City of Seaside

SAFE ROUTES TO SCHOOL PLAN WALK AUDIT & INTERACTIVE ONLINE MAP

How does your student get to school?

With planning assistance from the Oregon Department of Transportation, the City of Seaside is working to create a Safe Routes to School (SRTS) Plan for Pacific Ridge Elementary and Seaside Middle/High School. This is an opportunity to make our streets safer and more comfortable for students and families to walk and bike.

There are two ways to participate!

1) JOIN US FOR A WALK AUDIT!

NOVEMBER 17TH, 2021 7:15AM

The City of Seaside will be hosting a socially-distant community walk audit to observe student arrival and document the walking and biking conditions around the school area. We will be identifying barriers to safe walking and biking, as well as potential improvements. Please meet at the bike rack at Pacific Ridge Elementary.

Please note that masks are required for participation.

2) SHARE FEEDBACK USING OUR INTERACTIVE ONLINE MAP!
