

# IMPORTANT CHANGES FOR 2022-2023

During COVID-19, federal USDA waivers allowed school districts to provide meals at no cost to students. As of June 30, 2022, the federal waiver to provide meals at no cost has expired. If families do not qualify for free meals, they can expect to resume paying full or reduced price for school meals.

All families will need to complete a free/reduced meal application for the 2022-2023 school year. Online applications are available on our new Point of Sale software at [family.titank12.com](https://family.titank12.com). Paper applications will also be available at each school. These applications will be sent home with your student(s) at the start of the school year.

We will continue to communicate any changes that may occur with school meals for the upcoming school year. Updates will be posted to [www.coffeecountyschools.org](https://www.coffeecountyschools.org) under the Child Nutrition tab. If you have any specific questions or needs, please contact Betsy Wood at [woodb@coffeecounty.k12.al.us](mailto:woodb@coffeecounty.k12.al.us) or at (334) 897-5016.
