PROVIDING A PATH TO SUCCESS

SHANE JONES
PRINCIPAL

October, 2021

Dear Parent/Guardian,

We have been notified that our school qualifies to receive federal funds under the Elementary and Secondary Education Assistance (ESEA) and the Every Student Succeeds Act (ESSA) for the 2021- 2022 school year.

Our school is eligible for the following:

Schoolwide Title I Program: School staff members work with input from parents and community to develop a Schoolwide plan, in order to upgrade the entire educational program. Title I eligibility is based on the enrollment of students from low-income families.

We look forward to your involvement in school activities and your child's education. You will receive notices and information throughout the school year to keep you informed about the progress of your child and the status of the school in making progress toward helping all children meet high academic standards. We also look forward to your attendance at school meetings where we will discuss the Title I Schoolwide Program and the Title I activities taking place at our school. You will be invited to assist in the development, revision, and implementation of our Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for our child. Please call the school if you have any questions or would like additional information.

Sincerely,

Shane Jones
Principal
