lives of people so they in turn be a blessing to others.

Always know your prayers and financial gifts are making a difference in people's lives. Thank you for being a difference maker. God's blessing on you.

In His Service & yours,

Todd Seeley
