# Field Trip & Fund Raising Policy

Approved: December 21, 2023

## **FIELD TRIP & FUNDRAISING POLICY 2023-2024**

**A. Mission Statement:**

All field trips will be a supplemental activity to enhance and enlighten students - learning state standards related to concepts.

**B. Definition:**

An educational field study is recognized as an extension of the school curriculum or an enrichment experience that occurs outside the regular school environment. An extracurricular field study is any activity not directly related to the school curriculum or is not an enrichment experience, but which is a school-sponsored activity.

**C. Application:**

This policy shall apply to all educational extracurricular field studies, except for those involving activities sanctioned by Naatsis' Aan Community School which, unless otherwise specifically noted, shall only be regulated by this policy. Such activities shall also be conducted under the rules adopted by the NCS Governing Board.

**D. Student Eligibility for Field Trips.** For students to be eligible for participation in sports, field trips, and any activities, they must be of good standard academically. Refer to Parent/Student Handbook: Article XV. Code of Conduct/Discipline/Consequences, And, Article XVI. Levels of Misconduct and Consequences.

\* **Students who enrolled after February 1 will not be eligible for any field trips.**

**E. Type of Student Fields/Studies and Sports/Club participation:** Naatsis'Aan Community School will support team competition for athletic sports seasonally, club competition and recognition, and quarterly incentive student field trips and studies throughout the academic school year. The type of designated field trips will be as follows:

- 1. Competitive Sports Trips:** Competitive sports trips for cross country, volleyball, varsity, and JV girls' and boys' basketball and the chess club. Each sports schedule will be reviewed by the Athletic Director, coaches, and principal to determine the number of away and home games and assess closely those tournaments that will be selected as weekend sports activities before the season. Such arrangements will be supported by coaches, student-athletes, and parents to register adequate participation to gauge individual and team success for each sport. All state finals and final competitions will be planned properly by coaches, students, parents, and principals objectively.
- 2. Competitive Cultural Trips:** Competitive cultural and performing arts activities for group and individual participation for individual and group competition on song and dance presentation, multiple native artistic song, and dance categories, and Dine song and dance competition and presentation. Regional competition will be emphasized for adequate participation throughout the school year. Such activities will include Dine song and dance competitions, multiple plain Indian song and dance competitions, and designated traditional and modernistic presentations to

attain multiple levels of skills in artistic expression, confidence, self-confidence, positive self-esteem, and pride for traditional Dine culture activities. At the same time, regional pow-wows and gatherings will be encouraged for individual and group participation. However, any nonobjective presentations such as large pow-wows and gatherings out of state or region will be guarded closely by all sponsors, students, and parents since such outing is the responsibility of parents.

3. **Educational field trips for multiple grades:** No grade will be isolated individually since group clustering will be recommended for all grades. Teachers will be permitted to plan and prioritize designated field trips/studies during the school year and not register valid field trips/studies at the end of a regular school year. Thereby, educational, field trips/studies will be implemented during the first three quarters objectively. These educational field trips will require certified personnel. Educational trips will be one to three days provided sufficient funding is available. Each class will continue to fundraise, but the level of fundraising will be gauged according to designation points, activities, and time outings for each designated trip. Any additional activities not associated with the educational purpose of the intended trip must be fundraised (bowling, movies, entertainment, theme park admissions, etc.). ISEP funds may match funds.
4. **Kindergarten - 4<sup>th</sup> Grade Field Trip:** The Kindergarten - 4<sup>th</sup> Grades will fundraise for their annual field trip. Each class will continue to fundraise, but the level of fundraising will be gauged according to designation points, activities, and time outings for each designated trip.
5. **5<sup>th</sup> - 8<sup>th</sup> Grade Field Trip:** The 5<sup>th</sup> - 8<sup>th</sup> grade classes will fundraise for their annual field trip. Each class will continue to fundraise, but the level of fundraising will be gauged according to designation points, activities, and time outings for each designated trip.
6. **Designated Bilingual/Culture, GATE & and SPED field trips:** Appropriate fundraising will be implemented by the GATE and SPED programs to meet prescribed IEP goals and other pertinent needs for special students objectively.
7. **Residential student field trips/studies:** The Residential Program will align with the educational and incentive field trips/studies throughout the school year objectively.

**E. Administration Approval:**

1. Any plans for proposed field trips shall be tentative until proper preliminary plans are disclosed and shared with the principal or designee early in the school year.
2. Before approving an educational or extracurricular field trip/study, the principal or designee shall evaluate the educational benefits for the students and any relevant health and safety factors.
3. Requests must be submitted to the principal by the field trip/study sponsor for approval at least **three (3) months** before the intended date of the trip. The principal shall have the authority to waive requirements where transportation will

not be required from the school transportation services department. All requests must include the following information:

- a. Purpose of the field trip/study
- b. Applicable field trip goal
- c. Statement ensuring that all eligible students have been allowed to participate.
- d. Itinerary of field trip/study
- e. Expenditure sheet for lodging, meals, fees, etc

**B.** Principal recommendations and the Governing Board's approval on the completed field trip packet for each class.

**C.** Provide a summative field trip/study report to the Governing Board.

**L. Teacher Preparation**

Student safety will be a primary consideration.

1. Teachers / Sponsors will plan for their grade level for any standard-based educational field trip. They will make all lesson plans, activities, and arrangements, and contact necessary vendors for the trip.
2. Teachers / Sponsors will review the educational value of the trip with the Principal and receive the Principal's approval before making arrangements. The field trip will be approved before plans are made with the Principal.
3. A resolution of the field trip will be presented for approval to the Governing Board. Attached will include the Field Trip Packet. *See the exhibit "A"*.
4. In the event of an emergency, the teacher is responsible for notifying the Principal or designee by telephone as soon as possible. Incident reporting forms and procedures will be required for each trip.
5. Teachers/Sponsors will provide the parents and guardians with information concerning the purpose and destination of the trip, date, and time of departure, estimated time of return, and detailed itinerary when the field trip will extend beyond the regular school day.

6. Teachers/Sponsors will review acceptable standards of conduct with students in advance of the trip. The teacher has primary responsibility for the conduct of students and may recommend that a student be excluded from the trip. Those students who cannot be self-controlled or teacher-controlled may be excluded from field trips.
7. The teacher will be responsible for providing proper arranging and appropriate educational experience and supervising students being left behind.
8. Teachers/Sponsors must provide the bus driver and the front office with an itinerary, emergency contacts, and a map with directions before departure.

**M. Chaperones:** Ratio: Kdg. – 4<sup>th</sup> Grade: 5 to 1  
5<sup>th</sup> - 8<sup>th</sup> Grade: 7 to 1

1. Parent volunteers shall be considered first for seeking chaperones for class field trips. That includes employees who are parents/guardians.
2. Should the chaperone be a staff member at NCS, the staff will be required to take leave when chaperoning a class field trip. Unless the staff member is the class or activity sponsor or has been assigned by the principal.
3. Chaperones may not stay in the same motel/hotel room as the student(s) unless the student(s) are their child/children or a child/children for whom they have guardianship.
