August 2023

Dear Liberty Center Middle School Families,

Hello! My name is Alexandra Geahlen and I am the new school counselor at Liberty Center Middle School. I am looking forward to a fun and educational year with your student(s)! I have heard incredible things about Liberty Center schools and the community, and I feel very fortunate to be a part of it!

As a school counselor, I am responsible for providing student services geared toward their academic, social/emotional, and career success. These services are provided through classroom guidance lessons, small group counseling, individual counseling sessions, and other school initiatives. Classroom guidance lessons include initiatives like Yellow Ribbon Week and Electronic Responsibility, and focus on developmentally appropriate, school related, and preventative topics. Small groups will form based on student need and are aimed to serve students who are experiencing similar concerns, like making and keeping friends, coping with loss or grief, or staying organized and successful academically. Both staff and family members can refer students to group counseling. Finally, individual counseling is provided for students who need short-term one-on-one counseling support. Please be aware that school counselors cannot provide long-term counseling or diagnoses. Parents and staff can refer a student, or they may be self-referred. If you have any questions or concerns about your student, please do not hesitate to reach out to me.

Thank you for letting me be a part of your student's middle school experience! I look forward to meeting you and your child soon.

Sincerely yours,
Alexandra Geahlen
School Counselor
