850-681-2111

Services: Our shelters offer a safe place for adults and families at risk of domestic violence, sexual assault or prostitution, who have no other safe housing option. While in shelter, residents are provided with emergency foods, linens, clothing and other needed personal items. Staff members are here to help you meet your goals for housing, jobs, family support and any other "next steps" you have in mind. Special activities are designed to help children begin the process of recovering from violence as well. We plan on a 45-day stay for shelter residents.

UNITED WAY FUNDED PROGRAMS SERVING GADSDEN COUNTY

2-1-1 BIG BEND INC- Helpline 2-1-1 Gadsden County

Helpline 2-1-1 was created in 1970 at FSU but at that time it was called Telephone Counseling Service. It incorporated in 1976 as a nonprofit agency and expanded services to include community information and referral for the eight county Big Bend area. In 2002 the agency changed its name to 2-1-1 Big Bend after the three-digit number "2-1-1" was designated by the FCC for community information and referral purposes. New services have been added to the program including: Help Me Grow (HMG) - services that target children eight and younger at-risk for developmental or behavioral challenges; National Suicide Prevention Lifeline - services that provide mental health and suicide prevention; MyFLVet / Veteran Support Line - services. Other services: FL HIV/AIDS Hotline, Family Health Line, After-hours 2-1-1 services in FL Panhandle. Mission: to provide assessment, emotional support, crisis assistance, education, training, and referrals with accurate, up-to-date resource information.

AMERICAN NATIONAL RED CROSS - Disaster Services-Gadsden **850-878-6080**
https://www.redcross.org/local/florida/north-florida/about-us/locations/capital-area.html?CID=organic_gmb_listings

Capital Area Red Cross received our Charter on May 16, 1917.

The American Red Cross, through its strong network of volunteers, donors and partners, is always there in times of need. We aspire to turn compassion into action so that

all people affected by disaster receive care,
shelter and hope; our community is ready
and prepared for disasters;

all members of our armed services and their families find support and comfort whenever
needed; and

in an emergency, there are always trained individuals nearby, ready to use their Red Cross
skills to save lives.

Our mission: The American Red Cross prevents and alleviates human suffering in the face of
emergencies by mobilizing the power of volunteers and the generosity of donors.

AMIKIDS INC - AMikids Gadsden 850-627-1844
<http://www.amikids.org/>

AMikids is a 501(c)3 non-profit organization dedicated to helping youth develop into responsible and productive citizens. AMikids' mission is to protect the public safety and positively impact as many youth as possible while working in partnership with youth agencies, local communities and families.

For nearly 50 years, AMikids has empowered over 135,000 kids across the country to discover the potential within them to transform their lives and send them on the road to success. The cornerstone of AMikids programs is its Personal Growth Model, which provides support for growth through education, behavior modification, and treatment in a family atmosphere with caring staff. The AMikids Personal Growth Model is recognized by the Substance Abuse Mental Health Services Administration as an evidence-based model for improving the academic achievement of at-risk kids and reducing delinquent behavior. AMikids is based in Tampa, Florida, and currently comprises 44 programs in 9 states.

BIG BEND HABITAT FOR HUMANITY INC – Housing **850-574-2288**
<https://www.habitat.org/us-fl/tallahassee/big-bend-hfh>

Big Bend Habitat for Humanity's mission brings people together to build homes, communities, and hope by seeking to put God's love into action. We have been in operation since 1982 and we provide simple decent housing for individuals and families currently living in substandard housing. In addition to meeting income eligibility guidelines, the prospective homeowner is required to complete 400 sweat equity hours prior to homeownership. Building houses for eligible individuals is often accomplished in a cost sharing model, teaming local businesses, churches, civic and professional organizations with the homeowner and Habitat, not only to build a house, but to build relationships and a presence in the community. The ultimate goal is to change lives and our communities through homeownership.

BREHON INSTITUTE FOR FAMILY SERVICES INC- Healthy Families Gadsden **850-320-6144**
<http://www.brehonfamilyservices.org/>

Established by local citizens in 1978, Brehon Family Services offers three programs in four counties: 1) Brehon House (maternity home) in Leon County; 2) Project S.A.F.E. (Support and Family Education) in Madison and Taylor counties; 3) Healthy Families Gadsden and 4) Healthy Families Leon, a voluntary home visiting parent education program designed to prevent child abuse and neglect and improve early learning.

The purpose of these services is to provide transitional housing (Brehon House), personal development, employment skills, and parent education to improve pregnancy outcomes and to stabilize at-risk families (all programs). The goal is to develop self-sufficient families through acquisition of new skills, knowledge and resources.

CAPITAL AREA COMMUNITY ACTION AGENCY JNC - Getting Ahead/Staying Ahead -Gadsden
850-875-4250
<http://capitalareacommunityactionagency.com/contact-us/>

Since 1965, Community Action has provided a safety net for our community's poor by helping people in crisis and helping to break a cycle of poverty. We help by paying for utilities or offering rent assistance. Weatherize services making homes more energy efficient. For more than 300 young children from low-income families, Head Start is an incredible preschool program to get students ready for kindergarten while we work with the parents to help them achieve more financial independence.

And, Getting Ahead/Staying Ahead helps clients understand the causes of poverty, set life goals and provide support to help them work out of poverty to a life that is thriving. We have a 50% success rate in moving clients off public assistance.

CENTER FOR INDEPENDENT LIVING OF NORTH FLORIDA INC. DBA Ability 1st - Access to Independence-Gadsden **850-575-9621**
<https://www.ability1st.info/>

The Center for Independent Living of NF, DBA Ability 1st is human services agency providing critical basic needs services for persons with disabilities. We focus on safety net services for the ALICE population and those living at or below federal poverty guidelines. We were incorporated in 1980 and have provided goal-oriented services that are focused on fulfilling our mission: To

UNITED WAY FUNDED PROGRAMS SERVING GADSDEN COUNTY

empower people with disabilities to live independently and enhance their quality of life. Ability1st uses a consumer-based model of service delivery where more than 51 % of staff are persons with disabilities.

Our primary services consist of permanent supportive housing, mental health outreach, crime victim support and advocacy, IL skills training, basic needs (accessibility), High School/High Tech-Youth Transition and nursing home diversion. Ability 1st provides the services and supports needed to keep people with disabilities living in their community and avoid unnecessary nursing home placements.

CESC, Inc. - Emergency Services Program (Gadsden County) 850-792-9000
<http://cesctlh.org/>

In April 2015, The Shelter, which operated on the corner of Tennessee and Macomb St. for 26 years, and the neighboring Renaissance Community Center moved into a single building, The Kearney Center, to better meet the needs of its growing population. Less than a year later, the two agencies merged and officially became the Emergency Services program of CESC at The Kearney Center. A nationally recognized, best practice approach of one-stop homeless service center platform has been adopted locally. The Kearney Center experiences growth continuously by partnering with community agencies to offer a host of supportive programs to better meet the diverse needs of this population and help to foster self-sufficiency while preserving dignity. Our goal is to ensure homelessness is rare, brief, and non-recurring in the Tallahassee area. We execute this mission through a variety of projects-each with their own intention and purpose.

EARLY LEARNING CENTER OF THE BIG BEND – Child Care & Tuition Assistance – Gadsden County
<https://www.elcbigbend.org/>

The ELC was formed in 2002 as a result of the implementation of Florida Statutes calling for the formation of a system of School Readiness coalitions across the state. In 2004, the ELC merged with the Gadsden County School Readiness Coalition to maximize efficiencies and minimize administrative costs. In 2005, the Gadsden & Leon Coalitions absorbed five additional counties creating the Early Learning Coalition of the Big Bend Region, Inc. The ELC administers the School Readiness & Voluntary Prekindergarten programs to seven Big Bend counties connecting over 7,000 children and their families to the early learning program that best meets their needs. Our mission is to provide leadership and advocacy that builds a community where all children are prepared for success in school. The Child Care Tuition Assistance program provides young children the opportunity to be in safe and conducive learning environments that prepare them to enter the school system.

GADSDEN COUNTY SENIOR CITIZENS - Senior Volunteer Programs | **850-627-9758**

The mission of Elder Care Services, Inc. is to improve the quality of life for seniors and their caregivers by providing home-based care and being an advocate for seniors in community affairs. Our programs include Senior Outreach Services, In-Home and Community Based Services, Nutrition Services, Elder Day Stay and Retired Senior Volunteer Programs. Elder Care Services is the unquestioned leader in advocating for and serving a wide spectrum of seniors in the Big Bend area. Since being founded by the Senior Services Planning Council in 1970, providing compassionate care has been a cornerstone of our mission. We are dedicated to meeting the needs of seniors in a comforting environment while fostering their

UNITED WAY FUNDED PROGRAMS SERVING GADSDEN COUNTY

independence. We also provide active seniors a way to stay engaged and serve other seniors and at-risk populations. Our model of 5 integrated programs collaborating together, allows us to deliver comprehensive services while maintaining the low administrative costs of a single agency.

LEGAL SERVICES of NORTH FLORIDA INC – Big Bend Medical and Legal Partnership – Gadsden 850-875-9881

<https://www.lsnf.org/>

LSNF is a nonprofit entity established in 1976 to provide civil legal services to eligible residents who could not otherwise afford an attorney. Our coverage area is 16 geographically contiguous counties in the Big Bend and Panhandle. Our Tallahassee office serves Leon, Jefferson, Franklin, and Wakulla Counties. Our Quincy office serves Gadsden County. We primarily serve clients whose income is 200% of the poverty guidelines or lower with issues like work with victims, including domestic violence, sexual violence, human trafficking and other abuse; housing issues, including rental and Homeownership issues; services to those with disabilities; care for the elderly; and consumer issues, including unlawful debt collection, wage garnishment, and tax controversies.

Assistance includes advice, brief service and full/extended representation. LSNF engages in extensive outreach and collaborates with numerous community partners to coordinate a holistic approach to solving our clients' problems.

LIGHTHOUSE of the BIG BEND INC – Employment Readiness Training and Support– Gadsden 850-942-3658

<https://www.seeingindependence.org/>

LBB is a 501(c)(3) designated nonprofit organization established in 1983. In the eleven counties in its region, LBB offers services in both group and one-on-one settings to help clients attain, regain, or improve their independence. These services are provided at no cost to the client. Services provided by the Lighthouse include early intervention, expanded core curriculum for school-aged children, transition skills, orientation and mobility training, assistive technology training, independent living skills training, and vocational rehabilitation.

All of these skills can vastly improve independence, instill self-confidence, promote safety, and strengthen the individual's overall mental and physical health and well-being.

THE BOYS AND GIRLS CLUB OF THE B16 BEND INC

Chattahoochee: 850-663-2244

Havana: 850-519-0000

Quincy: 850-656-8100

<https://www.bgcbb.org/>

In 1989, Kerr and Downs conducted a household survey for Tallahassee which identified substance abuse, crime and teen pregnancy as the top three social problems facing our community. This in conjunction with increase in violent crime by youth led this group to partner with the Boys & Girls Clubs of America (BGCA) to establish Clubs in the Tallahassee area.

With that, the Boys & Girls Club of the Big Bend was founded in 1992 with a mission to inspire and enable all youth especially those who need us most to realize their full potential as caring adult

UNITED WAY FUNDED PROGRAMS SERVING GADSDEN COUNTY

citizens. Over the past 25 years, we have provided services in the area of Character Development, Health & Life Skills, Arts, Sports & Recreation, Education, Career Prep, and Technology. Monday through Friday our program provides after school services between the hours of 3:00- 6:00 pm and summer programming from 7:30 am - 6:00 pm.

THE SALVATION ARMY **850-222-0304**

<https://salvationarmyflorida.org/tallahassee/>

Serving in over 132 countries, The Salvation Army is a registered 501(c) (3) non-governmental relief agency. We work to alleviate suffering and help people rebuild their lives. The Salvation Army has been providing programs and services since its inception in 1865, and has been serving locally since 1951, a familiar source of support for residents here. The Salvation Army, an international movement, is an evangelical part of the Universal Christian Church. Its message is based on the bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination. Services provided include financial rental and utility assistance, multiple food and congregate feeding services, clothing and shoes, hygiene and infant supplies, character building, music, and camp services for youth, Christmas Assistance for children and senior citizens, Anti -Human Trafficking education, and Emergency Disaster Services.

SECOND HARVEST OF THE BIG BEND INC- Food Bank Operations - Gadsden County **850-562-3033**

<https://fightinghunger.org/>

Second Harvest food bank is a nonprofit charity started in 1982 to address the urgent problem of hunger in the community. Our mission is to feed hungry people in the Big Bend and lead the community in the fight to end hunger.

We provide food and other needed items to our collaborative network of 164 partner agencies and other organizations in 17 Florida counties - 11 counties in our Feeding America service area (Calhoun; Franklin; Gadsden; Gulf; Jackson; Jefferson; Leon; Liberty; Madison; Taylor; and Wakulla), plus 6 counties (Columbia; Dixie; Gilchrist; Hamilton; Lafayette; and Suwannee) under agreement with other North Florida food banks.

According to Feeding America's Map the Meal Gap 2018 research study, 134,000 people, including 30,000 children in the Big Bend are food insecure. The unmet need "meal gap" in the Big Bend is about 23 million meals annually. Second Harvest delivers charitable food to Florida's top five most food insecure counties, and 11 of the top 20.

Purpose

This resources guide was developed by the Leadership Gadsden Class of 2016 students in partnership with our parent organization Leadership Gadsden and Gadsden Community Health Council, Inc. to assist the Gadsden county community in finding available resources in the area. Leadership Gadsden recognizes that the key to the betterment of our community and its health depends on the access to vital information. A need was identified for information on local service agencies, therefore, we made it our goal to empower those organizations with a tool that is readily available to maximize their customer experience by meeting their needs.
