

SGSC PARENT NEWSLETTER

SEPTEMBER 5TH-8TH, 2023

FROM THE PRINCIPAL

Hello Everyone,

We are excited to see all of our Aggie Achievers tomorrow on 9/5/23! We hope you all were able to enjoy your child(ren) an extra day this week. We will be ready for them all to return on Tuesday and pick up where we left off - with the best instructional practices around!

Parents - I need your help! It is sad to see that we have Achievers damaging our school property. We have had items such as toilets, Chromebooks, bathroom doors, and towel dispensers broken. I intend to crack down on these offenders. There will be automatic suspensions and payment due for items damaged as we move forward. Please support our efforts by speaking with your child about the importance of school pride. Thanks for your help with this!

We are having so many Achievers that are being checked out early throughout the week - especially on Fridays. Please remember - EARLY CHECKOUTS ARE DISCOURAGED AFTER 2:30 PM. Early checkouts after 2:30 PM are discouraged due to ongoing instructional practices that include remedial and acceleration opportunities for Achievers. In addition, students are also transitioning to various areas to prepare for dismissal. Please remember that unexcused 5 unexcused tardies and early checkouts will be counted as an absence as well. Although early checkouts are discouraged, we do realize that extenuating circumstances such as doctor's appointments and family emergencies will occur. We will make every effort to accommodate, but **please do not come to check your child out to simply avoid waiting in the car rider line.**

If you need a change in transportation, you must provide this IN WRITING. This can be through a note sent to school with your child or you can email transportation@sowegastemcharter.org to request the change. These requests should be in place no later than 1:30 pm on the day of the request.

Cell phones are not allowed to be used at school. They must remain in your child's backpack or bag. Please see information below. On the buses, your child may use his/her cell phone if they follow these rules: No pictures or videos should be made on the bus, no pictures or videos should be uploaded to social media on the bus, no loud noises from phones - must have ear buds or headphones. IF our Achievers can follow those rules, cell phones will be permitted on the bus. IF our Achievers cannot follow those rules, we will not allow cell phones on the bus. So, please encourage your child to follow the bus rules regarding cell phone usage. Thank you!

Attendance - We are beginning our new attendance policy this year. The basics from this policy are as follows:

- 5 unexcused absences - you will receive a letter and attend a conference about attendance
- 7 unexcused absences - you will receive a letter with a reminder that your child can only miss 3 more days before he/she may be withdrawn from the school
- 10 unexcused absences - your child may be withdrawn from Southwest Georgia STEM Charter School

Reminders:

- If your child is absent, he/she will have 3 days to bring in their excuse after returning to school
- You may write up to 3 parent notes during the school year
- Your child will have 3 days to make up any missing assignments while he/she was absent from school

RECOGNIZE YOUR CHILD'S TEACHER(S): If you or your child would like to SHOUT OUT any staff member, please feel free by using the link: <https://forms.gle/BxUiUi5vjRDb92sj9>. It is important that we recognize those staff members that are such an important part of your child's life - it makes them feel special as well!

Parents - I want you all to know that we value your ideas and thoughts at SGSC. If you, at any time, feel that you could provide information or ideas about ways to improve SGSC, please click here - <https://forms.gle/JiFECdiizhqZYSdj9> - and share. We may not be able to do everything that is recommended, but know that we will be open and listen. Thanks!

Below, I have included an image of our adopted Vision and Mission Statements for SGSC. We are so excited to be able to work with you all to accomplish both the vision and mission for our school!

As always, if you have any questions or concerns, please feel free to send me an email at galmon@sowegastemcharter.org.

Sincerely,
Ginger Almon

FROM DR. SMITH...

September is School Attendance Awareness Month!!

School attendance is a powerful predictor of student outcomes. In fact, irregular attendance can be a better predictor of whether students will drop out of school before graduation than test scores, according to the US Department of Education. When children are absent from school, they miss out on consistent instruction that is needed to develop basic skills.

Children in early grades are particularly susceptible to falling behind in fundamental reading skills, which can have a snowball effect that impacts future learning.

Poor attendance can also have a negative effect on social and emotional development. For example, students who are chronically absent in the early years of their education may not learn crucial school readiness skills (abilities such as critical thinking, problem solving, and creative thinking), and can fall behind their peers in social-emotional development. Excessive absences are also associated with lower scores on standardized tests, which typically assess primary skills and concepts.

While students pay the highest cost if they miss too much school, high absence rates also put a burden on teachers. Making up for lost instruction adds to their workload, and the valuable classroom time it takes up is a detriment to all students.

This year SGSC wants to make it our goal for our school wide attendance rate to be at least 97%. Please join us in helping us reach our goal by ensuring that your child comes to school on time every day. Let's make sure our Aggie Achievers attend today, so that they can Achieve tomorrow.

ATTEND TODAY, ACHIEVE TOMORROW

GOOD SCHOOL ATTENDANCE MEANS...

PRESCHOOLERS
Build skills and develop good habits for showing up on time

ELEMENTARY STUDENTS
Read well by the end of third grade

MIDDLE AND HIGH SCHOOLERS
Stay on track for graduation

COLLEGE STUDENTS
Earn their degrees

WORKERS
Succeed in their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.
