Dear Fannin Family,

As we begin our second full week of the 2023-2024 I want to take a minute to reflect on all you have accomplished in this short amount of time. In two weeks' time, you prepared for the students' return, fellowshiped and supported each other, hosted Open House, participated in trainings, survived two inclement weather days, cared for kids, all the while continuing to plan for the future. This has all been achieved through a spirit of love and compassion which is evident when you walk the hallways of our schools.

Your hard work and dedication to the students of Fannin County and this community are commendable. This has been a great start to what will be an amazing year. Each of you are appreciated.

We are Fannin,

Shannon Dillard-Miller
Superintendent
