

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to the goals of the school improvement plan
- Focus on student learning
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, or participate in the classroom

Jointly Developed

The parents, students, and staff of East Fannin Elementary School developed this School-Parent Compact for Achievement. Meetings are held each year to review the compact and make changes based on students' needs.

Parents are welcome to contribute comments at any time.

If you would like to provide feedback, volunteer, participate, and/or observe in a classroom, please contact: Parent Liaison, Robin Stephens, at (706) 374-6418, visit our website at www.efes.fannin.k12.ga.us, or contact us on Facebook.

Teachers, Parents, and Students Together for Success

East Fannin Staff

East Fannin Elementary School will work with students and their families to support students' success in math, reading, and climate and culture. Some of our key connections with families will be to:

- Provide frequent home to school connections in each grade level that give students an opportunity to practice what is being learned in class. (i.e. math facts, high frequency words, Google Classroom, web based programs, and class or grade level newsletters).
- Provide individualized interventions and whole child support through SEL initiatives for students that are not performing at expectation in academic areas and/or behavior.
- Plan and host after school events that provide students, parents, and teachers an opportunity to have fun, learn, and build community, which supports our goal of having our students at school every day.
- Provide training for parents to help build their comfort with grade level content and strategies to support learning at home.

At Home

East Fannin Elementary School parents joined staff to develop ideas about how families can support students' success in math, reading, and climate and culture. Families may have other ideas to add to this list which includes:

- ❖ Attend workshops or events at least one time during the year to help my child succeed in school.
- ❖ Use resources provided by East Fannin at least 2 times per week to support math skills.
- ❖ Read with my child each night.
- ❖ Send in notes or doctor's excuses every time my child is absent and make sure that he/she is in school every day possible.
- ❖ Support positive behavior by checking ClassDojo and reinforcing PBIS expectations.

East Fannin Students

East Fannin students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math, reading, and attendance. Students thought of the following ideas to make connections between learning at home and school:

- ❖ Be responsible for using both print and digital math resources to reinforce skills learned at school.
- ❖ Be responsible in taking reading materials to and from school to read with your parent and/or family members.
- ❖ Attend school daily, be on time, and be ready to participate in class. If you are tardy be sure and check in at the office for a slip.
- ❖ Complete classwork and homework daily and ask for help when needed.
- ❖ Take communication to and from school and be responsible for giving it to a parent/guardian.
