Shirley Chisholm was the first African American woman elected to the House of Representatives. She was elected in 1968 and represented the state of New York. Before her work as a politician, she had been a nursery schoolteacher and earned a master's degree in early childhood education. In 1972, she became the first major party African American presidential candidate and simultaneously the first female candidate for president of the United States. Ms. Chisholm experienced significant discrimination in her quest to earn the 1972 Democratic Party presidential nomination. She was blocked from participating in televised primary debates, and after taking legal action, was permitted to make just one speech. Much of the discrimination that she faced was due to the fact that she was a female politician. Her motto and title of her autobiography-Unbought and Unbossed-illustrates her outspoken advocacy for women and minorities during her seven terms in the U.S. House of Representatives.

SPORTS ACTION

Boys Bowling: MHS 10 vs Grand Blanc 20. The match started in Chemics favor for Baker games 175, 143, Grand Blanc 133, 148. Team games Chemics 774, 819 losing to Grand Blanc 873, 923. Leading the Chemics was Evan Daly with a 217 game. That concludes SVL team portion with Chemics 8-4 finishing 4th place. Singles event will take place on Thursday at Alert Lanes.

Boys JV Basketball: MHS wins, 50-38. Chemics full-court man-to-man pressure in the second half forced key turnovers and proved to be the difference in the game. In a back-and-forth battle, Chemics gained momentum with a late push and never looked back. With the win, they now set their sights on a road matchup against Powers on Tuesday.

Boys Varsity Basketball: The Chemics suffered another tough defeat Monday night, falling 56-54 to Bridgeport in a nail-biting contest. Despite a strong effort, the Chemics were plagued by turnovers and struggled to handle the Bearcats' pressure defense, which resulted in easy transition points for Bridgeport throughout the game. The Chemics attempted to counter the Bearcats' relentless attack by switching up their defensive schemes, but nothing seemed to slow down the Bridgeport offense. In the end, the turnovers proved costly, with the Bearcats capitalizing on nearly every mistake. Leading the way for the Chemics in scoring were Jacoby Lind with 13 points, Noah Wall contributing 11, Bennett Smith adding 10, Liam Heinz with 9, and Matt Swanson chipping in 7. Despite their individual efforts, the Chemics couldn't quite keep pace with the Bearcats down the stretch. Looking to bounce back, the Chemics will be on the road Tuesday, taking on Flint Powers in their next matchup.

Hockey: Chemic hockey travelled to Flint and beat Fenton 10-2. Jack Waskevich got the win in net. Scoring for Midland were Lucas Mankoff with 3 goals, Cade Sanborn, Henry Stone, Rusty Boyle, Charlie Stone, Cade Doud, Matt Grillo, and Cayen Nieto each scored single goals. The Chemics are on the road this week against Flint Powers and return home Saturday at 230 to play Grand Rapids Christian.

Figure Skating: Midland Area figure skaters win district meet.
