Happy Birthday to Kimberly Almaraz Padilla!

Thought of the day:

"The problem is not the problem. The problem is your attitude about the problem."

Have a Fascinating Friday and remember, we are proud to be a Raider!

At this time, students who are tested in the Library yesterday need to go to the Library to continue with testing this morning. Again, if you tested in the Library yesterday, go to the Library at this time.

We will have a make-up testing session at the beginning of the 3rd period block today. An announcement will be made at that time.
