Errow has gained traction with the endorsement of parish pastors, young adult ministries, and Catholic non-profits and businesses. Its goal is to cultivate authentic relationships rooted in shared faith, purpose, and sacramental love.

“Our world has more single people than ever before, and there is a great need among us Catholics to promote more Catholic marriages and families! This is where Errow comes in. This ministry is meant to bring Catholic young adults together to help them find the person God is intending for them.”
