Subscribed and sworn to this 2 Los day of June, 1919.

My commission expires Dec 30 1922 (Signed) Mrs W. H. Kuhan READ THESE NOTES.

1. Consult Instruction Form 45 "How to take the School Census."

2. If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerks of the several townships in which the district is in part situated, giving the number of children we years of age and under twenty years residing in that part of the district lying within their respective townships. If possible make your a part of the clerks of the several townships in which the district is in part situated, giving the number of children we years residing in that part of the district lying within their respective townships. If possible make your and the support of the clerks of the children with the district of the district lying within their respective townships. If possible make your commissioner.

3. There is not space on this page sufficient to contain the names of all the children in the district during the blanks 2a, provided for this purpose. If these blanks have not been furnished you, apply to your commissioner.

4. The ages of the children must be given as they are on May 31, 1919. If a child removes from the district during the fifteen days preceding June 1, he should be carrolled in the district in which he is resident May 31, 1919. The total must agree with items 2a and 2b front of blank.
