

## **SPEECH LANGUAGE PATHOLOGIST (SLP)**

Salary: Teacher Pay Scale (negotiable)

Responsibilities:

- Consult and collaborate with School staff and families in regards to students' speech and language deficits
- Conduct initial screenings as well as comprehensive evaluations in the area of speech and language to determine students' need for services or need of dismissal from services
- Participate in the IEP process in developing present levels of performance, goals and objectives, and treatment recommendations for students qualifying for speech therapy services
- Provide speech therapy sessions through the use of current best practices based on prescribed services in the IEP
- Maintain all documentation required by the district and ASHA's code of ethics including, but not limited to, daily notes, monthly summaries, and annual IEP's

The minimum qualifications for a Speech Pathologist:

- 1 year of verifiable, professional experience as an SLP (Speech Language Pathologist) within the last 3 years (may include residency or clinical practicum)
- Valid SLP license or in process in the state of practice (state of Texas)
- ASHA CCC's
- Pass a background check within school district
- Employees must be legally authorized to work in the United States and will be asked for proof upon hire. We are unable to sponsor or take over sponsorship of an employment Visa at this time.

You will have the opportunity to apply your unique experience and expertise to school-based special education as your singular focus.
