## Anti-Bullying Presentation

On October 28<sup>th</sup> nationally recognized speaker Brian Williams conducted a virtual assembly for DMS students on the topic of kindness and respecting the individuality and uniqueness of others. Thank you to the cultural arts committee of the PTO for organizing the assembly.

## Student Council Elections

This month students in the eighth grade made speeches for each grade level as they ran for officer positions in our student council. The entire student body then had the opportunity to vote for the leaders of their student government.

## Soccer and Volleyball

This week our soccer and volleyball teams concluded their seasons. Volleyball coach Ms, Shannon McBride and soccer coaches Ms. Jess Raccioppi and Ms. Nicole Petri could not be more proud of their student athletes for their effort and sportsmanship. Congratulations to all on a wonderful season.

## Figurative Language: Escape Room Game

This week sixth grade students found inspiration by participating in a spooky escape room challenge. The students had to identify various types of figurative language in a Halloween themed passage in order to unlock a key to “escape” a chamber.

## Mindfulness Art Installation

This fall all DMS students will be working with local artist Maureen Bennett. Each student is creating an art piece on the topic of peace, justice, and global citizenship. Thank you to the PTO for organizing.
