Veteran's High School
340 Piney Grove Road
Kathleen, GA, 31047
(478) 210-8225

3 May 2023

Congratulations on your decision to enroll in Veterans High School Air Force Junior Reserve Officer Training Corps! You are about to embark on a journey, one that some of the world's most renowned leaders have taken. Former Chairman Joint Chiefs of Staff and Secretary of State General Colin Powell and the founder of the corporate retail giant, Wal-Mart, Sam Walton were both JROTC cadets.

As a first-year cadet you will spend much of your time learning about the organization of AFJROTC, military traditions, citizenship, the U.S. government, wellness, health, fitness, and how to exercise self-control. A big part of AFJROTC is learning how to properly and proudly wear the same uniform that active-duty Air Force members wear. You will also learn how to salute properly, recognize rank, and use military titles. Discipline, including drill, and respect are vital parts of the Air Force and AFJROTC, these attributes are covered in depth.

To get you a jumpstart in AFJROTC at Veterans High School, we will offer a **Drill Camp** the first week of summer. This year's Drill Camp training will take place from the **31st of May to the 2nd of June, Wednesday through Friday, from 8:30 A.M. to 12:00 P.M.** **New Cadet Orientation Training (NCOT)** also known as "**Green Bean**" during the month of July. This year's training will take place from the **17th to the 21st of July, Monday through Friday from 8:30 A.M. to 12:00 P.M.** Parents are encouraged to attend the graduation ceremony on Friday, 21 July at 11:30 A.M. in the school auditorium. Upon completion of NCOT, you will earn promotion to the permanent rank of Cadet Airman, a rank usually not attained until the completion of the first semester in the program.

Again, congratulations on your choice to become a part of one of the best AFJROTC units in the nation and we look forward to working with you both at NCOT and during the upcoming school year. Cadets attending any of our camps need to complete both sides of the enclosed registration form by using the following QC code:

We look forward to working with you and hope that your AFJROTC experience is a great one!

JESSICA CHAPMAN, Lt Col (Ret), US
Senior Aerospace Science Instructor
