

Stewart County Schools  
Over the Counter Medications

Attention Parents:

During the school year, it may be necessary for your child to be given over-the-counter medication for minor illnesses such as: headache, a stomach ache, etc. To avoid contacting you each time your child needs medication, please check the medications that your child may be given at school. However, due to COVID concerns, you will be notified if your child has a fever or becomes ill at school.
