Highlights from Letters to Power 88

- I am in the Navy and was home for the weekend. I was scanning stations on the radio last night and came across your program. It was the first time I heard it and I really enjoyed it. Keep up the good work and thanks for the inspiration.
- I just want to tell ya'll that I love Power 88! I love all the music that you play. I listen every morning on my way to work. My other favorite thing is Ken Davis with his lighten up. He makes me laugh no matter what kind of morning I am having! So I just want to say: Thank you so much!
- Your music and programs give me strength in the mornings. So there never is a "Monday" only a "Lord-day!"
