## Architecture & Construction Credentials

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Apprenticeship Drafter Certification	Certification that demonstrates an individual's proven knowledge of drafting concepts and internationally recognized standards and practices.	<a href="#">American Design Drafting Association</a>	50019

Autodesk Certified User	A certification that validates and highlights foundational Autodesk software skills and knowledge. Students can earn a certification in AutoCAD, Inventor, Fusion 360, Revit, Maya, or 3ds Max.	<a href="#">Certiport - Autodesk</a>	50018
Certified SolidWorks Associate (CSWA)	A certification intended to show that an individual is well-versed in both basic knowledge of engineering fundamentals, industry practices, and CAD software.	<a href="#">SolidWorks</a>	50007
OSHA 10 Hour Safety Certification—Construction Industry	OSHA certification that verifies an individual's completion of training related to common safety and health hazards associated with workplaces in the construction industry.	<a href="#">Career Safe</a>	50037

## Arts, A/V, Technology & Communications Credentials

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Adobe Certified Professional	Adobe specific certification that demonstrates mastery of Adobe Creative Cloud software and foundation knowledge for digital media careers.	<a href="#">Certiport - Adobe</a>	50002
Autodesk Certified User	A certification that validates and highlights foundational Autodesk software skills and knowledge. Arts, A/V, technology, and Communications students can earn a certification in Maya or 3ds Max.	<a href="#">Certiport - Autodesk</a>	50018
Certified HTML Developer	A credential that validates an understand of and proficiency in web development technologies, concepts, and methodologies related to the markup language HTML.	<a href="#">W3Schools</a>	50025
Certified JavaScript Developer	A credential that validates an understand of and proficiency in web development technologies, concepts, and methodologies related to the markup language JavaScript.	<a href="#">W3Schools</a>	50026
Cisco Certified Support Technician (CCST) Networking	Developed to show an individual has developed foundational knowledge and skills needed to show how networks operate, including the device, media, and protocols that enable network communication.	<a href="#">Cisco</a>	50011

## Business Management & Administration

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Concepts of Business Management (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by business professionals. Topics assessed cover a wide variety of concepts related to business operations and management.	<a href="#">MBA Research - A*S*K* Institute</a>	50014
Concepts of Entrepreneurship (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by entrepreneurial professionals. Topics assessed cover a wide variety of concepts related to entrepreneurship.	<a href="#">MBA Research - A*S*K* Institute</a>	50041

Concepts of Finance (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by professionals in the finance field. Topics assessed cover a wide variety of concepts related to business and finance.	<a href="#">MBA Research - A*S*K* Institute</a>	50015
Entrepreneurship & Small Business (ESB) Certificate	Certification validating proficiency in key concepts related to entrepreneurship and small business management.	<a href="#">Certiport – Intuit and the Network for Teaching Entrepreneurship</a>	50021
Fundamental Business Concepts (A*S*K*)	A credential that demonstrated understanding of fundamental skills and requisite knowledge needed by all business professionals for continued employment.	<a href="#">MBA Research - A*S*K* Institute</a>	50023
Fundamental Marketing Concepts (A*S*K*)	A credential that demonstrated understanding of fundamental skills and requisite knowledge needed by all marketing professionals for continued employment.	<a href="#">MBA Research - A*S*K* Institute</a>	50024
Microsoft 365 Certified - Fundamentals	A nationally recognized credential that demonstrates an individual's proficiency in the use and operation of the cloud-based Microsoft 365 suite of products.	<a href="#">Certiport - Microsoft</a>	50031
Microsoft Office Specialist - Expert	A nationally recognized credential that demonstrates an individual's advanced skills and knowledge related to a suite of Microsoft office productions. Students must have already earned the Microsoft Office Specialist: Association credential before applying.	<a href="#">Certiport - Microsoft</a>	50030

## Education & Training

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Certified Paraprofessional	A credential that shows an individual has the skills and knowledge to provide instructional support or assistance in a K-12 classroom.	<a href="#">ETS - Praxis</a>	50006
Child Development Associate (CDA)	A nationally recognized early childhood professional credential that demonstrates a person's ability to nurture youth children's physical, social, emotional, and intellectual growth. It is	<a href="#">Council for Professional Recognition</a>  <a href="#">South Dakota Department of Social Services</a>	50009
Out of School Time (OST)	A credential that demonstrates a person's ability to nurture school-age children's physical, social, emotional and intellectual growth.	<a href="#">South Dakota Early Childhood Enrichment</a>	50061

## Finance

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
-----------------	------------------------	--------------------------------	--------------

Concepts of Business Management (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by business professionals. Topics assessed cover a wide variety of concepts related to business operations and management.	<a href="#"><u>MBA Research - A*S*K* Institute</u></a>	50014
Concepts of Entrepreneurship (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by entrepreneurial professionals. Topics assessed cover a wide variety of concepts related to entrepreneurship.	<a href="#"><u>MBA Research - A*S*K* Institute</u></a>	50041
Concepts of Finance (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by professionals in the finance field. Topics assessed cover a wide variety of concepts related to business and finance.	<a href="#"><u>MBA Research - A*S*K* Institute</u></a>	50015
Entrepreneurship & Small Business (ESB)	Certification validating proficiency in key concepts related to entrepreneurship and small business management.	<a href="#"><u>Certiport – Intuit and the Network for Teaching Entrepreneurship</u></a>	50021

Mental Health First Aid	This credential address mental health of teens and understanding the stigmas related to mental health crisis.	<a href="#">Mental Health First Aid</a>	50068
ServSafe Food Manager	A certification for managers or supervisors in food related industries that validates their understanding of preventing foodborne illness, food safety, and responsible food handling procedures.	<a href="#">ServSafe – National Restaurant Association</a>	50045

## Information Technology

Credential Name	Credential Description	Issuing Organization & Details	
Adobe Certified Professional	Certification that demonstrates mastery of Adobe Creative Cloud software and foundation knowledge for digital media careers.	<a href="#">Certiport - Adobe</a>	50002
Certified HTML Developer	A credential that validates an understand of and proficiency in web development technologies, concepts, and methodologies related to the markup language HTML.	<a href="#">W3Schools</a>	50025
Certified JavaScript Developer	A credential that validates an understand of and proficiency in web development technologies, concepts, and methodologies related to the markup language JavaScript.	<a href="#">W3Schools</a>	50026
Cisco Certified Support Technician (CCST) Cybersecurity	Developed to show an individual has developed the proficient skills and knowledge of key concepts and topics including cybersecurity and security principles, network security and endpoint security, vulnerability assessment, risk management, and incident handling.	<a href="#">Cisco</a>	50010
Cisco Certified Support Technician (CCST) Networking	Developed to show an individual has developed foundational knowledge and skills needed to show how networks operate, including the	<a href="#">Cisco</a>	50011

	device, media, and protocols that enable network communication.		
CompTIA A+	A certificate validating foundational understanding of fundamental computer and computing technologies, networking knowledge, and practical and hands-on skills required for IT and technical support roles.	<a href="#">CompTIA</a>	50001
CompTIA Network +	A certificate validating an individual has the skills and knowledge to manage, implement, secure, provide troubleshooting for, and provide basic operations to organizational networks.	<a href="#">CompTIA</a>	50013
CompTIA ITF+	A credential that demonstrates an individual has developed foundational information technology knowledge and skills in topics related to infrastructure, applications and software, software development, database fundamentals, and security.	<a href="#">CompTIA</a>	50032
CompTIA Security +	A globally recognized certification that validates the baseline skills necessary to perform core security functions and pursue an information technology security career.	<a href="#">CompTIA</a>	50033
CTech – Telecommunications Technologies	Certificate achieved through competing the C-Tech Telecommunications Technology program which includes an understanding of connectivity methodology, history, theory, and basic transmission communications.	<a href="#">CTech Associations, Inc.</a>	50016
CTech – Network Cabling Specialist	Certificate achieved through competing the C-Tech Network Cabling: Fiber Optics-Based Systems program which includes an understanding of cabling, installation, construction, troubleshooting, and work-based simulations related to cabling technologies.	<a href="#">CTech Associations, Inc.</a>	50017
Google Cloud – Foundational Certification	A certification that validates broad knowledge of cloud concepts, and products, services, tools, features, benefits, and use cases of Google Cloud.	<a href="#">Google</a>	50052
Microsoft 365 Certified - Fundamentals	A nationally recognized credential that demonstrates an individual's proficiency in the use and operation of the cloud-based Microsoft 365 suite of products.	<a href="#">Certiport - Microsoft</a>	50031
Microsoft Office Specialist - Expert	A nationally recognized credential that demonstrates an individual's advanced skills and knowledge related to a suite of Microsoft office productions. Students must have already earned the Microsoft Office Specialist: Association credential before applying.	<a href="#">Certiport - Microsoft</a>	50030
PCEP™ – Certified Entry-Level Python Programmer	A professional credential measuring an individual's ability to accomplish coding tasks related to the essentials of programming in the Python language.	<a href="#">Python Institute</a>	50034
Microsoft Azure AI	This certification will demonstrate the fundamental AI concepts related to the development of software and services of Microsoft Azure to create AI solutions.	<a href="#">Microsoft Learn</a>	50072

Google Cloud Certificate	A certificate that validates broad knowledge of cloud concepts and products, services, and features of Google Cloud.	<a href="#">Google Cloud</a>	50052
Google AI Essentials	A credential that shows an individual's knowledge in data analytics and cybersecurity along with the benefit of AI tools.	<a href="#">Google Cloud</a>	50073
Grow with Google Certifications	There are numerous certificate options including: digital marketing and E-commerce; business intelligence' IT support; IT automation with Python; UX design; cybersecurity; advanced data analytics and project management.	<a href="#">South Dakota Department of Labor</a>	50063

## Law, Public Safety & Security

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Emergency Medical Technician (EMT) - Basic	A professional level, national recognized credential for professionals working in the field of emergency medical services (EMS). Certification and licensure are required for individuals working as an emergency medical technician in South Dakota.	<a href="#">South Dakota Department of Health</a> <a href="#">National Registry of EMT</a>	50020

## Manufacturing

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Apprenticeship Drafter Certification	Certification that demonstrates an individual's proven knowledge of drafting concepts and internationally recognized standards and practices.	<a href="#">American Design Drafting Association</a>	50019
Autodesk Certified User	A certification that validates and highlights foundational Autodesk software skills and knowledge. Students can earn a certification in AutoCAD, Inventor, Fusion 360, Revit, Maya, or 3ds Max.	<a href="#">Certiport - Autodesk</a>	80018
Certified SolidWorks Associate (CSWA)	A certification intended to show that an individual is well-versed in both basic knowledge of engineering fundamentals, industry practices, and CAD software.	<a href="#">SolidWorks</a>	80007
Certified Welder (AWS)	AWS certificates validate an individual's specific skills and abilities and understanding of the principles and processes of welding.	<a href="#">American Welding Society</a>	50008
OSHA 10 Hour Safety Certification—Construction Industry	OSHA certification that verifies an individual's completion of training related to common safety and health hazards associated with workplaces in the construction industry.	<a href="#">Career Safe</a>	50037

## Marketing, Sales & Service

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Concepts of Business Management (A*S*K*)	A credential that demonstrates understanding of key skills and concepts needed by business professionals. Topics assessed cover a wide variety of concepts related to business operations and management.	<a href="#">MBA Research - A*S*K* Institute</a>	50014
Fundamental Business Concepts (A*S*K*)	A credential that demonstrated understanding of fundamental skills and requisite knowledge needed by all business professionals for continued employment.	<a href="#">MBA Research - A*S*K* Institute</a>	50023
Fundamental Marketing Concepts (A*S*K*)	A credential that demonstrated understanding of fundamental skills and requisite knowledge needed by all marketing professionals for continued employment.	<a href="#">MBA Research - A*S*K* Institute</a>	50024
Microsoft 365 Certified - Fundamentals	A nationally recognized credential that demonstrates an individual's proficiency in the use and operation of the cloud-based Microsoft 365 suite of products.	<a href="#">Certiport - Microsoft</a>	50031
Microsoft Office Specialist - Expert	A nationally recognized credential that demonstrates an individual's advanced skills and knowledge related to a suite of Microsoft office productions. Students must have already earned the Microsoft Office Specialist: Association credential before applying.	<a href="#">Certiport - Microsoft</a>	50030

## Science, Technology, Engineering & Math (STEM)

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
Apprenticeship Drafter Certification	Certification that demonstrates an individual's proven knowledge of drafting concepts and internationally recognized standards and practices.	<a href="#">American Design Drafting Association</a>	50019
Autodesk Certified User	A certification that validates and highlights foundational Autodesk software skills and knowledge. Students can earn a certification in AutoCAD, Inventor, Fusion 360, Revit, Maya, or 3ds Max..	<a href="#">Certiport - Autodesk</a>	50018
Certified SolidWorks Associate (CSWA)	A certification intended to show that an individual is well-versed in both basic knowledge of engineering fundamentals, industry practices, and CAD software.	<a href="#">SolidWorks</a>	50007
FAA Pilot's License	This certification allows for a person to fly a drone for recreational use.	<a href="#">Pilot Institute</a>	50074

## Transportation, Distribution & Logistics

Credential Name	Credential Description	Issuing Organization & Details	Course Codes
ASE Entry-Level Certification	ASE Entry-level certification indicates a practical level of knowledge-based readiness for the workforce for individuals seeking a career in the automotive service industry. ASE Entry-level tests are available for Automotive, Collision Repair/Refinish and M/H Truck Segments.	<a href="#"><u>National Institute for Automotive Service Excellence</u></a>	50003
Commercial Driver's License (CDL)	A commercial driver's license (CDL) indicates a person has obtained training and passed coursework to operate specialized motor vehicles in South Dakota.	<a href="#"><u>South Dakota Department of Public Safety</u></a>	50059
